LICENSING SUB COMMITTEE PROCEDURE FOR PUBLIC HEARINGS

1. This procedure shall apply to all public hearings conducted under the provisions of the Licensing Act 2003.
2. Public hearings conducted under the provisions of the Licensing Act 2003 shall take the form of a discussion led by the licensing authority. Cross-examination will be permitted when the Sub Committee considers it to be required. The conduct of hearings shall be broadly based, subject to the discretion of the Sub Committee, on the points set out below.
3. At the start of the hearing the Chairman of the Sub Committee will introduce himself and other Members of the Sub Committee as well as the City Corporation officers present. Anyone making representations will then be asked to introduce themselves and anyone accompanying them. The applicant will then do likewise.¹
4. The Chairman will then explain the purpose of the hearing and the procedure to be followed at the hearing. The Sub Committee will then make any rulings necessary in respect of requests for witnesses to heard in support of any of the parties making representations or the applicant.
5. Those making representations will then be invited to present their case. Repetition will not be permitted. Equal time will be offered to the applicant and those making representations. Where there is more than one party making representations and/or calling witnesses in support consideration should be given to having one spokesman on behalf of all parties so as to avoid repetition. Although the use of a spokesman will be encouraged by the Sub Committee, the decision rests with those parties making representations.
6. In the event of disorder or persistent disregard of the authority of the Chair, the Chairman may suspend or adjourn the hearing, or require that the person(s) causing disorder or showing disregard leave the hearing.
7. In the event that the Sub Committee has decided that cross-examination will be permitted, the applicant will be invited to ask questions of the party(s) making representations and their witnesses (if any). The party(s) making representations and any witnesses giving evidence in support will then answer any questions put to them by members of the Sub Committee.
8. The applicant will then be invited to present their case and call any witnesses in support of their application. The applicant will be entitled to the same period of time to present his case as those making representations were afforded.

¹ In hearings where a licence is being reviewed, references in this procedure to ‘applicant’ should be read as references to the licence holder and references to ‘those making representations’ should be read as references to those applying for the review.

9. In the event that the Sub Committee has decided that cross-examination will be permitted, those making representations will be invited to ask questions of the applicant and their witnesses (if any). The applicant and any witnesses giving evidence in support will then answer any questions put to them by members of the Sub Committee.
10. The Chairman will ask all parties if there is anything else they would like to add in support of their respective cases.
11. Those making representations will then be invited to make closing submissions followed by the applicant.
12. The Sub Committee will then retire to consider their decision. They may call for assistance by the representatives of the Town Clerk and/or the Comptroller & City Solicitor but those persons will play no part in the decision-making process.
13. In due course, the Sub Committee will return to announce their decision or to inform those present when the decision will be given.

1. Introduction and Purpose

- 1.1. The purpose of this sub-committee is to consider and determine, by public hearing, an application for the grant of a premises licence under the provisions of the Licensing Act 2003, taking into consideration the representations of responsible authorities and other persons, as detailed in paragraph 4, together with policy considerations detailed in paragraph 8 of this report.

- 1.2. The decision of the sub-committee must be made with a view to promoting one or more of the four licensing objectives, namely:
 - the prevention of crime and disorder
 - public safety
 - the prevention of public nuisance
 - the protection of children from harm

2. Summary of Application

- 2.1. An application made by:

**Barts Square Active One Ltd
1 Waverley Place, Union Street
St. Helier, Jersey
JE4 8SG**

was received by the City of London licensing authority on 21 September 2023 for the grant of a premises licence in respect of the premises:

60 Bartholomew Close, London, EC1A 7BF

- 2.2. Full details of the application can be seen as Appendix 1.
- 2.3. The proposed application is to facilitate a premises licence to allow the sale of alcohol and late-night refreshment, with it noted that the intent of the application is to replace on identical terms the previous licence held at this location that was lost through the insolvency of the previous licence holder. This new application is applied for by the freeholder of the unit.
- 2.4. The application seeks permission for:
 - a) the sale of alcohol for consumption on and off the premises
 - b) the provision of late-night refreshment
- 2.5. The hours applied for each activity in the application are shown in column 2 of the table below.

| <u>Activity</u> | <u>Proposed licence hours</u> |
|---|--|
| Supply of alcohol for consumption on and off the premises | Mon–Weds 11:00-23:00 Thurs –Sat 11:00-23:30 Sun 11:00-22:30 |
| Late Night Refreshment | Thurs –Sat 23:00-23:30 |
| Opening Hours | Mon–Weds 07:00-23:30 Thurs –Sat 07:00-00:00 Sun 07:00-23:00 |

3. Deregulation considerations

- 3.1. The applicant has not applied for Live Music or Recorded Music.

