### **Main Report**

Since your last meeting, variations to the grants outlined below have been agreed by the Chief Grants Officer, in line with the revised delegated procedure for the amendment of grants as previously agreed by your Committee.

#### **Lewisham Disability Association (Eco Audit)**

In September 2018=6 the above was awarded £2,800 to commission an eco-audit. The eventual cost came to less than that agreed so £1,800 has been revoked.

#### **Cardinal Hume Centre (Eco Audit)**

Of the £2,800 awarded in May 2017 for an eco audit the sum of £400 was surplus and so has been revoked.

#### **Community Centre for Refugees from Vietnam & Laos (Eco Audit)**

£400 from the £3,000 awarded in May 2017 to the above for an eco audit was not needed and so has been revoked.

#### **Thames Reach Charity**

In May 2016 you awarded a grant of £90,000 over three years to develop a mental health support project for entrenched rough sleepers. The work was to be based on a pilot previously delivered by the charity and involving partnership teams of various professionals. Shortly after the grant was awarded Thames reach signed a new contract with the GLA which included provision for much the same approach, which

led to the charity not drawing down any of your funds – the full amount of which has been revoked.
