Dear Sir/Madam

Premises License Application: Lucky Voice - 111 Fleet Street EC4A 2AB

I write to object to this slightly amended application. I refer to my earlier letter of 4th June in this regard. If granted the use of the premises will still cause significant public nuisance given its proximity to several residential properties, including my own as above. The proposed termination hours while slightly modified have not materially changed my objections as the finish times proposed are completely inappropriate given the location, where residents like us will have to endure significant disturbance ; to date we have been used to relative peace during the night.

Please acknowledge receipt of this objection and let me know when the hearing will take place to consider the application.

Yours faithfully
