

Service Improvement Objective 1: Asset Maintenance Plan				
Actions	Measure of Success	Lead and Support Officer	Resources	Links
<p>BEO Directorate to ensure that the Technical Services Division review the long term asset maintenance in respect of the fabric and components of the Barbican Estate. This project will include a review of all building and services elements.</p> <p>An initial committee report will be presented in <b>June 2010</b> covering how the project will be progressed with priorities, timescales and additional resources identified. <b>Completed.</b></p> <p>A working party with representation from the Technical Services Division, Barbican Estate Office and the RCC will be set up to progress the project.</p>	<p>Scoping exercise completed and comments from RCC included by <b>May 2010. Completed.</b></p> <p>This exercise will cover identifying trends in repairs and maintenance and the balance between preventative and reactive repairs, to consider where urgent attention needs to be targeted.</p> <p>A committee report presented to the RCC &amp; BRC by <b>June 2010. Completed.</b></p> <p>Further actions and target dates will be identified following the June committee report.</p>	<p><b>Mike Saunders</b> Head of Asset Management &amp; Programme Monitoring</p> <p><b>BEO-Directorate</b></p>	<p>This project will be conducted within existing Technical Services Division.</p> <p>Funding to take projected major projects forward will need to be included within future financial budgeting processes</p>	<p>Parts of the estate have been occupied for over 40 years. A plan for future maintenance and to identify future projects to ensure the fabric of the estate is protected for the long term needs to be prepared.</p>
<p><b>Rationale:</b> This project will ensure that the Barbican Estate is in a good general state of repair, as part of the team's overall maintenance function. This ensures all residents have a pleasant and, most importantly, safe living environment. It is also a cost saving exercise – ensuring the long-term “health” of the estate buildings could prevent expenditure further down the line where problems may have been identified</p>				
<p><b>Supports Community Strategy Themes: Supporting Our Communities</b></p>				
<p><b>Supporting our strategic aims: To improve the department's value for money, efficiency and performance</b></p>				
<p>A report was presented to the June committees. A joint working party is being set up with resident representative nominations to the Chairman of the RCC.</p>				

Service Improvement Objective 2: Car Park Strategy				
Actions	Measure of Success	Lead and Support Officer	Resources	Links
<p>BEO Directorate to review measures to reduce costs and develop a strategy plan by <b>May 2010. Completed.</b></p> <p>Carry out a proactive review of all commercial uses for the car parks including contacting local businesses to ascertain needs for example bicycle parking &amp; storage by <b>July 2010</b></p> <p>A report for <b>June 2010</b> on charging including the possibility of implementing charges for motorcycle parking. If approved for implementation by <b>September 2010</b></p> <p>Assess the opportunity of providing additional cycle storage in some of the void areas of the car parks by <b>September 2010. Completed.</b></p> <p>Introduction of a pre-pay system for temporary car parking by <b>November 2010</b></p>	<p>Additional income streams Identified and charging reviews conducted and implemented subject to the approval of the Barbican Residential Committee.</p> <p>Reduction of the current deficit on the car parking account.</p>	<p><b>Michael Bennett</b> – Estate Services Manager</p> <p><b>Mike Kettle</b> - Commercial Manager</p>	Review existing resources	Car Park Strategy
<p><b>Rationale:</b> This objective will review the value for money provided by the current car parking service and may lead to a review in the way services are delivered to car park users. The City of London Corporation's policy for the Barbican Estate car parks is to balance the objectives of providing well managed and secure parking facilities on the one hand whilst seeking to fulfil its duty of optimising the use of a City Fund asset on the other.</p>				
<p><b>Supports Community Strategy Themes: Supporting Our Communities</b></p>				
<p><b>Supporting our strategic aims: To improve the department's value for money, efficiency and performance</b></p>				
<p>A strategy regarding costs is being reviewed by senior departmental officers. Local businesses are being contacted regarding commercial usage. The motorcycle charging policy is being implemented. Motorcycle users have been contacted and charges will apply from December 2010. After a review of the provision of cycle storage new equipment has been provided in some of the Car Parks. Options are being progressed for a pre paid system for temporary car parking.</p>

