LICENSING (HEARING) SUB COMMITTEE PROCEDURE FOR PUBLIC HEARINGS

1. This procedure shall apply to all public hearings conducted under the provisions of the Licensing Act 2003.
2. Public hearings conducted under the provisions of the Licensing Act 2003 shall take the form of a discussion led by the licensing authority. Cross-examination will be permitted when the Sub Committee considers it to be required. The conduct of hearings shall be broadly based, subject to the discretion of the Sub Committee, on the points set out below.
3. At the start of the hearing the Chairman of the Sub Committee will introduce him/herself and other Members of the Sub Committee as well as the City Corporation officers present. Anyone making representations will then be asked to introduce themselves and anyone accompanying them. The applicant will then do likewise.¹
4. The Chairman will then explain the purpose of the hearing and the procedure to be followed at the hearing. The Sub Committee will then make any rulings necessary in respect of requests for witnesses to be heard in support of any of the parties making representations or the applicant.
5. Those making representations will then be invited to present their case. Repetition will not be permitted. Equal time will be offered to the applicant and those making representations. Where there is more than one party making representations and/or calling witnesses in support, consideration should be given to having one spokesman on behalf of all parties so as to avoid repetition. Although the use of a spokesman will be encouraged by the Sub Committee, the decision rests with those parties making representations.
6. In the event of disorder or persistent disregard of the authority of the Chair, the Chairman may suspend or adjourn the hearing, or require that the person(s) causing disorder or showing disregard leave the hearing.
7. In the event that the Sub Committee has decided that cross-examination will be permitted, the applicant will be invited to ask questions of the party(s) making representations and their witnesses (if any). The party(s) making representations and any witnesses giving evidence in support will then answer any questions put to them by members of the Sub Committee.
8. The applicant will then be invited to present their case and call any witnesses in support of their application. The applicant will be entitled to the same period of time to present his case as those making representations were afforded.

¹ In hearings where a licence is being reviewed, references in this procedure to ‘applicant’ should be read as references to the licence holder and references to ‘those making representations’ should be read as references to those applying for the review.

9. In the event that the Sub Committee has decided that cross-examination will be permitted, those making representations will be invited to ask questions of the applicant and their witnesses (if any). The applicant and any witnesses giving evidence in support will then answer any questions put to them by members of the Sub Committee.
10. The Chairman will ask all parties if there is anything else they would like to add in support of their respective cases.
11. Those making representations will then be invited to make closing submissions followed by the applicant.
12. The Sub Committee will then retire to consider their decision. They may call for assistance by the representatives of the Town Clerk and/or the Comptroller & City Solicitor but those persons will play no part in the decision-making process.
13. In due course, the Sub Committee will return to announce their decision or to inform those present when the decision will be given.

- 1.2 The decision of the Sub-Committee must be made with a view to promoting one or more of the four licensing objectives, namely:
- the prevention of crime and disorder
 - public safety
 - the prevention of public nuisance
 - the protection of children from harm

2 Summary of Application

2.1 An application under s.51 of the Licensing Act 2003 for the review of a premises licence has been made by the **City of London Licensing Authority**, acting in its capacity as a responsible authority, and was received by the Licensing Authority on 1 July 2021 in respect of the premises:

Blank Gallery
27b Throgmorton Street
EC2N 2AN

on the grounds of the prevention of crime and disorder. A copy of the application for review is attached as Appendix 1(a) and includes a diary of events (Appendix 1b) and an email confirming the addition of a new designated premises supervisor in August 2020 (Appendix 1c).

Further statements and associated exhibits supporting the review application are attached as Appendices 2(i)-(vi) relating to Andre Hewitt, Pritam Raghoonath and Nad Valaydon respectively.

3 Licensing History of Premises

- 3.1 The premises was granted a licence on 22 January 2019 and opened as a restaurant and bar. The Licence holder was Blank Gallery Limited trading as Blank Gallery. The premises is licensed for the following licensable activities:

Opening hours for the premises are: 07:00 - 02:30 Mon to Sun. Supply of alcohol is for both on and off sales.

The premises licence was suspended for non-payment of the licensing fee on 13 February 2020. An application for a change of designated premises supervisor (DPS) was processed on 4 August 2020. A request was received from the DPS to be removed from the premises licence on 22 March 2021.

A copy of the current premises licence can be seen as Appendix 2(ii) - APH5.

