T*he Safer City Partnership has a Prevent Strategy, the priorities are;*
1. *promoting understanding of the risks associated with radicalisation*
2. *ensuring that staff understand the risk and know how to deal with concerns*
3. *communicate and promote the value of Prevent to our communities*
4. *support our resident and business communities in relation to Prevent.*

- WRAP training has been delivered to Universities x2 and a major cleaning company that provides services to City Corporate Business premises.
- Awareness of Prevent sessions x2 have been delivered to the City of London Apprentices.
- Awareness of Prevent sessions have been delivered to new police recruits and CoL new joiners as part of their induction day.
- A Prevent awareness session was provided to the Supt & Registrar at the City Cemetery, with a formal WRAP training session for his staff being arranged.
- The e-learning Prevent training module has been launched and is now available to all staff, with a concise 20-minute duration. This is going to committee to request it be made mandatory for all staff.

CURRENT POSITION	

- The Muslim Women's Group Mansell Street meetings are regularly attended by the CoLP Prevent office.
- E-mail circulation lists for 'Prevent for Education' a 'Prevent for Business' and 'CoLC Prevent Departmental leads' have been created and used to share information across the City sourced from wider Boroughs Prevent Teams as well as the CoL Strategy document.
- Leaflets and small promotional items purchased by CoLP were distributed at a range of 'Prevent Community engagement and information stands' to raise awareness of prevent across the City on several dates, jointly by Police and CoL staff. The foyers of St Bart's Hospital, One New Change and CoL Barbican library enabled face-to-face discussion with over 1,500 people. Officers found people were both interested in and supportive of promoting the message, many taking promotional posters for own workplaces. Utilising connections to the voluntary sector 'SAFE' (tell mama), some leaflets were translated into Urdu and Arabic which proved useful. Officers found people engaged in discussions around the case of J Evans, the subject of 'My son the Jihadi' television documentary. Prevent officers met with the subjects' younger brother Michael, who leads a charitable initiative supporting families affected by extremism.
