**To:** M&CP - Licensing  
**Subject:** Objection to resubmitted application by Lucky Voice Karaoke bar

[REDACTED] Poppins Court

Flat [REDACTED]

Sovereign House

London EC4A 4AX

We the residents of the above address object to the planning application for the above proposal and have previously sent our written objection in July 2017.

We base our objection on the disturbance of this area due to inevitable noise disturbance at very inconvenient hours of the day and night if the plans to set up a karaoke bar was to go ahead. This second planning application has been resubmitted with slight modification of hours which does not have any influence on our objection to grant this permission.

We are therefore not only incredibly concerned about the high probability of increased noise near the apartment block, but also of the effect this will have on our lives.

The additional noise level which this application will lead to is totally unacceptable to us and will destroy the little peace and quiet that is possible around this area. We are sceptical due to the reality of the situation that they will not be able to control the noise levels.

Yours Sincerely,

Kalpana Patil

Dear Sir/Madam

**Premises License Application: Lucky Voice – 111 Fleet Street EC4A 2AB**

I write to object to the above application. We have been residents in ■ Poppins Court for the past 5 years. I am a Consultant Paediatric Urologist working in Evelina London Children's Hospital St Thomas' NHS Foundation trust and have to attend on call duties. I have very busy working hours and when I am back at the flat I need peace and quiet to recover from my day's work. If the premises license is granted for a Karaokebar with live and recorded music in addition to sale of alcohol there is bound to be noise disturbance no matter what regulations are imposed. This will be very disturbing to the residents of this currently quiet area. It is important for us (residents) to maintain this environment without adding an unnecessary noise pollution. We cannot imagine that this noisy venue is to sell alcohol and be open till 3 am!! This will be a major site for personal as well as (residents and public nuisance.) The current peace at night will certainly not be available to the residents in the vicinity of a Karaoke. Bar with loud live and recorded music in 111 Fleet Street.

We (my husband and I) have attended all the council meeting with several residents raising objection to similar noisy situations near their residence and are currently helpless as none of their concerns are materialising in any solutions.

We do not agree at all that this premise should be granted permission in 111 Fleet Street. We strongly object to this. We are determined to take it further if our objection is over ruled.

Please acknowledge receipt of this objection and let me know when the hearing will take place to consider the application.

Yours faithfully

■