4 Representations from Responsible Authorities

- 4.2 The representation from the Police is attached as Appendix 3(i) (a statement from Daniel White), Appendix 3(ii) (a statement from

Benjamin Ellen), and Appendix 3(iii) showing exhibits BE1 to BE15 relating to the statement of Benjamin Ellen.

5 Representations From Other Persons

5.1 There were no representations from other persons.

6 Policy Considerations

6.1 In carrying out its licensing functions, the Licensing Authority must have regard to its Statement of Licensing policy and statutory guidance issued under s 182 of the Licensing Act 2003.

City of London Corporation's Statement of Licensing Policy

6.2 The following sections/paragraphs of the City of London Corporation's Statement of Licensing Policy are particularly applicable to this application (2017 Policy).

Paragraphs 53 – 64 set out the Corporation's policy on the 'Prevention of Crime and Disorder' licensing objective which has been engaged in this review application.

Paragraphs 115 - 121 state the Corporation's policy on setting conditions which may be applicable dependant on the step(s) taken by members as outlined in paragraph eight.

Statutory Guidance

6.3 The following sections/paragraphs of the statutory guidance issued under s182 of the Licensing Act 2003 are particularly applicable to this application (revised April 2018):

Chapter 11 provides specific guidance on reviews. Paragraphs 11.16 to 11.23 set out the powers available to the licensing authority where it considers that action is necessary to promote the licensing objectives. Paragraph 11.20 stating that any remedial action, '...should always be no more than an appropriate and proportionate response to address the causes of concern that instigated the review'.

Paragraphs 11.24 to 11.28 sets out matters to consider when a review arises in connection with crime.

Chapter 10 refers to conditions attached to premises licences with paragraph 10.10 stating that, ‘Conditions should be determined on a case-by-case basis and standard conditions which ignore these individual aspects should be avoided.’ Also, ‘Licensing authorities should therefore ensure that any conditions they impose are only those which are appropriate for the promotion of the licensing objectives.’

7 Summary

7.1 The Licensing Authority has a duty under the Licensing Act 2003 to promote the Licensing Objectives. Each objective has equal importance. In carrying out its licensing functions, the Licensing Authority must also have regard to its Statement of Licensing Policy, any Statutory Guidance under the Licensing Act 2003 and is bound by the Human Rights Act 1998. The Corporation must also fulfil its obligations under section 17 of the Crime and Disorder Act 1998 to do all that it reasonably can to prevent crime and disorder in the City.

8 Options

8.1 The sub-committee must, having regard to the application and any relevant representations, take such of the following steps (if any) as it considers necessary for the promotion of the licensing objectives:

- i) modify the conditions of the licence (this includes altering or removing any existing condition or adding any new condition);
- ii) exclude a qualifying activity from the scope of the licence;
- iii) remove the designated premises supervisor;
- iv) suspend the licence for a period not exceeding three months;
- v) revoke the licence

In the event that the Sub-Committee decides to take either of the steps set out in i) and/or ii) above, it may provide that the modification or exclusion is to be permanent or temporary. If temporary, it shall have an effect for only such period that it may specify (not to exceed 3 months).

Any decision of the Sub-Committee will not have effect until the end of 21 days following notification of the decision to the appellant by the licensing authority. In the event of an appeal against the Sub-

Committee's decision, the decision will be suspended pending the determination of the appeal.

9 Recommendation

10.1 It is therefore RECOMMENDED that your Sub-Committee determine this application for a review of a premises licence in accordance with paragraph 8 of this report.

City of London Licensing Authority considers that Blank Gallery Ltd - the holder of the Premises Licence for 27b Throgmorton Street - is not a fit and proper company to hold that licence. For a period of nearly two years there have been a number of breaches of the Licensing Act 2003, Highways Act 1980 and further evidence of criminality. Some of the above has still not been corrected. The licence was suspended between 13th February 2020 and 18th June 2021 for non-payment of annual continuation fees. This was only corrected after recent advisory visits to the premises and contact with the licence holder's solicitor. A payment plan to pay by instalments was agreed with Chamberlains on this latter date above.

During this time the licence holder has repeatedly failed to engage with the licensing authority and furthermore has not followed direct advice from both the Corporation and the City of London Police. They have demonstrated a worrying lack of knowledge of the legislation and their conduct falls far below the standard expected of proprietors in this jurisdiction.

