Reasons for Significant Variations

- The main decrease in the local risk comprises the net effect of the following:-
 - Reduction of £60,000 in employee expenses is a result of the transfer of a finance post from the Community and Children's Services to the Chamberlain's department this is reflected in the increase in support services see reason 2 below.
 - Reduction of £49,000 in computing due to this charge now routed through Community and Children's Services and then recharged to Barbican through the recharges section of the account.

Reasons for Significant Variations

2. This increase is due to the transfer of certain finance staff from the Community and Children's Services Department to the Chamberlain's Department as a result of the Strategic Finance review, this has been partly offset by a reduction in Supervision and Management employees' costs see reason 1 above.
