**Subject:** Re; Application for a variation of a premises licence

Application has been made to the City of London for the grant of a premises licence for the following premises:-

**Ward:** Farringdon within  
**Premises:** Stem & Glory  
**Address:** Plumtree Court, Shoe Lane EC4A 4AP  
**Applicant:** Herbivore Restaurants Ltd  
**Application:** To replace condition 5 with the following; Alcohol may be supplied for consumption off the premises in sealed containers only, at any time during the hours permitted for on sales.

For the attention of the Town Clerk:

I am writing to object to the above application for a variation in the licence for these premises, to allow the sale of alcohol to pavement tables.

As you know, a number of residents objected to the original application to serve alcohol at pavement tables, on the grounds of the likely noise nuisance which would be caused to local residents.

Warm weather is only just beginning, since licences, allowing serving of alcohol was granted to Lino and Half Cup, in Bartholomew Close. I think it is only fair to monitor any public nuisance caused, before any other such licences are given.

I should be grateful if you would acknowledge receipt of this objection.

Yours faithfully,

Susie and Rick Carrington,
