The charity has established its grant making policy to achieve its objects, as laid out above, for the public benefit. Applications are assessed via a robust process to ensure that proposed activities for funding will be supported by adequate and appropriate resources and will be used only for activities that match the charity's criteria. Investment Policy

The charity's investments are held in units of The City of London Charities Pool. The Charities Pool is a Common Investment Fund operating in a similar way to a unit trust. It enables the City of London Corporation to "pool" small charitable investments together and consequently obtain better returns than would be the case if investments were made individually. The investment policy of the Charities Pool is to provide a real increase in annual income in the long term whilst preserving the value of the capital base. The annual report and financial statements of the Charities Pool are available from the Chamberlain of London.

Fundraising

In relation to the above we confirm that all solicitations are managed internally, without involvement of commercial participators or professional fund-raisers, or third parties. The day to day management of all income generation is delegated to the executive team, who are accountable to the trustee.

Our terms of employment require staff to behave reasonably at all times and relevant staff have received training in charity law and funding raising. We have received no complaints in relation to fundraising activities.

- ii) for The City of London School Scholarships and Prizes Fund (charity 2) to continue to assist children to study various subjects at the School, or to assist in further education. The School will continue to fund some of the larger annual prizes that it awards.

Independent Auditor's Report to the Trustee of The City of London School Bursary Fund incorporating The City of London School Scholarships and Prizes Fund

Opinion

We have audited the financial statements of The City of London School Bursary Fund incorporating The City of London School Scholarships and Prizes Fund (the 'charity') for the year ended 31 March 2019 which comprise the statement of financial activities, the balance sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2019 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions related to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Trustee's use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Trustee has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Independent Auditor's Report to the Trustee of The City of London School Bursary Fund incorporating The City of London School Scholarships and Prizes Fund (continued)

Other information

The other information comprises the information included in the Annual Report, other than the financial statements and our auditor's report thereon. The Trustee is responsible for the other information.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities Act 2011 requires us to report to you if, in our opinion;

- the information contained in the financial statements is inconsistent in any material respect with the Trustee's Annual Report; or
- adequate accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Trustee

As explained more fully in the Trustee's responsibilities statement, the Trustee is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustee is responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustee either intends to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Independent Auditor's Report to the Trustee of The City of London School Bursary Fund incorporating The City of London School Scholarships and Prizes Fund (continued)

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee

that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located at the Financial Reporting Council's ("FRC's") website at:

<https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charity's Trustee, as a body, in accordance with the Charities Act 2011. Our audit work has been undertaken so that we might state to the charity's trustee those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustee as a body, for our audit work, for this report, or for the opinions we have formed.

THE CITY OF LONDON SCHOOL SCHOLARSHIPS & PRIZES FUND**

Notes to the Financial Statements for the year ended 31 March 2019

1. Accounting Policies

The following accounting policies have been applied consistently throughout the year and in the preceding year in dealing with items which are considered material in relation to the charity's financial statements.

(a) Basis of Preparation

The financial statements of the charity, which is a public benefit entity under FRS102, have been prepared under the historical cost convention, as modified for the revaluation of investment property and financial investments measured at fair value, and in accordance with the Statement of Recommended Practice (SORP) Accounting and Reporting by Charities, published in 2015, Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (FRS 102) and the Charities Act 2011.

The administration of The City of London School Bursary Fund (charity registration: 276654 – "charity 1"), incorporating The City of London School Scholarships & Prizes Fund (charity registration: 276654-1 "charity 2") is set out in the governing Scheme approved by The Charity Commission for England & Wales on 1 December 2011. This scheme directs that The City of London School Scholarships & Prizes Fund (charity 2) shall be treated as forming part of The City of London School Bursary Fund (charity 1) solely for the purpose of Part II (registration) and Part VI (accounting) of the Charities Act 2011.

(b) Going Concern

The Trust is considered a going concern for the foreseeable future as the Trustee has due regard to maintaining the capital base and only the investment income is generally used in furtherance of the objectives of the Trust.

(c) Cash Flow Statement

The Trust has taken advantage of the exemption in FRS102 from the requirement to produce a statement of cash flows on the grounds that it is a small entity.

(d) Income Recognition

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably in the charity's funds.

(e) Investment income

Investment income consists of distributions from the Charities Pool and interest receivable on cash balances. The Charities Pool is a Common Investment Fund operating in a similar way to a unit trust. It enables the City of London Corporation to "pool" small charitable investments together and consequently obtain better returns than would be the case if investments were made individually.

(f) Expenditure Recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

**THE CITY OF LONDON SCHOOL BURSARY FUND
INCORPORATING
THE CITY OF LONDON SCHOOL SCHOLARSHIPS & PRIZES FUND**

Notes to the Financial Statements for the year ended 31 March 2019

1. Accounting Policies (continued)

(g) *Bursaries, Scholarships and Prizes awarded*

Bursaries are accounted for when the recipient has a reasonable expectation that they will receive the bursary and where any conditions attached to the bursary are outside the control of the Fund. Scholarships and Prizes are recognised as expenditure as soon as there is a legal or constructive obligation committing the Trust to the expenditure.

(h) *Investments*

Investments are valued annually at the middle market price at the close of business on 31 March. Gains and losses for the year on investments held as fixed assets are included in the Statement of Financial Activities. The unrealised gains/(losses) on investments at the balance sheet date are included.

(i) *Fund Accounting*

The funds of the charities consist of an Unrestricted Designated Fund, a Restricted Fund and an Endowment Fund which comprises permanent and expendable funds.

(j) *Taxation*

The charity meets the definition of a charitable trust for UK income tax purposes, as set out in Paragraph 1 Schedule 6 of the Finance Act 2010. Accordingly, the charity is exempt from UK taxation in respect of income or capital gains under part 10 of the Income Tax Act 2007 or section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

(k) *Significant Management Judgements and Key Sources of Estimation and Uncertainty*

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenditure. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected. Management do not consider there to be any material revisions requiring disclosure.

2. Tax Status of the Charity

The City of London School Bursary Fund is a registered charity and as such its income and gains are exempt from income tax to the extent that they are applied to its charitable purposes.

The City of London School Scholarships and Prize Funds is a registered charity and as such its income and gains are potentially exempt from income tax to the extent that they are applied to its charitable purposes.
