

Committee(s) Resource Allocation Sub Committee Port Health & Environmental Services Committee	Date: Urgency Urgency
Subject: Proposal to Assist City of London Investment and Operational Tenants for June Quarter Rents	Public
Report of: The City Surveyor	For Information
Report author: Tom Leathart, Andrew Cross, Neil Robbie - Assistant Directors of IPG, Paul Friend – Assistant Director CPG	

Summary

This report advises Members of an urgent decision taken by the Town Clerk, in consultation with the Chairman and Deputy Chairman, since the last meeting of the Committee, in accordance with Standing Order No. 41(a)

Recommendation

Members are asked to note the report.

Background

The purpose of this paper is to update Members on proposals currently under consideration to assist a number of “at risk” tenants (Appendix1), due to the ongoing Government advice on social distancing/home working and the uncertainty over how long this may be in place.

This report covers the June - September quarter, but the Corporation’s policy will need to be kept under review and revisited in advance of the September - December quarter. It is likely that further assistance will be required for the September – December quarter, subject to any further support offered by Central Government.

Action

The Town Clerk, in consultation with the Chairman and Deputy Chairman, has approved proposals to provide support to City of London Investment and Operational Tenants.