This has led to Crime and Disorder on the premises. Not only crimes relating to Licensing Offences but also a criminal investigation by the Police on a separate matter. Such disregard for the relevant laws leads this authority to believe that there is a serious risk that other public safety matters will be neglected. Some examples of this are described in the section below.

City of London does not believe that any defence of due diligence has been met under s139 Licensing Act 2003. There is no evidence to show that all reasonable precautions were taken to avoid committing the offences. Consideration has also been given to the City of London Enforcement Policy in determining what course of enforcement action is appropriate.

Further to this, City of London acknowledges that it should be doing all it can to work with and support businesses during the uncertain times created by the Covid-19 outbreak. However, it is noted that one of the offences (s33 LA2003, see below) and the failure to respond to this department pre-date the pandemic. Subsequent offences are too numerous and serious to be ignored. This section must still take account of its statutory responsibilities and a review of the licence is deemed to be proportionate and consistent with the enforcement policy.

It is the opinion of the Licensing Authority that the licence holder is not capable of carrying out their legislative duties. No additional restrictions on the licence will change this. The Licensing Sub-Committee should therefore consider the revocation of the licence.

Please provide as much information as possible to support the application (please read guidance note 3)

On 22 January 2019 Premises Licence LN/200507563 was granted to Blank Gallery Ltd. Mr Saeed Azimi, a director of the company, was appointed as Designated Premises Supervisor (DPS).

On 27 July 2019 Mr Saeed Azimi was removed as a director of Blank Gallery Ltd. Companies House states that his appointment was terminated on this date. Mr Azimi was not replaced as DPS until a variation was submitted on 4 August 2020.

On two separate occasions (November 2019 & September 2020) the registered office of Blank Gallery Ltd has been changed and the Licensing Authority has not been notified on either occasion. These are offences under s33 Licensing Act 2003.

On 13 February 2020 the licence was suspended for the non-payment of the annual continuation fee. The original invoice was posted to an out of date registered address. However, notwithstanding the duty under s33 Licensing Act described above, this does not provide due diligence for the licence holder to avoid payment.

s55 Licensing Act 2003 provides that it is the responsibility of the licence holder to ensure the fee is paid. There is no obligation on the licensing authority to send a bill, albeit the City of London does this, as a courtesy, to assist all applicants. Furthermore, a reminder letter was posted directly to the bar and a suspension notice served through the front door. At this time the premises were closed and on 20 March the government imposed a nationwide closure on licensed trade.

On 4 August 2020 – following the DPS Variation – the licence holders' solicitors were also advised that the licence remains suspended. This information will have certainly been passed on by the law firm, but no payment of the fee was forthcoming. This email is attached to the application as a supporting document.

The premises re-opened for licensable activity in the Autumn of 2020 following the easing of covid lockdown restrictions on the hospitality sector. The City of London Police conducted a criminal investigation at the bar on a separate matter and upon advice the premises closed. The evidence presented in this application demonstrates licensable activity took place on 10 October 2020. With the licence suspended this is an offence under s136 Licensing Act 2003.

As a result of the Police investigation the DPS at the time, Mr Theodoros Bintas, resigned. No further action has been taken against Mr Bintas following consultation between the Corporation and Police. He does not form part of this review application as he is considered a witness to the licensing issues and the separate criminal matter. This will be described in additional representations from City of London Police.

A second annual continuation fee became due in January 2021. No contact from the licence holder was made to the City of London at this time and the debt accumulated to a total of £3108.

The premises are then believed to have re-opened on May 18th 2021. The licence remained suspended and no DPS was in place. Licensable activity was witnessed by the Corporation on 9th, 11th & 14th June 2021. Further offences have thus been committed under s136 Licensing Act 2003.

Furniture was placed outside the bar without the benefit of a pavement licence. This gives rise to matters of Public Safety as a consultation was not carried out as to their suitability on this road. Public nuisance issues may arise when no regulatory times and conditions are imposed on the use of external tables and chairs. It is also an offence under s137 Highways Act 1980. An application for a pavement licence was submitted on 24 June 2021 but received a number of objections from statutory authorities and was subsequently rejected.

Witness statements from City of London Officers and the relevant supporting documents are presented in support of this application. A full timeline of events showing the chronology of offences is also attached.

