

<b>Committee</b>	<b>Dated:</b>
City Bridge Trust	<b>17<sup>th</sup> September 2020</b>
<b>Subject:</b> London Community Response Fund Grants approved under delegated authority – Wave 3.	<b>Public</b>
<b>Report of:</b> Chief Grants Officer & Director of City Bridge Trust (CGO)	<b>For information</b>
<b>Report author:</b> Scott Nixon, Head of Director's Office	

### **Summary**

This report advises members of funds awarded through The London Community Response Fund (LCRF) under delegated authority for wave 3. As grants are still being awarded under this wave, a further update will be provided at your November committee.

An update on all wave 1 and 2 LCRF grants has previously been provided to this committee.

### **Recommendation**

Members are asked to:

- Receive this report.

### **Main Report**

1. As you may remember, the LCRF is an emergency response fund administered by CBT. Grants are awarded using both funds donated by other funders and CBT's own funds.
2. LCRF applications are submitted on a common portal which is coordinated by London Funders. Applications are then sifted by a group of 100 grants managers from across the funding sector. Applications are then further assessed by CBT Funding managers, freelance assessors and staff from other funders.
3. Recommendations are made by an Advisory panel comprising of officers from a range of donating funders and independent experts. These recommendations are then reviewed and approved by your CGO and Deputy CGO under the agreed powers of delegation.

4. Funding has been awarded in targeted waves. Waves 1 & 2 have already been reported to this committee. Wave 3 was in respect of continued crisis response as well as activities which enable organisation to continue to provide their usual services or adapt them as a result of the pandemic.
5. 244 applications for funding under wave 3 of the LCRF have been agreed under delegated authority since it launched. The total awarded under wave 3 to date is £8,191,182. A list of all of the grants is provided in annex 1. More detail in respect of any grant(s) can be provided on request.
