LICENSING (HEARING) SUB COMMITTEE PROCEDURE FOR PUBLIC HEARINGS

1. This procedure shall apply to all public hearings conducted under the provisions of the Licensing Act 2003.
2. Public hearings conducted under the provisions of the Licensing Act 2003 shall take the form of a discussion led by the licensing authority. Cross-examination will be permitted when the Sub Committee considers it to be required. The conduct of hearings shall be broadly based, subject to the discretion of the Sub Committee, on the points set out below.
3. At the start of the hearing the Chairman of the Sub Committee will introduce him/herself and other Members of the Sub Committee as well as the City Corporation officers present. Anyone making representations will then be asked to introduce themselves and anyone accompanying them. The applicant will then do likewise.¹
4. The Chairman will then explain the purpose of the hearing and the procedure to be followed at the hearing. The Sub Committee will then make any rulings necessary in respect of requests for witnesses to be heard in support of any of the parties making representations or the applicant.
5. Those making representations will then be invited to present their case. Repetition will not be permitted. Equal time will be offered to the applicant and those making representations. Where there is more than one party making representations and/or calling witnesses in support, consideration should be given to having one spokesman on behalf of all parties so as to avoid repetition. Although the use of a spokesman will be encouraged by the Sub Committee, the decision rests with those parties making representations.
6. In the event of disorder or persistent disregard of the authority of the Chair, the Chairman may suspend or adjourn the hearing, or require that the person(s) causing disorder or showing disregard leave the hearing.
7. In the event that the Sub Committee has decided that cross-examination will be permitted, the applicant will be invited to ask questions of the party(s) making representations and their witnesses (if any). The party(s) making representations and any witnesses giving evidence in support will then answer any questions put to them by members of the Sub Committee.
8. The applicant will then be invited to present their case and call any witnesses in support of their application. The applicant will be entitled to the same period of time to present his case as those making representations were afforded.

¹ In hearings where a licence is being reviewed, references in this procedure to 'applicant' should be read as references to the licence holder and references to 'those making representations' should be read as references to those applying for the review.

9. In the event that the Sub Committee has decided that cross-examination will be permitted, those making representations will be invited to ask questions of the applicant and their witnesses (if any). The applicant and any witnesses giving evidence in support will then answer any questions put to them by members of the Sub Committee.
10. The Chairman will ask all parties if there is anything else they would like to add in support of their respective cases.
11. Those making representations will then be invited to make closing submissions followed by the applicant.
12. The Sub Committee will then retire to consider their decision. They may call for assistance by the representatives of the Town Clerk and/or the Comptroller & City Solicitor but those persons will play no part in the decision-making process.
13. In due course, the Sub Committee will return to announce their decision or to inform those present when the decision will be given.

Committee(s):	Hearing Date(s):	Item no.
Licensing Sub-Committee	29 June 2022	
Subject: Licensing Act 2003 - Public Hearing in Respect of an Application for the Grant of a Premises Licence		
Name of Premises: Units 4b and 5 Address of Premises: 31-35 Blomfield Street EC2M 7BD		
Report of: Juliemma McLoughlin – Executive Director Environment		Public / Non- Public
Ward (if appropriate): Coleman Street		

1 Introduction and Purpose

- 1.1 The purpose of this Sub-Committee is to consider and determine, by public hearing, an application for the grant of a premises licence under the provisions of the Licensing Act 2003, taking into consideration the representation of one *responsible authority* as detailed in paragraph 5, together with the *policy considerations* detailed in paragraph 6 of this report.
- 1.2 The decision of the Sub-Committee must be made with a view to promoting one or more of the four licensing objectives, namely:
 - the prevention of crime and disorder
 - public safety
 - the prevention of public nuisance
 - the protection of children from harm

2 Summary of Application

2.1 An application made by:

**Amazon EU S.a.r.l.
38 Avenue John F Kennedy
L1855
Luxembourg**

was received by the City of London licensing authority on 6th May 2022 for the grant of a premises licence in respect of the premises:

