Report of: Town Clerk	For Decision
Report Author: Joseph Anstee – Town Clerk's Department	

Main Report

All Committees/Boards are asked to review their terms of reference annually. This will enable any proposed changes to be considered in time for the reappointment of Committees by the Court of Common Council.

The terms of reference of the City Bridge Trust Committee are attached as an appendix to this report for your consideration. The terms of reference have been revised to:

1. reflect that the Committee, in applying Bridge House Estates income surplus to that required to maintain and support the bridges in accordance with the new policy for application of those funds which was agreed by the Court of Common Council on 20 July 2017 will extend its activities beyond traditional grant-making to other strategic activities; and
2. allow for the appointment by the Committee of external persons to bring relevant expertise and experience to the Committee which persons shall be selected through a fair, transparent process set by the Committee in accordance with best practice, and which appointments shall be determined by the skills needed by the Committee for its proper administration of the charity for the City Corporation as trustee.

The Committee is currently scheduled to meet six times each year along with a strategic away half-day.

Recommendation(s)

That, subject to any comments, the revised terms of reference of the Committee be approved for submission to the Court as set out in the appendix.