Finalise on-going arrangements for the management of the residential properties in Frobisher Crescent due for completion in <b>April 2010</b>	Ensuring that services to Frobisher Crescent properties are provided and managed in line with existing standards (e.g SLAs) across the Barbican Estate by end of <b>June 2010</b>	<b>BEO Directorate</b> Working with the Leasehold Services Officer Sheila Delaney and the House Officers Helen Davinson, Rebecca Marshall and Sarah Styles	Will be considered, this will depend on marketing and selling timescales	BEO officers will be working with City Surveyors
Revising Service Level Agreements and Residents' information pack for Frobisher Crescent by <b>April 2010. Completed.</b>				Chamberlains
Developing a welcome pack for new residents by <b>April 2010. Completed.</b>				Marketing agents
Drawing up management protocol for liaison with the Barbican Centre over shared services and works and joint Health and Safety responsibilities by <b>April 2010 and then reviewed quarterly</b>				Housing Technical Services
Ensuring that all technical manuals, operating procedures and emergency plans are transferred to the Housing Services Technical Division by the end of the defects period <b>September 2010 to March 2011 Revised target December 2010 to May 2011</b>				Barbican Centre
All protocols and new working arrangements to be reviewed after one year to check if the new protocols are working effectively. <b>March 2011</b>				Developers – United House
<b>Rationale:</b> This objective will ensure that new residents in Frobisher Crescent are delivered the same quality of service delivered to other residents on the Barbican Estate and to ensure that staff are aware of the differences in services levels.				
<b>Supports Community Strategy Themes: Supporting Our Communities</b>				
<b>Supporting our strategic aims: To enhance and promote a better quality of life for residents</b>				
Handover of the building has been delayed until mid September 2010. A management protocol between the Barbican Centre and the BEO has been drafted and consultations are ongoing with resident representatives from Frobisher Crescent.				

Service Improvement Objective 4: To review Repairs and Maintenance Procurement.				
Actions	Measure of Success	Lead and Support Officer	Resources	Links
<p>A review will be conducted to ensure that the services delivered demonstrate value for money, are customer focused and of a high quality. This objective is a priority under the current financial climate.</p> <p>This review will be focused on 5 suppliers with the highest payment values and will cover areas of expenditure outside the new R&amp;M contract. A report will be prepared for the Barbican Estate Directorate with recommendations for change if appropriate. The review will be completed by <b>September 2010</b>.</p> <p>The cost increases may be due to the age of the Barbican Estate and failing components. This aspect will be managed under the Asset Management Project (See objective 1)</p>	<p>That all major repairs and maintenance expenditure has been tested for value for money and evidence for this exercise can be provided to interested stakeholders by <b>September 2010</b></p>	<p><b>John Todd</b>, Head of Repairs and Maintenance</p> <p><b>Anne Mason</b>, Revenues and Service Charge Manager</p>	<p>This exercise demonstrates best practice and will be carried out within existing resources</p>	<p>Housing Technical Services Division</p> <p>Contractors</p>
<p><b>Rationale:</b> Repairs and maintenance (R&amp;M) expenditure is a significant component of the overall service charge and this review will be undertaken to demonstrate to residents that we are delivering a R&amp;M service which provide value for money.</p>				
<p><b>Supports Community Strategy Themes: Supporting Our Communities</b></p>				
<p><b>Supporting our strategic aims: To improve the department's value for money, efficiency and performance</b></p>				
<p>Technical Services are market testing 5 main suppliers that have been proposed by the BEO.</p>				

Service Improvement Objective 5 –Stakeholder Review of Services				
Actions	Measure of Success	Lead and Support Officer	Resources	Links
<p>To liaise with stakeholders to ensure that their views on service delivery are monitored and changes are implemented if appropriate.</p> <p>Conduct series of surveys with key stakeholders to review the management function and delivery of services.</p> <ul style="list-style-type: none"> <li>An review of external stakeholders via a Residents Satisfaction Survey to be carried out by <b>February 2011</b></li> <li>a survey of key internal stakeholders e.g. Barbican Estate staff, colleagues in DCCS, &amp; other departments by <b>March 2011</b></li> <li>a survey of external stakeholders such as residents representatives, RCC representatives and resident working parties at the RCC annual review meeting in <b>January 2011</b>.</li> </ul> <p>A survey of members representing Barbican wards and BRC members by <b>March 2011</b>.</p>	<p>A Residents Satisfaction Survey has been conducted and other surveys with Key stakeholder have taken place by <b>March 2011</b>.</p> <p>Carry out an analysis of survey results. Review of services will depend on the outcome of the results and aspects of how services are delivered may be reviewed by <b>March 2011</b></p>	<p><b>Barbican Estate Directorate</b></p> <p>Michael Bennett</p> <p>Anne Mason</p> <p>Sharon McLaughlin</p>	<p>These surveys will be conducted within existing resources</p>	<p>The BEO works closely with the Technical Division to deliver R&amp;M services.</p>
<p><b>Rationale:</b> This objective is to ensure that the Barbican Estate Directorate are providing an effective &amp; inclusive strategic decision making team, co-operating effectively with members, resident representatives, Barbican Estate Team members and other stakeholders and that the management function is delivered in an efficient and cost effective manner.</p>				
<p><b>Supports Community Strategy Themes: Supporting Our Communities</b></p>				
<p><b>Supporting our strategic aims: To improve the department's value for money, efficiency and performance.</b></p>				

