Dear Sir / Madam,

Ref: Grant for Variation of Premises Licence for Roma, 14 New London Street, EC3R 7NA (MLA Leisure 2 Ltd

I am writing regarding the recent application for Roma to extend their operating hours till 4am on a Friday and Saturday night.

Please note that on behalf of Apex City of London Hotel, 1 Seething Lane, EC3N 4X, I would like to oppose this application based on noise / disruption to our Hotel guests.

We have had issues in the past with the current licence and our guests being disturbed by patrons out on the street, particularly during closing hours.

This also places strain on our operations as our Night staff are left to deal with rowdy customers.

I would appreciate your consideration regarding the above.

Yours sincerely,

Brian Tapson
General Manager
