# <u>Chamberlain's Department Finance</u> <u>Dashboard</u>

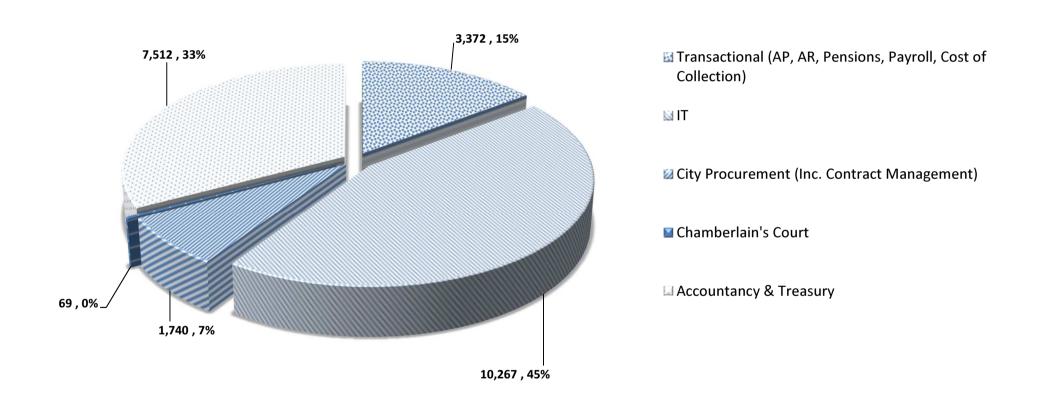

### **Executive Summary**

This dashboard is a work in progress and will be developed and enhanced going forward.

- Page 2 shows the broad split of funding across the department. Formatting will be improved on this page in particular as the key is currently difficult to decipher.
- **Page 3** shows the budget for larger projects for 2017-18 against monies spent so far. Most of the projects are in the preliminary stages and peak activity has yet to start.