Service Improvement Objective 6 – Non-Statutory Consultation					
No.	Actions	Measure of Success	Lead and Support Officer	Resources	Links
	<p>An annual review programme of recognised House Groups has been put in place by the Town Clerks Department by <b>June 2010, revised target September 2010</b></p> <p>The Barbican Estate Directorate will be drawing up a draft protocol for non statutory consultation with members, RCC representatives, HG representatives, and other residents. The protocol will include provision for where blocks do not have a recognised House Group by <b>October 2010</b>.</p> <p>Consultation will be undertaken on a draft best practice guide and a report will be presented to the RCC &amp; BRC in <b>March 2011</b></p> <p>The final version of the Guide to be issued in <b>May 2011</b>.</p>	<p>Annual review of House Groups has been completed by <b>June 2010</b> <b>Revised target September 2010</b></p> <p>A consultation protocol / strategy agreement has been agreed by <b>October 2010</b> and implemented <b>May 2011</b>.</p> <p>A best practice guide has been issued to all House Group committees.</p> <p>Committee report presented <b>March 2011</b></p>	<p>BEO-Directorate</p> <p>House Officers Helen Davinson Rebecca Marshall Sarah Styles</p>	<p>This objective will be completed within existing resources</p>	<p>To ensure best practice is implemented across all consultation processes.</p> <p>Town Clerks Department</p>
<p><b>Rationale:</b> This is to ensure that all stakeholders have the opportunity to be involved in the planning and decision making process and that best practise can be demonstrated for all consultation processes.</p>					
<p><b>Supports Community Strategy Themes: Supporting Our Communities</b></p>					
<p><b>Supporting our strategic aims: To increase stakeholder involvement/partnership working to drive service improvement.</b></p>					
<p>A report on the annual review of RTAs is being presented to September committee.</p>					

Service Improvement Objective 7: Health & Safety				
Actions	Measure of Success	Lead and Support Officer	Resources	Links
<p>To work towards completion of the annual Certificate of Assurance – <b>To be submitted by end January 2011</b></p> <p>To improve safety performance Top “X” reporting is being used to identify the most significant risks to enable them to be managed effectively and efficiently by managers. The key divisional issues for 2010 are: lone working, manual handling &amp; driving.</p> <p>To ensure that these priorities are communicated to departmental managers who are responsible for implementing H&amp;S via management team meetings by <b>September 2010</b>.</p> <p>Quality assure risk assessments within the department by <b>March 2011</b></p>	<p>Annual Certificate of Assurance has been completed by <b>January 2011</b></p> <p>That action plans are in place to address key issues <b>September 2010</b></p> <p>That information has been analysed to support the prioritisation of H&amp;S within divisional plan and team plans</p> <p>Risk assessments have been quality assured by <b>March 2011</b></p>	<p><b>June Bridge –</b> Health and Safety and Office Manager</p>		<p>Overall City of London H&amp;S strategy and action plan</p>
<p><b>Fire Safety</b> – Develop an action plan to address fire safety within the Barbican Estate in particular a plan for balcony inspections to be carried out during 2010.</p> <p>Initial Inspections – October to December</p> <p>Follow up Inspections – December to February</p> <p>Final Inspections – February to April 2011</p> <p>Due for completion <b>April 2011</b></p> <p>Ensure that a fire safety plan is in place for Frobisher Crescent by <b>May 2010. Completed.</b></p>	<p>Full guidance has been issued to residents on balcony fire escapes by <b>October 2010</b></p> <p>A plan has been implemented to monitor compliance with Balcony fire escape guidance by <b>October 2010</b></p>	<p><b>June Bridge</b> Health and Safety &amp; Office Manager</p> <p>BEO Directorate Leasehold Services Officer and House Officers</p>	<p>Additional staffing resources may be required to implement the action and monitoring plan</p>	<p>Working with the London Fire Brigade</p>
<p><b>Rationale:</b> A sound health and safety framework has been proven to save money, through a reduction in accident rates and costly insurance claims, and protects the reputation of the section and the CoL as a whole by avoiding adverse publicity. It also safeguards both residents living on the estate and contractors undertaking work on our behalf.</p>				
<p><b>Supports Community Strategy Themes: Supporting Our Communities</b></p>				
<p><b>Supporting our strategic aims: To enhance and promote a better quality of life for residents.</b></p>				
<p>A fire safety plan is in place for Frobisher Crescent Residential properties. Following legal advice guidance letters to residents will be sent October/November.</p>				

