Main Report

1. Since the last meeting of the Committee approval was given under the urgency procedures, Standing Order No. 41(a), as follows:-

Beech Street Event for Culture Mile (Standing Order 41(a))

In respect of the Members' reservations, the Barbican proposed a revised schedule for the project to comply with a reduced period of closure. This was based on the following principles:

- **That there will be pedestrian access through the tunnel for the duration of the build and de-rig of the necessary equipment**
- **That Barbican residents will have pedestrian access through the tunnel for the entire period**
- **That Barbican residents will have access to their cars and car parks for the entire period**
- **The access for emergency vehicles will be maintained for the entire period**

The revised proposal reduces the set-up time in the tunnel by 24 hours and reduces the duration of the road closure requirement by 24hrs, maintains performances on both Saturday 17th and Sunday 18th March and allows the tunnel to open 2 hours earlier than previously anticipated.
