Subject: Objection to hours of licensing for Wright and Bell, Bartholomew Close

Sir/Madam

I wish to object to the granting of a licence to serve alcohol after 11pm for this very large restaurant and hospitality venue. It creates an unacceptable precedent for a quiet, historic residential neighbourhood and will create unwelcome noise, unruly behaviour and possible intimidation to local residents, hospital inmates and businesses as well as additional road traffic when the rest of the area is quiet.

Regards,

Peter Bowen
