This meeting will be a virtual meeting and therefore will not take place in a physical location. Any views reached by the Committee today will have to be considered by the Comptroller and City Solicitor after the meeting in accordance with the Court of Common Council's COVID Approval Procedure who will make a formal decision having considered all relevant matters. This process reflects the current position in respect of the holding of formal Local Authority meetings and the Court of Common Council's decision of 15th April 2021 to continue with virtual meetings and take formal decisions through a delegation to the Town Clerk and other officers nominated by him after the informal meeting has taken place and the will of the Committee is known in open session. Details of all decisions taken under the COVID Approval Procedure will be available online via the City Corporation's webpages.

A recording of the public meeting will be available via the above link following the end of the public meeting for up to one municipal year. Please note: Online meeting recordings do not constitute the formal minutes of the meeting; minutes are written and are available on the City of London Corporation's website. Recordings may be edited, at the discretion of the proper officer, to remove any inappropriate material.