Service Improvement Objective 8: Barbican Fringe Redevelopments including Crossrail				
Actions	Measure of Success	Lead and Support Officer	Resources	Links
<p>To work in partnership with developers, officers form the City Surveyors Department and residents to ensure that projects on the fringe of the Barbican Estate address issues of concern regarding estate management and to residents such as site access, working hours and removal of soil. Some of these projects have commenced and are ongoing and appropriate targets will be set as progress is made. Other projects are due to start during the period of this plan. The current projects include::</p> <p><b>The Heron</b> - meetings take place monthly</p> <p><b>St Alphage House</b> - meetings to take place quarterly</p> <p><b>Crossrail</b> – A resident forum will meet 6 monthly</p> <p>Re-location of <b>Barbican Centre Cinemas 2 &amp; 3</b>- quarterly – a consultation plan is being finalised by the Barbican Centre</p> <p><b>Moorgate Telephone Exchange</b> - TBA</p> <p><b>Former Lazards site – Moorfields</b> - TBA</p> <p><b>Roman House – Wood Street /Fore Street</b> - TBA</p>	<p>That any planning gain monies are identified and where appropriate bids for community benefit are put forward under section 106</p> <p>Appropriate liaison and consultation programmes are in place.</p>	<p><b>BEO – Directorate.</b></p> <p><b>Mike Kettle</b> - Commercial Manager.</p>	<p>Some additional resources may be available as a result of S106 – planning gain monies.</p>	<p>City Surveyors Department</p> <p>Barbican Centre</p> <p>Heron &amp; other developers</p> <p>Crossrail</p>
<p><b>Rationale:</b> This objective is to ensure that the BEO works with Crossrail and other developers to facilitate consultation and communications with Barbican Estate residents. These consultations are important to enable residents and the Barbican Estate Directorate as landlord to raise their concerns.</p>				
<p><b>Supports Community Strategy Themes: Supporting Our Communities</b></p>				
<p><b>Supporting our strategic aims: To increase stakeholder involvement/partnership working to drive service improvement.</b></p>				
<p>The developer of St Alphage House has been holding regular meetings with members and with resident representatives. Public meetings to update all residents took place in June. A Crossrail City of London Residents forum will take place on 7 September. A response to Crossrail's questionnaire on ground settlement is being prepared by officers. The Barbican Centre is holding a public meeting on 15 September regarding the cinema relocation project.</p>				

Service Improvement Objective 9: Sustainability				
Actions	Measure of Success	Lead and Support Officer	Resources	Links
<p>Work in partnership with organisations that may be able to reduce the carbon footprint of the Barbican Estate and to access available funding streams for carbon reduction projects. A proposal will be presented to the RCC and BRC by <b>June 2010</b>.</p> <p>Consider proposals to use Staff flats to trial energy monitoring/efficiency devices to measure before and after effectiveness. Consider recommending products to the residents depending on the outcome of the trial by <b>September 2010</b>.</p> <p>Liaison on possible projects will be initially with the Barbican Association Environment and Ecology sub committee.</p> <p>Sustainability issues will be highlighted in 6 monthly editions of Barbicanews.</p> <p>Sustainability will also be a key issue underpinning the Asset Maintenance Plan (see also objective 1).</p>	<p>A sustainability policy has been drawn up for the Barbican Estate and action and additional resources identified.</p>	<p><b>Sharon McLaughlin</b> Support Services Manager</p>	<p>Their may be a requirement for additional resources.</p>	<p>The City of London Sustainability Policy</p>
<p><b>Rationale:</b> This objective is important to ensure that the Barbican Estate is working towards reducing it's carbn footprint, becoming more energy efficient and working toward a sustainable future.</p>
