<p>8 November 2016 6 December 2016 14 February 2017 16 May 2017 20 June 2017 24 July 2017 5 September 2017 17 October 2017</p>	<p>Fishmongers Ramp project which is due for completion Summer 2016</p>			<p>Officers advised that a consultant had now been appointed to undertake a review of the repairs needed and that a report would be coming to the Sub-Committee after the recess. The Consultant was now undertaking loading testing which was due to be completed in October 2017. Officers reported that there had been a delay and completion date would now be December 2017.</p>
<p>20 June 2017</p>	<p>London Wall Place A member asked if all the necessary procedures had been put in place to promptly adopt the London Wall Place high walks and to ensure the lift that had been out of service functioned properly when these were reinstated?</p>	<p>Director of the Built Environment</p>	<p>Ongoing</p>	<p>Officers undertook to look into this. Officers advised that a report would be coming to the Sub-Committee after recess once assurance on technical compliance had been received. Officers undertook to report back on the process for doing this. Officers reported that it had not yet been confirmed that construction was completed and that the walkways were ready for adoption. The Sub-Committee would be advised as soon as this happened.</p>
<p>20 June 2017</p>	<p>Two Way Cycling in Seething Lane/ Muscovy Street. A member asked why officers had not leafleted local residents and occupiers, outlining the proposal, as they had done so previously a number of years ago when the proposal was first suggested, and</p>	<p>Director of the Built Environment</p>	<p>Ongoing</p>	<p>Officers advised that a vigorous design process had been undertaken and they would provide a written response to the Member A decision was taken to conduct informal consultation again in this area; as several years had elapsed. The proposals for the street had been through design and safety audits; especially in their interface with the</p>

				written to which was because they had been omitted from the original consultation.
22 Bishopsgate 24 July 2017 17 October 2017	The Sub-Committee considered an outline options appraisal report of the Director of Built Environment concerning works to improve the public realm areas and security in and around the 22 Bishopsgate development (formerly known as 'The Pinnacle').	Director of the Built Environment	Ongoing	Reference was made to servicing and consolidation measures and officers agreed to report back on this.
<u>Bollards/Bakers Hall Court</u>	It was agreed that this matter should be added to the list of Outstanding References.	Director of the Built Environment	Ongoing	Officers advised that the issue of vehicles mounting the pavement was due to the fact that the occupiers were using big vehicles and so they had been written too and asked to use smaller ones. A member stated that that action needed to be taken quickly and that consideration should be given to the addition of skinny bollards.
