10. A question was raised on the lack of gender diversity on the Policy and Resources Committee following the recent elections at Court of Common Council. It was noted that the Committee was not representative in terms of gender of the wider Court nor the City of London as a whole. Concerns were raised that this posed an issue for the Committee and could also be perceived as a reputational risk.

Members felt that there was some urgency around the lack of diversity and asked that this be raised with the Policy and Resources Committee at its next meeting to encourage a discussion about any action that should be taken by the Committee to increase the diversity of its Membership.

**RESOLVED** – That the discussion and issues raised by Members of this Sub-Committee be highlighted to the Policy and Resources Committee to enable it to consider whether and, if so what, action might be necessary.