**Units 4B and 5
31 – 35 Blomfield Street
EC2M 7BD**

2.2 Full details of the application can be seen as Appendix 1.

2.3 The application seeks permission for the sale of alcohol for consumption off the premises as shown in the following table:

<u>Activity</u>	<u>Current Licence</u>	<u>Proposed Licence</u>
Sale of alcohol for consumption off the premises	N/A	Mon–Sun 07:00-23:00
Opening Hours	N/A	Mon – Sun 07:00-23:00

2.4 The operating schedule submitted with the application suggests steps intended to be taken in order to promote one or more of the four licensing objectives. Conditions consistent with this schedule which could be included as conditions on the premises licence are attached as Appendix 2.

3 Licensing History of Premises

3.1 This is a new application for a premises licence with no previous licensing history. That being the case there are no complaints recorded against the premises.

4 Representations From Other Persons

- 4.1 There are no representations from ‘other persons’.

5 Representations from Responsible Authorities

- 5.1 There has been one representation from a Responsible Authority namely, the City of London police. The representation is against granting the licence on the basis that if granted, it would undermine one or more of the licensing objectives namely, the prevention of crime and disorder.
- 5.2 The representation is made on the basis of the wording of the ‘CCTV’ condition and that recorded images can not be made available immediately.
- 5.3 The representation can be seen in full as appendix 3.

6 Policy Considerations

- 6.1 In carrying out its licensing functions, the Licensing Authority must have regard to its statement of licensing policy and any statutory guidance issued under s 182 of the Licensing Act 2003.

City of London Corporation’s Statement of Licensing Policy

- 6.2 The following pages/sections/paragraphs of the City of London Corporation’s Statement of Licensing Policy are particularly applicable to this application.
- 6.3 Pages 15-17 address the licensing objective ‘The prevention of crime and disorder’.

Paragraph 92 states an overriding policy principle namely, that each application will be decided on its individual merits.

Paragraph 104 considers various factors that should be taken into account when considering whether any licensable activity should be permitted.

Paragraphs 138-144 state the City of London Corporation's policy on setting conditions which may be applicable dependant on the step(s) taken by members as stated in paragraph nine of this report.

Statutory Guidance

The following sections/paragraphs of the statutory guidance issued under S182 of the Licensing Act 2003 are particularly applicable to this application (revised April 2018):

Chapter 10 refers to conditions attached to premises licences with paragraph 10.10 stating that, '*Conditions should be determined on a case-by-case basis and standardised conditions which ignore these individual aspects should be avoided.*' To which is added; '*Licensing authorities should therefore ensure that any conditions they impose are only those which are appropriate for the promotion of the licensing objectives.*'

7 Plans

- 7.1 A plan of the premises can be seen as Appendix 4.
- 7.2 A Map showing the location of the premises can be seen as Appendix 5.

8 Summary

- 8.1 The Licensing Authority has a duty under the Licensing Act 2003 to promote the licensing objectives. Each objective has equal importance. In carrying out its licensing functions, the licensing authority must also have regard to its Statement of Licensing Policy, any statutory guidance under the Licensing Act 2003 and is bound by the Human Rights Act 1998. The City of London Corporation must also fulfil its obligations under section 17 of the Crime and Disorder Act 1998 to do all that it reasonably can to prevent crime and disorder in the City.

9 Options

- 9.1 The Sub-committee must, having regard to the representations, take such of the following steps as it considers appropriate for the promotion of the licensing objectives:

- i) grant the licence subject to any conditions consistent with the operating schedule modified to such extent as the Sub-committee considers appropriate for the promotion of the licensing objectives and include the mandatory conditions contained in Ss. 19-21 of the Licensing Act 2003;
- ii) exclude from the scope of the licence any of the licensable activities to which the application relates;
- iii) to refuse to specify a person in the licence as the premises supervisor;
- iv) reject the application.

For the purposes of paragraph 9.1(i) conditions consistent with the operating schedule are modified if any of them are altered or omitted or any new condition is added.

