20. **Any Other Business that the Chairman Considers Urgent**

The Committee was advised that the Streets & Walkways Sub-Committee had requested that the Planning & Transportation Committee amend its composition to enable the Sub-Committee to invite the Port Health & Environmental Services Committee to nominate one Member to the Streets & Walkways Sub-Committee, in order to ensure the Sub-Committee's deliberations were tied in with pollution issues in the City.

RESOLVED – That the composition of the Streets & Walkways Sub-Committee be amended accordingly, and that the Port Health & Environmental Services Committee be invited to nominate one Member to the Streets & Walkways Sub-Committee.
