Suicide prevention training for street pastors planned for 2018. It is hard to find a convenient time to train all the pastors at the same time. 13/12/18 The City Pastors have had at least one team patrolling every weekend since the launch in July 2017.This is generally on Friday night but on occasions Thursday and/or Saturday. At the commencement of each patrol the team contracts the control inspector and patrol sergeant seeking directions of where to patrol. Whilst the general request is to focus on the Bishopsgate corridor to patrol London Bridge, or other bridges is also often requested. Most patrols will visit one of the bridges at least once during a night's patrol. During this period the volunteers have not had any significant interventions. On one occasion there was a specific request to attend London bridge as police had received advanced information that someone was attending who was threatening suicide. The team attended and remained on the bridge for an hour but the person did not arrive. The force training section is preparing a training course for the volunteers on aspects off vulnerability including potential suicides. It is anticipated that this training will be delivered in February 2019.	Green