 - (ii) drink as much alcohol as possible (whether within a time limit or otherwise);
 - b) provision of unlimited or unspecified quantities of alcohol free or for a fixed or discounted fee to the public or to a group defined by a particular characteristic in a manner which carries a significant risk of undermining a licensing objective;
 - c) provision of free or discounted alcohol or any other thing as a prize to encourage or reward the purchase and consumption of alcohol over a period of 24 hours or less in a manner which carries a significant risk of undermining a licensing objective;
 - d) selling or supplying alcohol in association with promotional posters or flyers on, or in the vicinity of, the premises which can reasonably be considered to condone, encourage or glamorise anti-social behaviour or to refer to the effects of drunkenness in any favourable manner.
 - e) dispensing alcohol directly by one person into the mouth of another (other than where that other person is unable to drink without assistance by reason of disability).
4. The responsible person must ensure that free potable water is provided on request to customers where it is reasonably available.
5. (1) The premises licence holder or club premises certificate holder must ensure that an age verification policy is adopted in respect of the premises in relation to the sale or supply of alcohol.

(2) The designated premises supervisor in relation to the premises licences must ensure that the supply of alcohol at the premises is carried on in accordance with the age verification policy.

(3) The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and either:-
 - (a) a holographic mark or
 - (b) an ultraviolet feature.

6. The responsible person shall ensure that –
- (a) where any of the following alcoholic drinks is sold or supplied for consumption on the premises (other than alcoholic drinks sold or supplied having been made up in advance ready for sale or supply in a securely closed container) it is available to customers in the following measures –

 - (b) these measures are displayed in a menu, price list or other printed material which is available to customers on the premises; and
 - (c) where a customer does not in relation to a sale of alcohol specify the quantity of alcohol to be sold, the customer is made aware that these measures are available.

Minimum Drinks Pricing

1. A relevant person shall ensure that no alcohol is sold or supplied for consumption on or off the premises for a price which is less than the permitted price.
2. For the purposes of the condition set out in paragraph 1 –
 - (a) “duty” is to be construed in accordance with the Alcoholic Liquor Duties Act 1979
 - (a) “permitted price” is the price found by applying the formula –

$$P = D + (D \times V)$$
 Where –
 - i. P is the permitted price
 - ii. D is the amount of duty chargeable in relation to the alcohol as if the duty were charged on the date of the sale or supply of the alcohol, and
 - iii. V is the rate of value added tax chargeable in relation to the alcohol as if the value added tax were charged on the date of the sale or supply of the alcohol;
 - (b) “relevant person” means, in relation to premises in respect of which there is in force a premises licence –
 - i. The holder of the premises licence
 - ii. The designated premises supervisor (if any) in respect of such a licence, or
 - iii. The personal licence holder who makes or authorises a supply of alcohol under such a licence;
 - (c) “relevant person” means, in relation to premises in respect of which there is in force a club premises certificate, any member or officer of the club present on the premises in a capacity which enables the member or officer to prevent the supply in question; and
 - (d) “value added tax” means value added tax charged in accordance with the Value Added Tax Act 1994.
3. Where the permitted price given by Paragraph (b) of paragraph 2 would (apart from the paragraph) not be a whole number of pennies, the price given by that sub-paragraph shall be taken to be the price actually given by that sub-paragraph rounded up to the nearest penny.
- 4.

1. Sub-paragraph (2) applies where the permitted price given by Paragraph (b) of paragraph 2 on a day (“the first day”) would be different from the permitted price on the next day (“the second day”) as a result of a change to the rate of duty or value added tax.
2. The permitted price which would apply on the first day applies to sales or supplies of alcohol which take place before the expiry of the period of 14 days beginning on the second day.

If the Premises Licence allows Exhibition of Films

1. Where a premises licence authorises the exhibition of films, the licence must include a condition requiring the admission of children to the exhibition of any film to be restricted in accordance with this section.
2. Where the film classification body is specified in the licence, unless subsection (3)(b) applies, admission of children must be restricted in accordance with any recommendation by that body.
3. Where
 - a. The film classification body is not specified in the licence, or
4. The relevant licensing authority has notified the holder of the licence that this subsection applies to the film in question,
 - a. admission of children must be restricted in accordance with any recommendation made by that licensing authority.
5. In this section “children” means any person aged under 18; and
6. “film classification body” means the person or persons designated as the authority under Section 4 of the Video Recordings Act 1984(c39) (authority to determine suitability of video works for classification).

