Subject: Support for Enoteca de Luca - 2 London Wall Place Licensing

Dear sir or madame,

A very quick email to register our support for the licensing of Enoteca de Luca at 2 London Wall Place.

It is my understanding that the Andrewes House Group Committee and the Barbican Association are working on submitting an objection.

This objection **DOES NOT** have our support.

Kindly feel free to contact us on the subject.

Yours faithfully,

Constantine Theodossiou & Ileana Antypas
