**Minutes:** Resolved: That the minutes of the Court of Aldermen held on 7<sup>th</sup> June 2022 were correctly recorded.

**Resolutions on retirements, congratulatory resolutions, memorials etc.**

(i) **Resolved:-** That in taking their leave of

**SIR ALAN COLIN DRAKE YARROW**

**Vote of Thanks, Alderman Sir Alan Colin Drake Yarrow**

upon his retirement as Alderman for the Ward of Bridge and Bridge Without, this Court desires to place on record its most sincere appreciation of the exemplary service that he has given to the City Corporation and, in particular, to this Court, over the past fifteen years.

Alan was first admitted to this Court as Alderman for the Ward of Bridge and Bridge Without in February 2007.

During his tenure, Alan has served on many of the City Corporation's key committees, including the Policy and Resources Committee, the Finance Committee and the Planning and Transportation Committee. He has also been an active and enthusiastic member of several livery companies, namely the Worshipful Company of Fishmongers, the Worshipful Company of International Bankers and the Glaziers.

He faithfully served the ancient office of Sheriff of the City of London in 2011/12 before becoming Lord Mayor in September 2014. As the 687<sup>th</sup> Lord Mayor, Alan was most ably supported by Gilly, the Lady Mayoress who herself undertook a varied programme with passion and commitment. Throughout his Mayoralty, Alan

was tireless in his efforts to promote the City as a financial and professional services centre, both at home and overseas. Indeed, his Mayoral motto for the year – Creating Wealth, Giving Time, Supporting People – was evident through all that he did, and informed a number of key initiatives aimed at promoting a better understanding of the positive role played by the financial and professional services industry. City Giving Day, now a well-known annual event that unites businesses in the City and beyond through their charity and community partnerships, was launched to great aplomb the year prior to Alan's Mayoralty and in 2015, under Alan Yarrow, it gained huge momentum with 205 businesses taking part. Alan carried out this demanding role with commitment, integrity and good humour and these qualities will all be sorely missed by his fellow Aldermen.

In taking their leave his colleagues would like to express to Alan their sincere thanks for his many years of service, with the hope that he, his wife Gilly, and their two sons will look back on his civic life with the greatest pleasure, justifiable pride and immense satisfaction for all that he has achieved for the wider City, for the City Corporation and for this Court.

*Vote of Thanks,  
Alderman John  
Garbutt*

(ii) **Resolved:** - That in taking their leave of

**JOHN GARBUTT**

upon his retirement as Alderman for the Ward of Walbrook, this Court desires to place on record its most sincere appreciation of the service that he has given to the City Corporation and, in particular, to this Court, over the past thirteen years.

John was first admitted to this Court as Alderman for the Ward of Walbrook in September 2009.

During his tenure, John has served on many of the City Corporation's key committees, including the Finance Committee and the Planning and Transportation Committee. He has also been a very active and enthusiastic member of several livery companies. He was Upper Bailiff and is currently a Court Assistant of the Worshipful Company of Weavers, the City of London's oldest Livery Company. He is Honorary Court Assistant of the Joiners & Ceilers Livery Company, is a Liveryman of the International Bankers Livery company and, to date, has been the Sponsoring Alderman and Court Assistant of the Guild of Investment Managers, one of the newest Guilds in the City. In addition, he has remained closely involved in Ward activities and is President of the Ward of Walbrook Ward Club as well as a member of two others, Cheap and Coleman Street.

John was appointed by Royal Warrant as High Sheriff of Greater London in 2020/21. As an Under Warden and High Sheriff of Greater London Alderman John Garbutt JP was the first City Alderman to occupy both roles simultaneously for 125 years. John is also involved in numerous UK and international charitable organisations, including being a Life Vice President of the British Red Cross. In 2013, he and Solangela spent many months organising the British Red Cross Christmas Market, held at the Guildhall, which spread plenty of Christmas cheer but, more importantly, raised over £150,000 for the charity.

In taking their leave his colleagues would like to express to John their sincere thanks for his years of service, with the hope that he, Solangel, and their family will long retain many happy memories of a successful civic life and all he has achieved for the City, the Corporation and this Court.

**Reports – General Purposes Committee of Aldermen**

**Guidance for Liveries and Guilds – Conduct of Virtual Business**

The Chairman of the General Purposes Committee reminded the Court that, at its meeting back in May, the General Purposes Committee had considered a further report setting out the current practice in respect of the decision-making processes of Livery Companies and Guilds, specifically in relation to the conduct of virtual meetings. In summary, the General Purposes Committee were supportive of certain aspects of Guild or Livery business taking place physically, in hybrid form or virtually on a permanent basis, as the Guild or Livery Company sees fit and consequently recommended this to the Court. However, there was one additional aspect recommended by the General Purposes Committee at that same meeting that also now required the formal consideration of this Court. It was therefore recommended that the Court also support that, specifically with regard to Livery Company Freedom Ceremonies, some flexibility be introduced as to how these might be conducted, such that a minority of them may take place virtually if occasion requires.

**Resolved Unanimously:** - That the Court of Aldermen support that, specifically with regard to Livery Company Freedom Ceremonies, some flexibility be introduced

as to how these might be conducted, such that a minority of them may take place virtually if occasion requires.

***Petition of the Guild of HR Professionals for Company without Livery Status***

It was reported that the General Purposes Committee of Aldermen had approved the petition of the Guild of HR Professionals to be recognised as a Company without Livery and now wished to make a recommendation thereon to the Court of Aldermen. By way of brief background, it was reported that this Court had recognised the Guild of HR Professionals as a Guild of the City of London on 9 September 2014. A recognised guild that has functioned satisfactorily for at least four years can seek to be recognised as a City Company without Livery. For the Guild of HR Professionals, this milestone accordingly fell in September 2018. The Guild had presented supplementary documents including a business plan, nominal roll, financial statements and ordinances, among other documents.

***Resolved Unanimously:*** - That the Court of Aldermen grant the Guild of HR Professionals' petition to be recognised as a Company without Livery of the City of London.

***Redesignation of the London Regiment to the 1st Battalion London Guards***

It was reported that a further matter considered by the General Purposes Committee was a public report of the City Remembrancer relative to the continued recognition of the 1st Battalion London Guards, the redesignated London Regiment, as a Privileged Corps of the City of London. Having considered the report, the General Purposes Committee now commended to this Court that the 1st Battalion London Guards, the redesignated London Regiment, continue to be recognised as a Privileged Corps of the City of London.

***Resolved Unanimously:*** - That the 1st Battalion London Guards, the redesignated London Regiment, be recognised as a Privileged Corps of the City of London.
