Corporate & Democratic Services Officer
Corporation of London

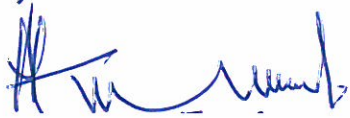

Dear Miss Goulding

City of London Freemen's School

Co-opted Board Member 2009-11

Further to our recent telephone conversation I am pleased to confirm my willingness to be considered for a further term of office as co-opted Governor, if it is the wish of the Board that I continue in office for a further period.

Yours very truly

President ——— 2005/6

(16)

I would like to continue in
office for a further period, as
I feel that I have much to
contribute to the future
well-being of COLFS, not least
in the local Ashstead community
in which I play an active and
prominent rôle as a Rotarian
and member of local associations.

As a 'local', I am able to
attend sporting, musical and
dramatic activities together
with my supportive wife Sheila.