If the Premises Licence has conditions in respect of Door Supervision

except theatres, cinemas, bingo halls and casinos

1. Where a premises licence includes a condition that at specified times one or more individuals must be at the premises to carry out a security activity, each such individual must:
 - (a) be authorised to carry out that activity by a licence granted under the Private Security Industry Act 2001; or
 - (b) be entitled to carry out that activity by virtue of section 4 of the Act.
2. But nothing in subsection (1) requires such a condition to be imposed:
 - (a) in respect of premises within paragraph 8(3)(a) of Schedule 2 to the Private Security Industry Act 2001 (c12) (premises with premises licences authorising plays or films); or
 - (b) in respect of premises in relation to:
 - (i) any occasion mentioned in paragraph 8(3)(b) or (c) of that Schedule (premises being used exclusively by club with club premises certificate, under a temporary event notice authorising plays or films or under a gaming licence), or
 - (ii) any occasion within paragraph 8(3)(d) of that Schedule (occasions prescribed by regulations under that Act).
3. For the purposes of this section:

STATEMENT OF WITNESS
(Criminal Procedure Rules 2015, r.16;
CJ Act 1967, s.9; MC Act 1980, s. 5B,)

STATEMENT OF	MR ANDRÉ PETER HEWITT
<u>Age of Witness</u> (If over 18 enter "Over 18)	Over 18
<u>Occupation of Witness</u>	LICENSING OFFICER

This statement, consisting of 1 page signed by me, is true to the best of my knowledge and belief and I make it knowing that if it is tendered in evidence I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false or do not believe to be true.

I am a Licensing Officer with City of London, PO Box 270, Guildhall, London EC2P 2EJ. I have held this position since September 2004. I have an LLB (Hons) degree in law, I am a member of the Institute of Licensing and I have over 22 years continuous service in the public sector.

On 31st January 2020 I wrote to Blank Gallery Ltd (trading as Canvas Bar) following a finance report that they had not paid their annual continuation fee, due 21st January 2020, for a Premises Licence issued under the Licensing Act 2003. The letter was sent directly to their premises at 27b Throgmorton Street EC2N 2AN. The letter advised that unless they paid their fee by 12th February 2020 their licence would be suspended by the City of London. This time frame observes the two working days' notice prescribed under s55A (4) Licensing Act 2003. It also accounts for the 21-day grace period after the due date prescribed under s55A (8) Licensing Act 2003. I introduce this letter as APH1.

On 13th February 2020 I visited the premises at 27b Throgmorton Street at approximately 18.30 to serve a suspension notice as the fee was still outstanding. I found the premises were closed and I therefore served the notice through the front door letterbox. I introduce this notice as APH2.

On 27th February 2020 at approximately 16.30 I visited the premises once more to establish if it was open for trading again. I found it to be closed but observed that there was no post visible inside the front door. I deduced from this that all previous correspondence must have been collected.

On 2nd February 2021 I was given information from the City of London Police that the venue had provided licensable activity on 10th October 2020 – namely alcohol sales – whilst the licence was suspended. I introduce the receipt seized on the day as APH3. This is an offence under s136 Licensing Act 2003. I was also advised that the Premises had been subsequently closed due to a separate criminal investigation. As a result of this investigation I was aware that the current Designated Premises Supervisor (DPS) Mr Theodoros Binta resigned his position on 22nd March 2021.

On 9th June 2021 City of London received a complaint that the venue was open once more with furniture placed outside on Throgmorton Street. There is no pavement licence or tables and chairs licence attached to this bar and at the time of writing no application for such has been received. The complaint was verified by Mr P Raghoonath, an officer with the Corporation. On the same day the City of London received an application to appoint a new DPS in the name of

Paul Kelly.

Following this, on 11th June 2021, I did some further research into the company and discovered two changes of registered office and a dismissal of a director who was DPS at the time. I introduce this document from Companies House as APH4. City of London had never been informed of these changes which evidence further breaches of the Licensing Act 2003. Failure to notify the Licensing Authority of a change of registered address is an offence under s33 Licensing Act 2003. I also made further inquiries with my colleagues in the finance team who were able to confirm that no payment had been made in respect of either the 2020 or 2021 Annual Continuation Fee. This means the licence remains suspended.

