Hello

We would like to make an objection to the licence extension to Dion. We are a residential school, with children aged from 7 – 13, and adults sleeping close by. New Change is noisy enough in the evenings, and as the main bus stop is immediately outside the sleeping quarters, drunk customers emerging as late as 2.00 a.m. would seriously affect the sleeping quality of our residents.

Do let me know if you need further information from me to support our objection.

Very best wishes

Simon