3.2. Notwithstanding, the following sections/paragraphs of the statutory guidance issued under S182 of the Licensing Act 2003 may be considered relevant to this application (revised December 2022):

- a) Paragraph 16.6 - As a result of deregulatory changes that have amended the 2003 Act, no licence permission is required for the following activities:

Live music: when a performance of unamplified live music takes place between 08.00 and 23.00 on any day, on any premises. When a performance of amplified live music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500, and alcohol is available for sale for consumption on those premises in accordance with the existing premises licence.

Recorded music: any playing of recorded music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500, and alcohol is available for sale for consumption on those premises in accordance with the existing premises licence.

- b) Paragraph 16.36 – Any conditions added on a determination of an application for a premises licence, which relate to live music or recorded music, are suspended between the hours of 08.00 and 23.00 on the same day where the following conditions are met:

at the time of the music entertainment, the premises are open for the purposes of being used for the sale or supply of alcohol for consumption on the premises; if the music is amplified, it takes place before an audience of no more than 500 people; and the music takes place between 08.00 and 23.00 on the same day.

3.3. In respect of this application, it can be noted that the proposed sale or supply of alcohol for consumption on the premises is from 11:00 hours until 22:30 hours – 23:30 hours daily. Whilst not expressed in the application, the venue capacity is far below 500 people. In line with 3.2 above, permission for regulated entertainment is therefore not required for live amplified music or recorded music before 23:00 hours. Any conditions added on the determination of this application for a premises licence which relate to live or recorded music will remain in place but are suspended before 23:00 hours when the criteria in paragraph 3.2 are met.

4. Representations

Representations from Responsible Authorities

4.1 There are no representations received from any responsible authorities.

Representations from Other Persons

4.2 There are 3 representations from other persons, all seeking reduced licence hours on the basis that granting the licence as applied for would undermine the licensing objective of prevention of public nuisance.

4.3 The representations can be seen in full as Appendix 2 (a) – 2 (c).

5 Conditions

Conditions drawn from the Operating Schedule

5.1 The operating schedule submitted with the applications suggests steps intended to be taken to promote one or more of the four licensing objectives. Conditions that are consistent with the steps described in the operating schedule and appropriate for the promotion of the licensing objectives can be included on the premises licence. A summary of such conditions is attached as Appendix 3. Where the condition has a similar effect as one from the Corporation's pool of model conditions, this has been indicated in the summary.

Conditions agreed with Responsible Authorities

5.2 During the period for representations conditions were agreed between the applicant and the City of London Police. These conditions are also detailed in Appendix 3.

6 Licensing/Planning History of Premises

6.1 The premises were initially occupied by Stem & Glory, a restaurant falling with Class A3. Stem & Glory vacated the premises due to insolvency in 2022.

7 **Map and Plans**

- 7.1 A map showing the location of the premises, and a table detailing terminal hour for alcohol sales and late-night refreshment, are attached as Appendix 4.
- 7.2 The plan of the premises can be seen as Appendix 5.

8 **Policy Considerations**

- 8.1 In carrying out its licensing functions, the Licensing Authority must have regard to its statement of licensing policy and any statutory guidance issued under s 182 of the Licensing Act 2003.

City of London Corporation's Statement of Licensing Policy (2022)

- 8.2 The following pages/sections/paragraphs of the City of London Corporation's Statement of Licensing Policy are particularly applicable to this application.

Pages 15-17 address the licensing objective 'The prevention of crime and disorder' and pages 22-25 address the licensing objective 'The prevention of public nuisance'.

Paragraph 92 states the need to strike a fair balance between the benefits to a community of a licensed venue, and the risk of disturbance to local residents and workers.

Paragraph 92 also states an overriding policy principle namely, that each application will be determined on its individual merits.

Certain aspects of paragraphs 97 – 99 are relevant as they address the need of care when controlling noise from those persons leaving a premises – which can apply equally to staff at the premises.

Paragraph 104 considers various factors that should be taken into account when considering whether any licensable activity should be permitted.

Paragraphs 138-144 (Section 13) state the City of London Corporation's policy on setting conditions which may be applicable dependant on the step(s) taken by members as stated in paragraph nine of this report.

