Our top line objectives are:

- Drive and coordinate the delivery of our corporate ambitions and desired outcomes.
- Promote high standards of governance throughout the organisation.
- Deliver democratic services, which meet the needs of elected Members and the electorate (measure 6).
- Create and deliver clear, consistent and confident messaging across the City Corporation.
- Ensure that there are plans in place to support and assist the City's communities in the event of an incident.
- In partnership with the City of London Police and others, help deliver a safer community.
- Develop Culture Mile as a vibrant and welcoming cultural and learning destination and therefore contribute to changing perceptions of the City to ensure it is recognised as a global leader in culture as well as commerce.
- Change the security culture within the organisation.
- Enhance the City's resilience around the Prevent, Protect and Prepare strands of the national Contest strategy.
- Implement improvements to project management procedures and practice across the organisation.

What we'll measure:

1. Achievement of the aims of the Culture Mile programme, including projects being delivered within the allocated resources and on time.
2. Overall impact of corporate workstreams on outcomes set out in the Corporate Plan.
3. The extent to which corporate objectives and outcomes are being referred to, and intended impact is being set out, in decision-making papers going through governance processes (existing and new).
4. Member and staff feedback on the

Corporate Programmes and Projects:

- Lead the development and delivery of the Culture Mile programme (measure 1).
- Develop and manage a prioritised corporate strategy pipeline to drive increased impact on the outcomes set out in the Corporate Plan, and lead on corporate strategies including: Internal Responsible Business; Corporate Volunteering; Customer Services, Digital Strategy and Corporate Social Mobility (measure 2).
- Design and develop a new business planning and corporate performance management system that can be further developed over time as our capabilities build (measure 3).
- Lead the re-design of Chief Officer governance to support good decision-making regarding allocation of resources in order to increase our impact on the outcomes set out in the Corporate Plan (measure 4).
- Raise awareness across the City Corporation of why and how to use the Corporate Plan, align Business Plan and performance measures with it, and use both and governance processes to best effect.
- As part of the 'One Secure City' programme, move the Contact Centre Services to the new Joint Contact and Control Room, co-locating and providing a joint service with the City of London Police (measure 5).

Departmental Programmes and Projects:

- Oversee a review of the security of the City Corporation's operational estate (measure 7).
- Promote the refreshed prevent strategy and deliver training for all City Corporation staff (measure 8).
- Produce an Anti-Social Behaviour (ASB) Strategy in partnership with the City of London Police (measures 9 and 10).
- Continue to support work to deliver an effective response to VAWG (Violence Against Women and Girls).
- Ensure that the City Corporation exceeds the minimum London Resilience Standard and works with partner London Boroughs to share best practice and increase capacity (measure 11).

How we plan to develop our capabilities this year

- Build the Corporate Performance Team and business planning and corporate performance systems.
- Develop and enhance specialist support in Committee Services in particular in the area of the City's educational activities.
- Develop closer working relationships between the Police and our local authority community services to improve the effectiveness of response.
- Enhance retention and improve succession planning in the Committee Team by ensuring that talented staff are given professional development opportunities.

usefulness of the new governance documents, structures and processes.

- Whether the Joint Contact and Control Room is delivered on time and within budget.
- Member feedback on whether the induction and development programme enables them to fulfil their roles effectively.
- Level of compliance with CPNI (Centre for the Protection of National Infrastructure) guidelines.
- Percentage completion of Prevent on-line training by staff (target 100%); take up of bespoke Prevent toolkit for businesses; level of engagement with faith communities, residents and educational establishments
- Number of repeat ASB incidents and appropriate use of warning letters, Community Protection Notices and injunctions.
- Improved awareness of ASB Strategy and reporting methods.
- Performance against minimum London Resilience Standard requirements.

What we're planning to do in the future

- Continue to align Business Plans with the Corporate Plan, build more sophisticated corporate performance and officer governance capabilities to enable us to use our resources to achieve greater impact on our corporate outcomes over time.
- Evaluate the use of emerging information technology to improve efficiency and innovation.
- Develop democratic services in line with the needs of the newly elected 2017 Membership to ensure that elected Members can carry out their roles effectively.
