10. Questions

*Streeter, P.T. to
the Chairman
of the Policy
and Resources
Committee*

Concert Hall

Patrick Streeter asked a question of the Chairman of the Policy and Resources Committee regarding the possibility of a new Concert Hall in London. In response, the Chairman expressed the view that the establishment of a new Hall within the square mile would be a positive development for the City and highlighted the Chancellor of the Exchequer's recent announcement of a feasibility study exploring this issue. This feasibility study would be undertaken on the Government's behalf by the Barbican Centre and would seek to identify potential sites within the City, the national implications of delivering such a project and identifying sustainable

business models.

In response to a supplementary question from Mr Streeter, the Chairman undertook to keep Members informed of the progress of the feasibility study being undertaken.

Publication of registers of beneficial ownership in the UK's Overseas Territories and Crown Dependencies

*Campbell-Taylor, W.G.,
Revd. to the
Chairman of
the Policy and
Resources
Committee*

The Revd. William Campbell-Taylor asked a question of the Chairman of the Policy and Resources Committee concerning the publication of the registers of beneficial ownership in the UK's Overseas Territories and Crown Dependencies. The Chairman noted that these registers were not generally published domestically or internationally at present, but that he would be supportive of a coordinated international approach to this issue.

In response to a supplementary question from the Revd. Campbell-Taylor, the Chairman confirmed that this was the first time he had spoken on this issue on behalf of the Court, with this issue having only relatively recently been raised on the national or international stage. He also quoted the Prime Minister's comment that it would be unreasonable to call crown dependencies or overseas territories as tax havens.

*Wheatley,
M.R.P.H.D.W.
to the
Chairman of
the Policy and
Resources
Committee*

A further supplementary question was asked by Mark Wheatley concerning opposition to political parties' policies in the lead up to a general election. In response, the Chairman clarified the distinction between Members' freedom to oppose or support political stances in their individual private capacities and the expectations upon them in terms of the Corporation's official politically neutral position. The Corporation's position in respect of the European Union was also confirmed.

(A) City Fund 2015/16 Budget Reports and Medium Term Financial Strategy including Non Domestic Rates and Council Taxes for the Year 2015/16

We have considered as to the Non-Domestic Rates and Council Taxes to be levied to meet the City Fund budget requirement during the year ensuing including the proposal to levy:

- an unchanged premium multiplier of 0.004 on the Non-Domestic Rate and Small Business Rate multipliers to enable the City to continue to support the City of London Police, security and contingency planning activity within the

Square Mile at an enhanced level; and

- an unchanged Council tax of £857.31 for a Band D property (excluding the GLA precept).

We submit a printed and circulated report thereon: City Fund – 2015/16 Budget Report and Medium Term Financial Strategy.

We **recommend** that the report be agreed to and that the Court do pass a Resolution in the terms set out in the report.

Read.

Resolved – That that the report be agreed to and that the Court do pass a Resolution in the following terms:-

Overall Financial Framework - Revenue

1. Approval be given to the overall financial framework and the revised Medium Term Financial Strategy for the City Fund noting, in particular, that the forecasts include the Service Based Review savings/increased incomes agreed by the Policy and Resources Committee; and that the achievement of these savings/increased incomes are anticipated to offset the impact of assumed reductions in Government Grants, to leave the fund with small surpluses (effectively break-even) across the period.
2. Approval be given to the City Fund Revenue Budgets.
3. Other major assumptions are:
 - an allowance of 2% has been included in 2015/16 for pay and prices which then reduces year on year until 2018/19 when a freeze is assumed, reflecting public sector finance constraints;
 - a neutral position with regard to the Government's system of Business Rates Retention – i.e. no speculation as to growth or reduction; any changes will therefore be an addition or reduction to balances;
 - anticipated earnings from cash balances have been reduced to 0.5% for 2015/16 and 2016/17 after which a marginal increase to 0.75% is assumed; and
 - the annual provisions included for additional revenue works projects reflect detailed programmes for 2014/15 and 2015/16. For the years 2016/17 to 2018/19 an assumption has been included of £2.5m a year. This is a reduction of 19% on the provisions included for 2015/16

City Police

4. It be noted that continuing significant cuts in Government Grants for both core policing and dedicated capital city security responsibilities would, if left unchecked, result in deficits across the financial forecast period with the Police Reserve being exhausted early in 2017/18. This position is not sustainable and options for balancing the budget with a minimum balance on the general reserve of £4m across the period are to be presented to the Police Committee before the summer recess in July.

Council Tax

5. From April 2013, council tax reduction replaced council tax benefit and in accordance with Section 10 of the Local Government Finance Act 2012 which amended Section 13A of the Local Government Finance Act 1992, local authorities have to make their own local schemes if not applying the Government default scheme. The City adopted the default scheme for 2013/14 and amended the scheme for 2014/15 by applying the annual uprating of applicable amounts. There is no intention to amend the scheme for 2015/16 other than to apply the annual uprating of applicable amounts.
6. The Common Council of the City of London hereby agrees, therefore, that the annual uprating of applicable amounts, premiums, disregarded income, or capital in relation to the Local Council Tax Reduction Scheme 2015-2016 as it applies to working age claimants, be in accordance with the uprating to be applied under the Housing Benefit Regulations which take effect from 1 April each year and the Council Tax Reduction Schemes (Prescribed Requirements) (England) (Amendment) (No. 2) Regulations 2014; and the annual uprating of non-dependent income and deductions, and income levels relating to Alternative Council Tax Reduction, or any other uprating as it applies to working age claimants, shall be adjusted in line with inflation levels by reference to relevant annual uprating in the Housing Benefit Scheme or The Prescribed Council Tax Reduction Scheme for Pensioners.
7. It be noted that in 2012 the Finance Committee delegated the calculation of the Council Tax Base to the Chamberlain and the Chamberlain has calculated the following amounts for the year 2015/16 in accordance with Section 31B of the Local Government Finance Act 1992:

- (a) 6239.59 being the amount calculated by the Chamberlain (as delegated by the Finance Committee), in accordance with the Local Authorities (Calculation of Council Tax Base) (England) Regulations 2012, as the City's Council Tax Base for the year; this amount includes a calculation of the amount of council tax reduction; and

- (b) Parts of Common Council's Area

Inner Temple	Middle Temple	City excl. Temples (special expense area)

being the amounts calculated by the Chamberlain, in accordance with the Regulations, as the amounts of the City's Council Tax Base for the year for dwellings in those parts of its area to which the special items relate.

8. For the year 2015/16 the Common Council determines, in accordance with Section 35(2) (d) of the Local Government Finance Act 1992, that any

expenses incurred by the Common Council in performing in a part of its area a function performed elsewhere in its area by the Sub-Treasurer of the Inner Temple and the Under Treasurer of the Middle Temple shall not be treated as special expenses, apart from the amount of £13,238,000 being the expenses incurred by the Common Council in performing in the area of the Common Council of the City of London the City open spaces, highways, waste disposal, transportation planning and road safety, street lighting, drains and sewer functions.

(B) Revenue and Capital Budgets 2014/15 and 2015/16

We submit a printed and circulated report which summarises the revenue and capital budgets for each of the City's three main funds, City Fund, City's Cash and Bridge House Estates together with the budgets for central support services within Guildhall Administration (which initially 'holds' such costs before these are wholly apportioned). The report accompanies the Summary Budget Book which includes all the City's budgets at a summary level in a single document. The Summary Budget Book is available in the Members' Reading Room, and on the City Corporation's website. Further copies can be provided on request.

We therefore **recommend** approval of the revenue and capital budgets for City's Cash, Bridge House Estates and Guildhall Administration for the financial year 2015/16 (the budgets for City Fund having already been considered under part A above).

(A) Public Sector Pensions Reform - Establishing a Local Pensions Board (Local Government Pension Scheme)

In March 2011, the Independent Public Service Pensions Commission published its final report of the review of public service pensions. The report made clear that change is needed to "make public service pension schemes simpler and more transparent, fairer to those on low and moderate earnings".

In order to meet the requirements of the Public Services Pensions Act 2013, the Local Government Pension Scheme (LGPS) was reformed, effective from 1st April 2014. The Act also made legislation as to the overall governance of pension schemes, in particular that a local Pensions Board be established by 1st April 2015; the Board need not be operational at this point. The Pensions Board must include employer and scheme member representatives in equal numbers.

We submit a printed and circulated report thereon **recommending** that the Court agree the to the creation of a Pensions Board to ensure that the City of London Corporation complies with the requirements of the Public Services Pensions Act 2013.

- (B) Report of Urgent Action Taken: London Councils Grants Scheme 2015/16 Levy**
 The budget for the London Councils Grants Scheme (LCGS) and the City of London Corporation's contribution to the Scheme is considered on an annual basis by your Policy and Resources Committee. The City of London Corporation is also responsible for issuing the annual levies for contributions to all the constituent councils of the LCGS. This element of the Grants Scheme can only be considered and approved by the Court of Common Council if at least two-thirds of the constituent councils (i.e. 22 out of 33 of the London local authorities) have approved the total expenditure to be incurred under the Scheme.

Having received confirmation from London Councils that the budget and contributions had been agreed by over two thirds of the Constituent Councils, the approval of the Court was sought under the urgency procedures to allow the levies to be issued before the statutory deadline of 15 February 2015.

We therefore submit a printed and circulated report advising that on 2 February 2015 approval was given, in accordance with Standing Order No. 19, to issue the levies.

Amendment to the Guildhall School of Music and Drama's Governance Arrangements

The Guildhall School of Music & Drama was awarded Taught Degree Awarding Powers in April 2014. One of the conditions for exercising and retaining such powers is that an Academic Board be established.

The purpose of this report is to propose the creation of an Academic Board which will replace the current Teaching and Learning Board. Subject to the approval of the Court of Common Council, this proposal will be submitted to the Privy Council for formal approval. It was advised that, should Members agree to the recommendations set out in the report, the Instruments and Articles of Government for the School will need to be adjusted to reflect the changes approved. Pay Policy Statement 2015/16

The Localism Act 2011 requires the City of London Corporation to prepare and publish a Pay Policy Statement each year setting out its approach to pay for the most senior and junior members of staff. This must be agreed by the full Court of Common Council.

The Court approved the Corporation's first Pay Policy Statement in January 2012 and the current version was approved this time last year. This was published by 31st March 2014. A draft Pay Policy Statement for 2015/16, which has been separately circulated, has been approved by both the Establishment and the Policy and Resources Committees and, with your agreement, will be published by 31st March 2015.

We submit a printed and circulated report thereon **recommending** that the Court agree the separately circulated draft Pay Policy Statement for 2015/16 to ensure that the City Corporation meets its requirements under the Localism Act 2011.