Statutory Guidance

- 8.3 The following sections/paragraphs of the statutory guidance issued under S182 of the Licensing Act 2003 are particularly applicable to this application (revised December 2022):

Chapter 2 of the guidance covers the four licensing objectives. In particular, paragraph 2.20 states that it is, ‘...*important that in considering the promotion of [the public nuisance licensing objective, licensing authorities] focus on the effect of the licensable activities at the specific premises on persons living and working (including those carrying on business) in the area around the premises which may be disproportionate and unreasonable.*’ Also, paragraph 2.21 indicates that the prevention of public nuisance could, in appropriate circumstances include, ‘*the reduction of the living and working amenity and environment of other persons living and working in the area of the licensed premises.*’

Chapter 10 refers to conditions attached to premises licences with paragraph 10.10 stating that, ‘*Conditions should be determined on a case-by-case basis and standardised conditions which ignore these individual aspects should be avoided.*’ To which is added; ‘*Licensing authorities should therefore ensure that any conditions they impose are only those which are appropriate for the promotion of the licensing objectives.*’

9 Summary

- 9.1 The Licensing Authority has a duty under the Licensing Act 2003 to promote the licensing objectives. Each objective has equal importance. In carrying out its licensing functions, the licensing authority must also have regard to its Statement of Licensing Policy, any statutory guidance under the Licensing Act 2003 and is bound by the Human Rights Act 1998. The City of London Corporation must also fulfil its obligations under section 17 of the Crime and Disorder Act 1998 to do all that it reasonably can to prevent crime and disorder in the City of London.

10 Options

- 10.1 The Sub-committee must, having regard to the representations, take such of the following steps as it considers appropriate for the promotion of the licensing objectives:

- (a) grant the licence subject to any conditions consistent with the operating schedule modified to such extent as the Sub-committee considers appropriate for the promotion of the licensing objectives and include the mandatory conditions contained in Ss. 19-21 of the Licensing Act 2003;
- (b) exclude from the scope of the licence any of the licensable activities to which the application relates;
- (c) to refuse to specify a person in the licence as the designated premises supervisor;
- (d) reject the application

For the purposes of paragraph 10.1(a) conditions consistent with the operating schedule are modified if any of them are altered or omitted or any new condition is added

10.2 Where a licensing authority takes one or more of the steps stated in paragraph 10.1 above the applicant, or the holder of the licence and/or a person who made relevant representations in relation to the application, may appeal the decision to the Magistrates’ Court. Any appeal must be commenced within 21 days following notification of the decision to the appellant by the licensing authority.

11 **Recommendation**

11.1 It is therefore RECOMMENDED that your Sub-Committee determine this application for a new premises licence in accordance with paragraph 10 of this report.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

THIS IS AN EXTERNAL EMAIL

I wish to object to the hours proposed for the former Stem an Glory restaurant.

This is a residential area and I believe we are entitled to peace and quiet from 11pm . Therefore drinks orders should finish at 10.30pm and people should leave by 11pm.

The square is architecturally very noisy and people leaving after 11pm is a problem

Yours sincerely

Subject: Application for a licensing Permit for 60 Bartholomew close

THIS IS AN EXTERNAL EMAIL

To Whom It may concern

I object to the above application and wish for the sale of alcohol to be limited to no later than 10.30pm any day of the week and closure of the premises no later than 11pm.

I am aware that several business on the same close have later timings but this should not set a precedence - my reasoning is as follows:

1) The close is a residential area with 266+ homes. The geography and architecture of the close is such that any noise created in Barts Square or the close, day and night but worst during the night, gets amplified due to the closeness and height of the buildings and their surface finish which does not absorb sound - this has been confirmed by city of london's own investigations.

2) We have already had issues with several of the businesses due to noise created by their deliveries outside of hours (11pm to 7am) as well as patrons leaving noisily and taxis arriving for their pick up - which is impossible to control. I have personally been in touch with the Stem and Glory manager (the business previously located at the above address) for noise caused by patrons and staff leaving their premises late at night.

3) I personally missed the license application notices for some of these other businesses and was therefore not in a position to advise of my objections, which I would have done. I would ask that residents are notified of these applications in some other way rather than relying on a piece of paper posted somewhere on the building.

4) Whilst there are businesses with later licenses I am very worried about the CUMULATIVE effects of noise as more and more business purchase leases on Bartholomew Close following Covid.

5) Restricting license times and closure times brings these businesses in line with the delivery restriction hours (11pm to 7am) so we as residents can attempt to get unbroken sleep with a protected time slot.

I respectfully ask that the license application is reconsidered.

yours sincerely
Carla Regan

THIS IS AN EXTERNAL EMAIL

To the Licensing Committee

I wish to make a representation to the Committee in respect of the application for 60 Bartholomew Close.

On grounds of public nuisance, I ask the Committee not to grant any license going later than 11pm on weekday and Saturday nights and 10.30pm on Sunday.

I cite the same grounds as already submitted to the Committee by Carla Regan.

The key issues are:

- The proximity of a large number of residential units;
- The configuration of the square such that any noise and the movement of people is amplified around the square

Yours faithfully

Paul Rivlin
