Roads Policing – Not Optional

A **National** report HMICFRS

Published 15th July 2020

There are 9 recommendations for the force, 2 are completed, 1 closed [not applicable] and 6 in progress.

Recommendations & Areas for Improvement		Status	Due Date	Comment
1	<p><u>Recommendation</u></p> <p>By 1 August 2021, the Department for Transport and the Home Office should develop and publish a national road safety strategy that provides clear guidance to the police, local authorities, highways agencies and other strategic partners. The strategy should include an explanation of the roles and responsibilities of each agency and the expectations of central government.</p>	WHITE	August 2021	This action is for the Department of Transport and the Home Office

Recommendations & Areas for Improvement		Status	Due Date	Comment
2	<p><u>Recommendation</u></p> <p>By 1 August 2021, the Home Office should revise the Strategic Policing Requirement to include an explicit reference to roads policing. Any revision should also include guidance on which bodies the requirement to collaborate with extends to.</p>	WHITE	August 2021	This action is for the Home Office
3	<p><u>Recommendation</u></p> <p>By 1 April 2021, the Home Office should use the statutory power under section 7(4) of the Police Reform and Social Responsibility Act 2011 to issue guidance on what should be included within future police and crime plans. The guidance should require reference to roads policing in all police and crime plans.</p>	WHITE	April 2021	This action is for the Home Office
4	<p><u>Recommendation</u></p> <p>With immediate effect, chief constables should make sure that roads policing is included in their force's strategic threat and risk assessments, which should identify the areas of highest harm and risk and the appropriate responses.</p>	NEW GREEN	August 2020	<p>Road policing was previously included within the force Strategic Threat and Risk Assessment [STRA] process.</p> <p>This is being looked at again through the force Transform Programme examining current and future demand and resourcing the new model. Recent findings from the Parliamentary Advisory Council for Transport Safety and HMICFRS reports are being fed into Transform proposals.</p> <p>A force STRA process is due to commence later this year [2020] so all areas of the force will be subject to a STRA review.</p> <p>The Roads Policing STRA will be undertaken annually.</p>

Recommendations & Areas for Improvement		Status	Due Date	Comment
5	<u>Recommendation</u> By 1 April 2021, the National Police Chiefs' Council should review the role and structure of national roads policing operations and intelligence.	WHITE	April 2021	This action is for the NPCC.
6	<u>Recommendation</u> With immediate effect, chief constables should make sure: <ul style="list-style-type: none"> [1]their force has enough analytical capability (including that provided by road safety partnerships) to identify risks and threats on the road network within their force area; [2]that information shared by partners relating to road safety is used effectively to reduce those risks and threats; and [3]there is evaluation of road safety initiatives to establish their effectiveness. 	AMBER	September 2020 for an initial position November 2020 for review	<u>[bullet 1] analytical capability</u> Sustained analytical support has been an issue for the Roads Policing unit. The Force Intelligence Unit, who provide this support is aware of the issue and has produced a dashboard which it intends to maintain on a quarterly basis. The City of London partners have no analytical capability. Deadline set for November 2020 for review. <u>[bullet 2] Information shared</u> Current data accuracy hinders sharing information, the lack of analytical support has hampered progress. This issue of the disjoint between data sets used by CoLP and the CoL was highlighted in the Road Danger Reduction and Active Travel Plan (submitted to the July PAB). Increase support has been provided to this function. Deadline set for November 2020 for review to establish if increased support is improving the situation.

Recommendations & Areas for Improvement	Status	Due Date	Comment
			<p>[bullet 3] evaluation of road safety initiatives</p> <p>This area requires development in partnership with the City of London. A meeting took place with the City's Strategic Transportation Team lead to discuss and these will be monthly moving forward.</p> <p>However, there seems to be an expectation that City of London Police provide the analysis for the City of London to use.</p>
<p>7</p> <p><u>Recommendation</u></p> <p>By 1 August 2021, the Department for Transport, in consultation with the Home Office and the Welsh government should review and refresh Department for Transport Circular 1/2007. The Circular should include a requirement that forces, or local road safety partnerships should publish the annual revenue received as a result of the provision of driver offending-related training and how that revenue has been spent.</p>	WHITE	August 2021	This action is for the Dept. of Transport and the Welsh Govt.
<p>8</p> <p><u>Recommendation</u></p> <p>With immediate effect, chief constables should make sure that their force (or where applicable road safety partnerships of which their force is a member), comply with (the current version of) Department for Transport Circular 1/2007 in relation to the use of speed and red-light cameras.</p>	AMBER	December 2020 [for initial review]	<p>Department of Transport Circular 1/2007 is being reviewed and its requirements and subsequent owners of the task established in discussion with CoL and other partners.</p> <p>A deadline of December 2020 has been set for this initial work.</p>