On 11th June 2021 at approximately 16.00 I visited 27b Throgmorton Street with P.C White of City of London Police. Upon arrival I observed four customers consuming alcohol outside the venue whilst seated at external tables and chairs. I was aware that the licence holder had not made an application to site this furniture under either a Pavement or Tables & Chairs Licence. Thus constituting an offence under s137 Highways Act 1980. We introduced ourselves to a member of staff who was identified as Mr Ronnie Cohan and who stated he was the manager and a director of Blank Gallery. Appendix 4 does not show Mr Cohan as a director. Mr Cohan stated that the bar had been open since 18th May and that the director in charge of the operation was Mr Saeed Hosseini. I advised that I believed the licence was currently suspended and that they were not permitted to provide licensable activity. Mr Cohan then contacted his solicitor, Mr Robert Sutherland of Keystone Law, who I also spoke to and advised on the purpose of the visit.

Mr Sutherland proceeded to make contact with City of London Chamberlains and at first reported that no outstanding debts were attributable to Blank Gallery Ltd. However, this was later found to be because the old invoice had been credited. This is an internal procedure between Chamberlains and Licensing to assist reporting on aged debt. No attempt had been made to pay by the licence holder and if there had been a new invoice would be raised forthwith. I advised Mr Cohan that we would be in touch again in respect of the City of London's decision as to whether any further action was required in respect of the historical and present offences. I left the premises at 16.45 and returned to the office. After this time, I spoke to Mr Sutherland on the phone to confirm the situation about the invoice. At the time of writing this statement the annual continuation fees for 2020 and 2021 remain outstanding.

I introduce the current Premises Licence as APH5.

Dated the 15th day of June 2021

I work as a Licensing Officer for the City of London Corporation. On Wednesday 09th June 2021 around 18:15 hrs, I attended a complaint at 27 Throgmorton Street, London EC2N 2AQ about tables and chairs used on the pavement. I saw several tables and chairs were placed on the pavement outside The Throgmorton. I went inside the public house and asked to speak to the manager about whether they have a licence in place. Whilst waiting for the manager, I noticed that the tap was open and beers were being served to the patrons seated outside. I advised the manager that the chairs and tables should be removed from the pavement as soon as the patrons would finish their drinks as he could not show me the displayed table and chairs licence. Whilst there was no patrons inside the premises on the ground floor level during my visit, patrons were being served at the external tables by bar staff. Whilst I was on my way out, a male person approached me and introduced himself as David Kelly and informed me he is the new DPS and informed me that a licence was applied for through his solicitors. He was given the same advice that all chairs and tables should be removed from the highway as soon as practicable. I took two photographs which are exhibited as 'PR1' and "PR2" attached.

I have worked as a Licensing Officer for the City of London Corporation since July 2017. On Monday 14th June 2021 at roughly 15:15 hrs myself and Dan White (City of London Licensing Police Officer) visited The Throgmorton on Throgmorton Street in the City due to ongoing problems, mainly to check the furniture was not placed back on Throgmorton Street without a valid licence. As we approached, we could see 4 tables were back out, a picture was taken on my work phone and exhibit as NV1. We entered the premises which was empty however clearly open due to the doors being open, lights on and taps at the bar were on. We spoke to Jack Monroe who was the only staff member present who informed us he was the supervisor. Jack explained he was told by Ronnie (the manager) that furniture could be placed outside and alcohol could be served. Jack then said the ground floor is open from 12:00 hrs till the evening with alcohol on the menu however the lower levels are shut. I informed the premises has no Table and Chairs or Pavement licence therefore he removed the furniture and agreed not to place them back again without a licence. We then checked the lower levels which were closed to the public however there were a group filming in one of the areas. Jack explained that he has no idea who they are, Ronnie informed him that morning the filming would take place. Dan then asked to view the CCTV which Jack admitted he is unable to as he hasn't been shown how to use the CCTV. This would be in breach of Annex 2, Condition 1

of the Premises Licence and therefore an offence under s136 Licensing Act 2003. However, I had been informed that the licence was still suspended at this point anyway.

Later that afternoon I received a phone call from Saeed, who claimed to be the director of the company, when questioned which company, Saeed answered Blank Gallery. Saeed was clearly emotional, angry and very dismissive of the discrepancies which the premises has shown. He explained he shouldn't require a Table and Chairs or Pavement licence due to the minimal furniture the premises is placing outside, also he believes he doesn't have to abide by conditions set out on a premises licence. Saeed then said management know how to use the CCTV and given current technology with one phone call he can give staff access to the CCTV. He also claimed to have proof that payments are up to date concerning annual fees and he will email over once he is back from holiday, on the 17th June 2021. No such proof was provided and on 18th June 2021 Blank Gallery Ltd set up a payment plan with Chamberlains to pay the 2020 & 2021 annual fees by instalment.

