Dear Sir/Madam

I am writing in my capacity as a Common Councilman for the Ward to register my opposition to this application.

The proposed late hours of licensing being requested for a large restaurant and bar in a quiet residential location is inappropriate. It will create a considerable public nuisance in terms of noise, especially to residents at Spencer Heights, to many of the new residents in the Barts Square Development and patients at Barts Hospital. I also agree with comments made by others that, as well as the hours being unacceptable, it is also important to impose conditions which mean that no tables be allowed on the pavements, doors and windows are kept closed and that there is no noise from air conditioning.

Clare James, Deputy  
Ward of Farringdon Within  
c/o Members' Room, Guildhall