Recommendations & Areas for Improvement		Status	Due Date	Comment
9	<p><u>Recommendation</u></p> <p>With immediate effect, in forces where Operation Snap (the provision of digital video footage by the public) has been adopted, chief constables should make sure that it has enough resources and process to support its efficient and effective use.</p>	Under Consideration	August 2020	<p>The force currently has not adopted Operation Snap.</p> <p>However, this is being looked at to further improve road safety and is being considered under the force Transform programme. A pilot is being scoped, including resources to support. No final decisions to implement has been made.</p>
10	<p><u>Recommendation</u></p> <p>With immediate effect, chief constables should satisfy themselves that the resources allocated to policing the strategic road network within their force areas are sufficient. As part of that process they should make sure that their force has effective partnership arrangements including appropriate intelligence sharing agreements with relevant highways agencies.</p>	NEW GREEN	September 2020	<p>Resources allocated to Roads Policing are currently assessed as meeting demand. TfL funding is currently consistent.</p> <p>The force Transform programme plans are reviewing this area and the commitment to an annual Road Police Strategic Threat and Risk Assessment [STRA] will ensure that resourcing continues to be assessed.</p>
11	<p><u>Recommendation</u></p> <p>By 1 August 2021, the College of Policing should include a serious collision investigation module for completion along with the Professionalising Investigation Programme. This should include:</p> <ul style="list-style-type: none"> • minimum national training standards; and • certification for all serious collision investigators. <p>Chief constables should make sure that all serious collision investigators in their force are then trained to those standards.</p>	WHITE	August 2021 for the College of Policing	<p>This action is initially for the College of Policing</p> <p>However force will include any College of Policing requirements in its training plans</p>

12	<u>Recommendation</u> With immediate effect, chief constables should make sure that appropriate welfare support is provided to specialist investigators and family liaison officers involved in the investigation of fatal road traffic collisions.	AMBER	August 2020 for initial response October 2020 for the review	Currently TRIM [Trauma Risk Management] and welfare support through Occupational Health service are available – these arrangements are being reviewed to establish if they are fit for purpose / more support required.
13	<u>Recommendation</u> By 1 April 2021, the College of Policing and the National Police Chiefs' Council should establish role profiles for defined functions within roads policing and identify the required skills and capabilities.	WHITE	April 2021	This an is for the College of Policing and NPCC
14	<u>Area for Improvement</u> Force-level support to national roads policing operations and intelligence structure is an area for improvement.	AMBER	September 2020 Extended to January 2021 pending future regional and national meetings taking place]	The responses below are provided within the context of this area for improvement within the HMICFRS report: The force engages in national campaigns. National and Regional levels meeting were attended by Inspector [Roads Policing]; future representation will be additionally at Superintendent level. The force does provide data to national roads policing operations and intelligence unit. This action is held at amber pending Superintendent level representation at national and regional meetings and the deadline extended [subject to future meeting taking place].

15	<p><u>Area for Improvement</u></p> <p>The efficient and effective exchange of all collision data with other relevant bodies is an area for improvement.</p>	AMBER	<p>September 2020 [subject to review]</p> <p>Now November 2020</p>	<p>The responses below are provided within the context of this area for improvement within the HMICFRS report:</p> <p>Data collation and analysis, evaluation and effectiveness of the Road Danger Reduction Partnership and active travel plan need to be improved as referenced above. However the force does use the Crash system to report to DfT and TfL, although with the caveat of data accuracy.</p> <p>Analyst support is essential to achieving this.</p> <p>Progress is linked to 6 above; deadlines have therefore been aligned.</p>
16	<p><u>Area for Improvement</u></p> <p>The awareness and understanding of the changes in the Professionalising Investigation Programme within police forces is an area for improvement.</p>	AMBER	<p>November 2020 for initial response</p>	<p>Learning and Development are currently reviewing.</p>

Child Protection – City of London Police

A HMICFRS **force** report
 Published 10th July 2020

There are 6 recommendations for the force, 3 are complete and 3 are in progress.