9.2 Where a licensing authority takes one or more of the steps stated in paragraph 9.1 above the applicant, or the holder of the licence and/or a person who made relevant representations in relation to the application, may appeal the decision to the Magistrates' Court. Any appeal must be commenced within 21 days following notification of the decision to the appellant by the licensing authority.

10 Recommendation

10.1 It is therefore RECOMMENDED that your Sub-Committee determine this application for the grant of a premises licence in accordance with paragraph 9 of this report.

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

It is proposed the conditions listed below will apply to the Licence if granted and look to address the four licensing objectives.

In order to access the store customers will have an Amazon account, will scan a code on their smart phone at the entrance. In-store technology will automatically detect when products are taken from or returned to the shelves and keep track of them in a virtual basket. When the customer finishes shopping they can leave the store. The customer receives a receipt and then the Amazon account is charged.

The premises will be staffed by employees, each involved in assisting customers on entry to and within the store, and also assisting with stock replenishment and other in store processes. Access to the alcohol display area will require satisfaction of a Challenge 25 Age Verification process and a staff member will monitor this

The applicant appreciates the importance of the licensing objectives and this is evidenced by the conditions proposed.

1. A CCTV system will be installed at the premises and maintained in good working order and be continually recording at all times that the premises are in use for licensable activities. The CCTV systems must be capable of capturing a clear facial image of every person who enters the premises and cover all area within the premises the public has access to. All recordings shall be stored for a minimum period of 30 days with date and time stamping. Recording shall be made available to the Police or Local Authority within 48 hours upon request throughout the entire 30 day period subject to data protection legislation.

2. At all times when the premises are open for the purposes of licensable activities, a suitably trained member of staff shall be present to assist the police or an authorised officer in obtaining the CCTV footage.

3. Signage shall be displayed at the premises advising customers that CCTV is in use at the premises.

4. Signage shall be displayed at the premises advising customers of the proof of age policy in force at the premises.

5. Alcohol shall only be displayed in the area hatched red on the plan.

6. The premises shall operate a Challenge 25 Policy.

7. At all times that the designated alcohol area is open and alcohol is available for sale there shall be a dedicated member of staff present to supervise the alcohol area and carry out Challenge 25 Age Verification checks on customers entering that area.

8. All alcohol made available for sale shall be in sealed containers only.

9. All staff are to be trained in their responsibilities under the Licensing Act 2003. Written records of this training shall be retained and made available to police and authorised Council officers on request.

10. A refusals book (electronic or hard copy) shall be kept at the premises to record details of all refusals to sell alcohol. This book shall contain the date and time of the incident, the name of the staff member who refused the sale and reasons the sale was refused. The book shall be made available to police and authorised Council officers on request.

b) The prevention of crime and disorder

c) Public safety

d) The prevention of public nuisance

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.

- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Yes please so it's the usual CCTV condition including showing us and you on demand and someone on site during opening hours that can work the system also the wording as a condition that requires a staff member to monitor the alcohol area and authorise each sale (which they should also be doing for any other age restricted items but that's for trading standards)

Hi Paul,

I have that other agreed condition (attached) which will be in the pack that goes to committee. I have also taken the whole back and forth as a representation to the other application (Blomfield Street) – is that correct? Last date for reps on that one not until 3rd June.

Thanks, Rob

You may be correct Robert he was going back wards and forwards so much see below. I also requested that a condition be included that a designated person be assigned to authorise sales and make age verifications. I will send you that e mail as well so you have the picture. It was very difficult because you can imagine him dealing with Amazon and getting decisions...

Hi,

I am not sure we discussed it on either of these sites and was asked to ask for that flexibility in the wording of the condition. Is that possible?

Kind regards

Certainly for us to obtain a copy or for images to be uploaded to us in terms of a crime 48 hours would be acceptable in both cases however the request to view an incident which has potentially just occurred would need to be on instantly on site. This is fairly standard procedure. I thought the CCTV condition had been agreed

Hello Paul,

I write further to your email of last Thursday and apologise that I have not been back further on that. I had to speak with my client.

