The Chairman welcomed Arnold Flanagan (Bursar) and Mark Wardrop (Senior Deputy Head) to the Board, as well as the three new Governors: Deputy Robert Merrett, Timi Dorgu, and David Woodgate.

The Board expressed their gratitude to former Board Member and former pupil Lord Levene of Portsoken for his 35-year service as a Governor of the School. A tribute was read out by Mr Seaton citing Lord Levene's progression to Lord Mayor, his promotion of the School, and the consequent strengthening of the invaluable links between the School, the Corporation and the Livery companies. Lord Levene's "constant source of sound advice", "corporate memory", "natural air of authority", and "expeditious and determined manner" were cited as

invaluable commodities to the School's success and its recognition as in the "premier division of schools in London" alongside its sister school the City of London School for Girls. The tribute also recalled his financial support to the Levene Learning Centre that opened in 2017, as well as his acceptance of the position of Citizen Emeritus as a tribute to his contributions.

Governors noted that since the publication of the Head's report, pupils have voted to support the charity POPYRUS.

**RESOLVED**, that the report be received.

7. **DRAFT CLS CHARITY ACCOUNTS 2020-21**

Governors received a report from The Chamberlain 'Draft Annual Report and Financial Statements 2020/21 of the School's charity CLS Bursary and Awards Fund'.

It was suggested that there might be merit in exploring whether there was scope for diversifying the risk within the investment policy, and in exploring whether the Charities Pool was the best place for the funds to be held.

Governors noted that the statement of financial activities (page 40 of the agenda pack) showed an improved rate of return in 2020/21 compared to the previous financial period and that the Charities Pool had outperformed the FTSE All-Share Index over a five-year period, and that there was merit in pooling the funds. Governors also noted that a substantial fee reduction had been obtained from the fund manager (Artemis) and that the issue of widening of the mandate away from the FTSE was being kept under review.

**RESOLVED**, that the report be received.

8. **QUESTIONS ON MATTERS RELATING TO THE WORK OF THE BOARD**

There were no questions.

9. **ANY OTHER BUSINESS THAT THE CHAIRMAN CONSIDERS URGENT**

The Head apologised for the short notice in respect of the cancellation of the prize day due to an ISI inspection. Governors were advised that the re-