The following statement is made in relation to Police representations with regards to the premises licence review of THROGMORTONS, 26B THROGMORTON STREET, LONDON EC2N 2AN.

I am the Licensing Officer for the City of London Police and part of my duties include the monitoring of crime and disorder associated with licensed premises.

On the 13th January 2021, the City of London Police were informed of a strong smell of cannabis emitting from the premises known as THROGMORTONS. On police attendance, officers could smell a very strong cannabis aroma coming from within the venue and saw that all the windows were boarded and covered to obscure visibility of what was going on inside. As a result of enquires carried out the police entered the premises executing a warrant on the morning of the 14th January 2021. Police entered the building which comprises of the ground floor as the bar level with a main staircase leading down to the basement levels. Within the 2nd basement level officers found what can only be simply described as a cannabis factory. The factory consisted of heating, lighting and watering facilities consistent with the productions of cannabis. The factory also consisted of 1142 cannabis plants which have a street value of £1,038,500. This was a considerable operation giving its size and amount of plants already produced. The police licensing team were immediately notified of the find due to the fact it was

uncovered in a licensed premise. However, the investigating officers asked for the licensing team to refrain from engagement with the premises licence holder at that stage as not to hamper any investigations efforts. The premises licence holder is Blank Gallery Limited of which the only listed director is a Mr Saeed HOSSEINI. Mr HOSSEINI, was arrested in connection with the cannabis factory and enquires are ongoing.

At around 16:00 hours on Friday 11th June 2021, I attended THROGMORTONS in the company of Andre Hewitt of the City of London’s licensing team. HEWITT had informed me the premises licence was still suspended and the venue was still operating licensable activity. The purpose of my visit was to assist HEWITT to establish what was occurring at the venue. On arriving at the venue both HEWITT and I introduced ourselves to a male who identified himself as Ronnie COHAN. I could see that there were tables and chairs outside the venue despite the business not having a licence for them. The bar was fully stocked with alcoholic drinks on display for sale. COHAN stated that he was the manager and a director of the business. The main conversation took place with HEWITT and COHAN in which COHAN was informed the licence was still suspended due to the non-payment of annual fees and that any licensable activity was unlawful. Also present in the venue at the time of our visit were 3 males sat at table adjacent to the bar, these males were consumer pints of lager. I also had a conversation with COHAN regarding the matter and found him most uncooperative. He was belligerent, rude and argumentative throughout my entire conversation. I was aware that HEWITT was also speaking to MR COHAN’s solicitor on the phone and after this we left the venue informing COHAN that as things stood his licence was suspended and he was not to undertake any licensable activity there.

On Monday 14th June at around 15:15 hours I attended THROGMORTONS again but this time in the company of Nad VALAYDON from the City of London’s licensing team. On arrival I could see 4 tables outside the venue again despite not having as licence for them. Again, the bar

was fully stocked with alcoholic beverages on display for sale. We then spoke to male who would only identify himself as Jack who stated he was the manager. There were no customers present and he stated there was no one else present in the venue. Throughout my conversations with Jack, I found him to evasive and without any respect for myself or my colleague. I walked down to the basement levels in order to check if any licensable activity was taking place and on the first basement level, I saw scantily dressed females being photographed by a group of oriental males. I spoke to one of the males who told me that he had been given permission by Ronnie COHAN to use the venue for their event. I went back upstairs and enquired with Jack as to what was taking place. Jack told me he did not know they were there, had not spoken to them and did not know them. I went back down to speak to the male and as I did so Jack came down the stairs. The oriental male called Jack by his name and they started chatting like old chums, It was clear to me that the males definitely did know each other and Jack had lied to me about this fact. I then ventured down to the second basement which was where the cannabis factory had been housed. It still smelt strongly of cannabis even after all the time that had passed since its removal. After VALYDON had finished with Jack we left the venue.

I am aware that the licence holder is claiming no knowledge of the cannabis factory within their venue claiming their sub-letted the basement. However, given the lay out of the venue and the huge undertaking of the operation it is my opinion that there is no way the licence holder would have not been aware of the activity taking place. The smell, the noise and huge consumption of power not to mention the manpower required to resource the factory would have been obvious to anyone in the building as to what was going on.