I had discussed with them the amendment to show that both licences should refer to a dedicated member of staff being present to supervise the alcohol area identified on the plan, we have not discussed the question of CCTV.

The client will have CCTV in the premises and whilst they expressed in the application a preference for 30 days storage happy to increase that to 31 days. There will be staff members conversant with

the operation of the system but the client would ask if a longer period of time could be given as a condition to provide images from the CCTV.

The system they employ involves linking in with the loss prevention team who would provide copies of the CCTV. The requests made can be accommodated but it would place an additional pressure on these individuals and so my client would ask if the condition could be softened, as it is in the model conditions linked to the Council policy and as was offered in the application to have a condition requirement to make images available within 48 hours?

If it was possible to agree that then my client would be grateful.

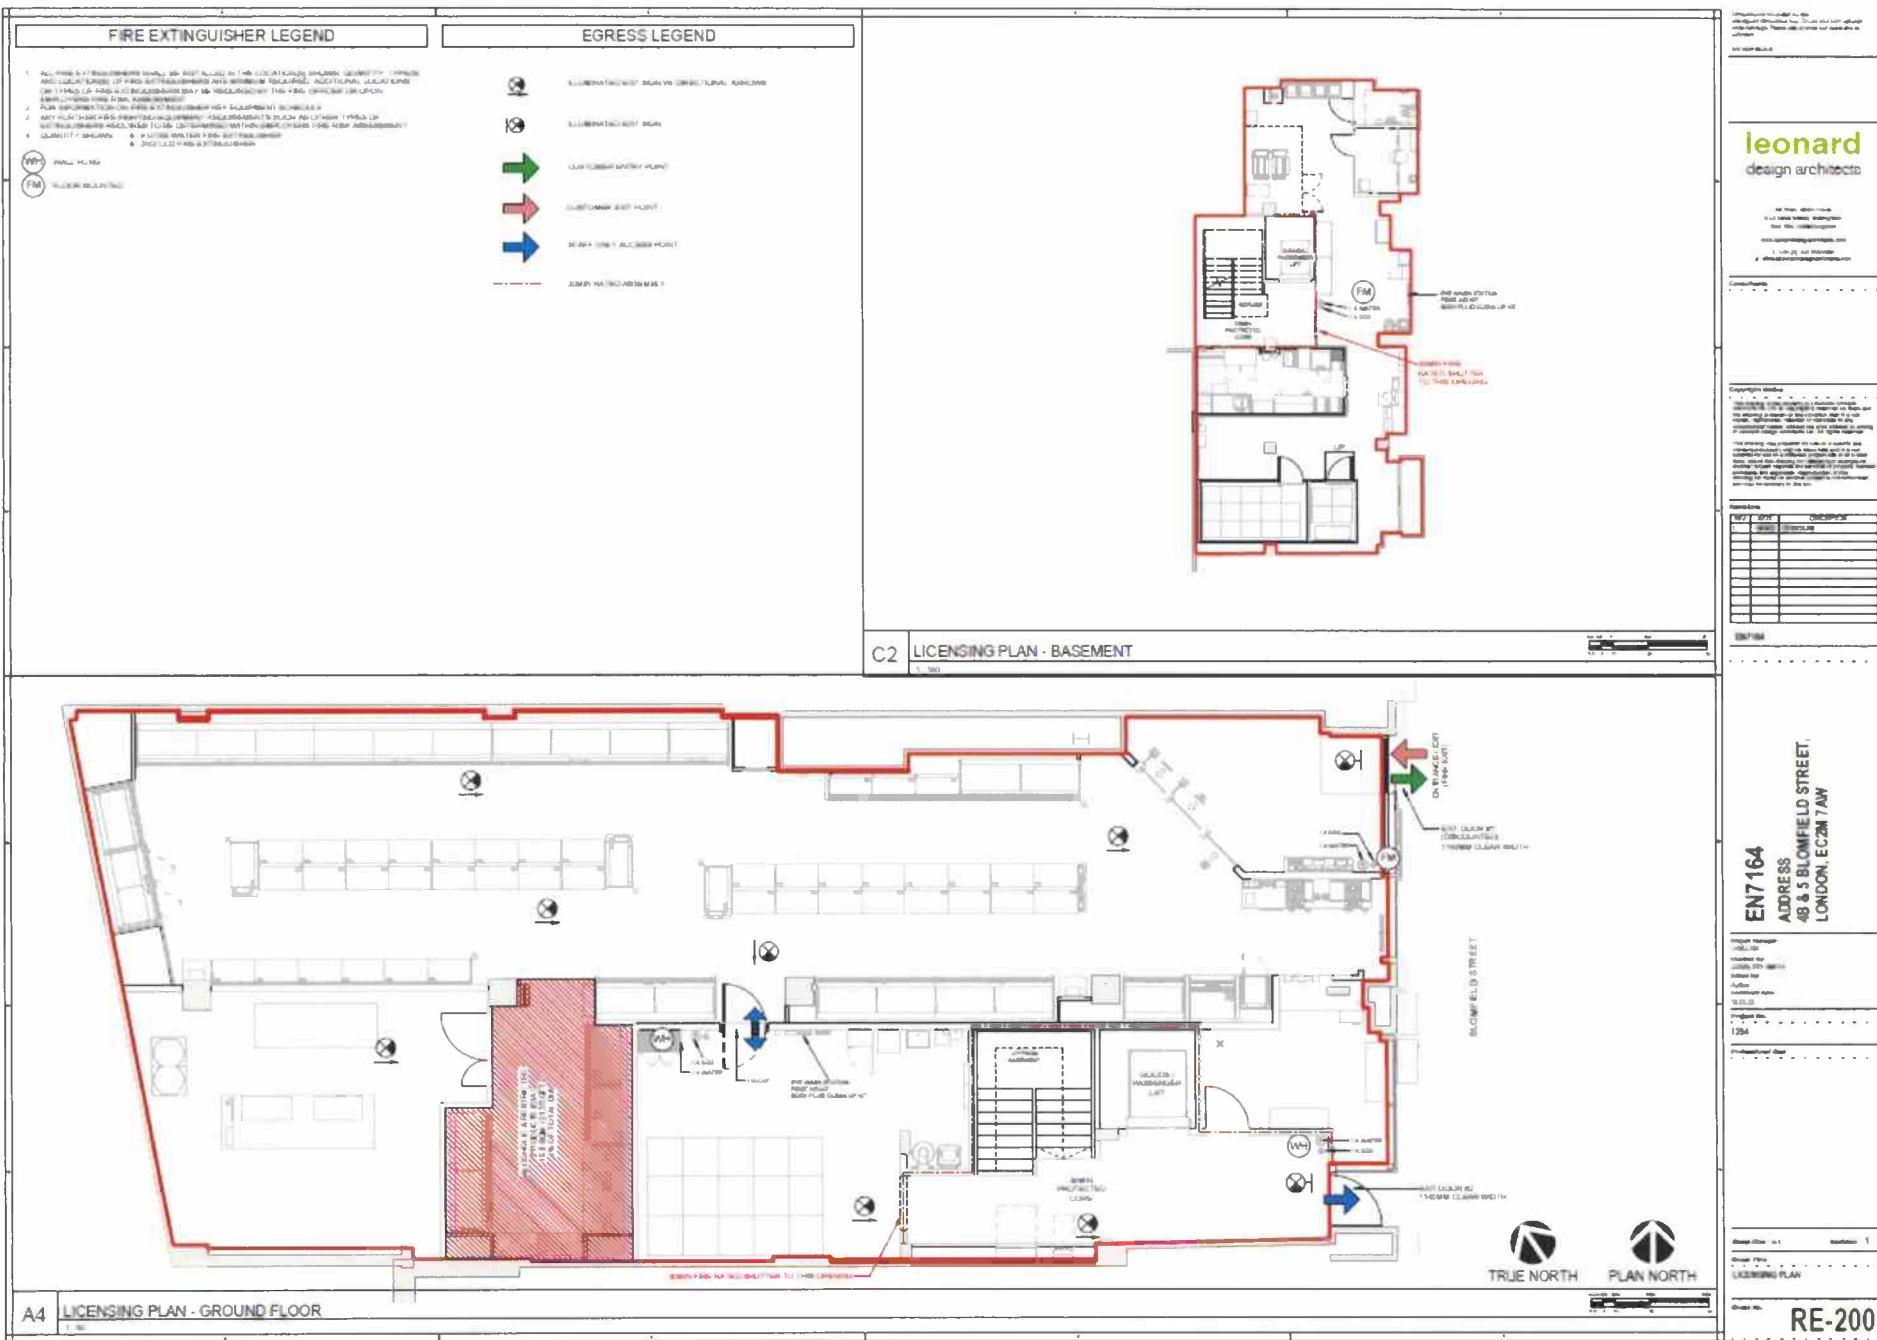

I look forward to hearing from you once you have had a chance to consider this.

