

## **Housing Management Sub Committee Terms of Reference:**

To be responsible for:-

- a) discharging the City of London Corporation's function in respect of the management of its existing social housing stock (with the Grand Committee retaining responsibility over policies affecting the City's Strategic Housing responsibilities);
- b) approving schemes affecting the City's existing social housing stock in accordance with the policies and strategies for investment agreed by the Grand Committee and having regard to the City Corporation's Project Approval Procedure;
- c) approve policies in relation to the management of housing services to tenants and leaseholders in City estates and review them as necessary; and
- d) advising the Grand Committee on:-
  - the general performance of the Social Housing Service; and
  - its recommendations concerning the Allocation Scheme in the City's Housing Registration process.