Kind regards,

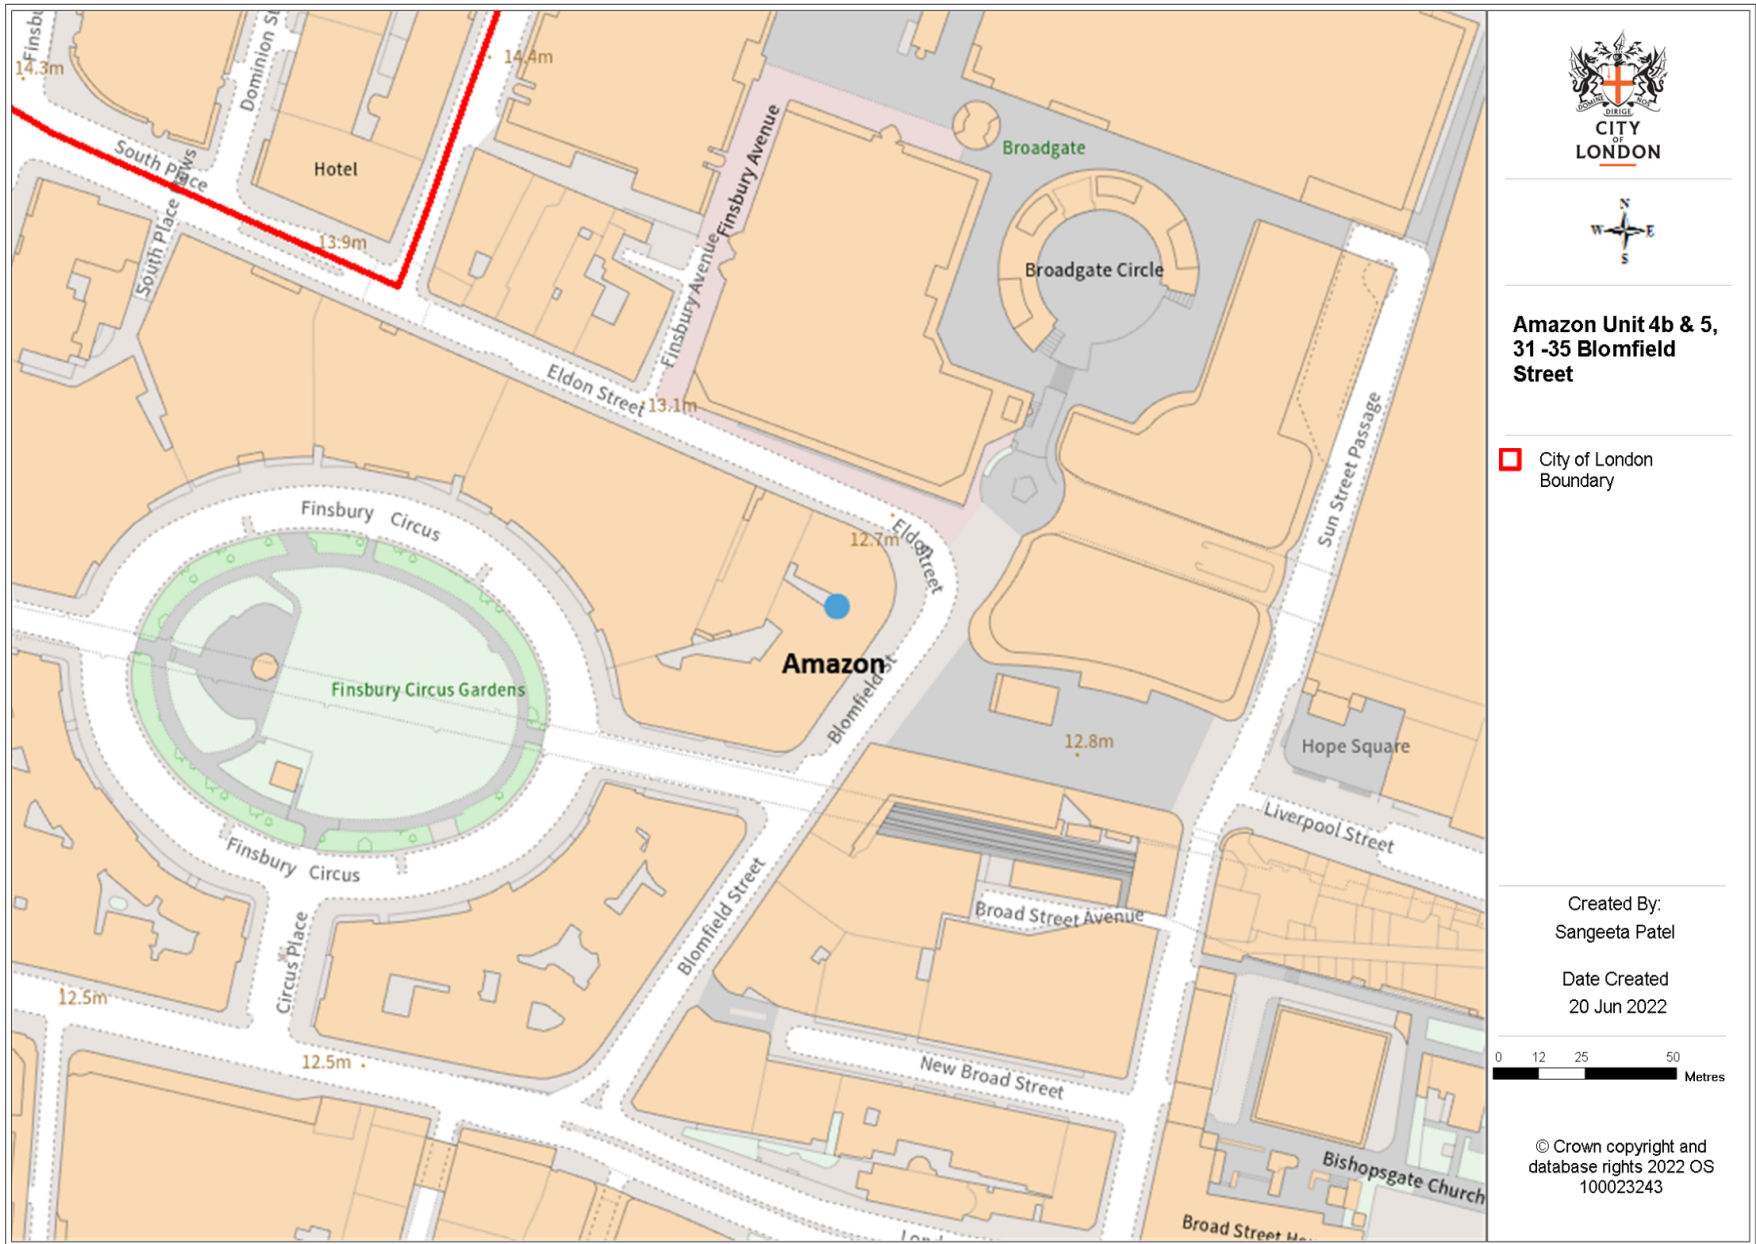

David