Recommendations & Areas for Improvement	Status	Due Date	Comment
<p>1</p> <p><u>Recommendation</u> We recommend that City of London Police should immediately review the vulnerability training for its staff in all roles, to improve the understanding of the importance of engaging with children and in understanding their perspectives to improve safeguarding activities that deliver better outcomes for those children.</p>	<p>NEW GREEN</p>	<p>November 2020</p>	<p>A 'focus on' voice of the child briefing is currently in development to be delivered to all frontline officers and staff publication September/October 2020.</p> <p>A workshop has taken place to consider alternative ways to provide and embed important safeguarding information/processes across the force - this could see the development of 'Safeguarding Champions' together with a number of other initiatives that are being put forward for consideration.</p> <p>The force will be updating its vulnerability training with stronger focus on voice of the child. This to include separate sessions for supervisors and include the importance of recording.</p> <p>Public Protection Unit is delivering this training to all uniform groups, which may include an external speaker from PACT (Prison Advice and Care Trust) on the impact on children of officers attending addresses, arresting parents in front of children etc. This will be completed on group training days.</p>

Recommendations & Areas for Improvement	Status	Due Date	Comment
			<p>A step by step guide on how and when to complete a Public Protection Notice [PPN] including information on Voice of the Child circulated in June 2020 to all frontline staff.</p> <p>An example PPN has been added to the 'show me' area of the intranet.</p> <p style="text-align: right;"><i>[1.3, 1.4, 1.5]</i></p>
<p>2</p> <p><u>Recommendation</u> We recommend that, within three months, City of London Police should review its systems and practice to ensure that:</p> <ul style="list-style-type: none"> • [1]warning markers and flags are used to alert responders to risk and vulnerability; and • [2]Control room staff have effective systems to help them to prompt frontline responders to follow force policy – for example, to turn on body-worn video cameras when attending domestic abuse incidents. 	AMBER	November 2020	<p><u>Bullet 1</u> All incidents attended are checked for intelligence by the Response Intelligence Officer [within Control] who are on Duty 24/7. They will check all systems (including surrounding Forces) for any intelligence or flags associated with the address or individuals and as standard these would be communicated to the officers attending.</p> <p>These checks would also include specific police databases for violent and sexual offenders.</p> <p>Force Control and Public Protection have met to discuss further.</p> <p><u>Bullet 2</u> New onscreen messaging is being explored within the control system enabling Control operators to prompt officers with best practice [including Body worn video].</p> <p><i>[2.1 – 2.12]</i></p>
<p>3</p> <p><u>Recommendation</u> We recommend that City of London Police should immediately act to improve child protection investigations by ensuring that:</p> <ul style="list-style-type: none"> • [1]there is effective supervision; 	NEW GREEN	September 2020	<p><u>Bullet 1 and 2</u> A standard of expectations for supervision is has been included within the Child Protection SOP.</p>

Recommendations & Areas for Improvement	Status	Due Date	Comment
<ul style="list-style-type: none"> [2]timely referral and strategy discussions take place; and [3]body-worn video is accessible to all investigators. 			<p>Supervisors will follow the safeguarding supervision template [with Niche] at point of review and closure to ensure issues are considered.</p> <p>Supervisors will ensure deadlines are set for actions and follow up on these in monthly reviews</p> <p>The safeguarding checklist includes opportunities to reduce vulnerability were raised with partner organisations and that the voice of the child has been adequately recorded.</p> <p><u>Bullet 3</u> If a CoLP officer/ staff has an account with evidence.com, then they will have access to any piece of footage that has been uploaded to the system.</p> <p>[4.1 – 4.8]</p>
<p>4</p> <p><u>Recommendation</u> We recommend that, within three months, City of London Police should act to improve child protection investigations by reviewing its systems for investigating online child abuse and by establishing effective arrangements to identify and tackle those who download and distribute indecent images of children in its area.</p>	<p>NEW GREEN</p>	<p>October 2020</p>	<p>All downloaded mobiles will be checked against the national child abuse image database.</p> <p>Head of Public Protection Unit has spoken to MPS online investigation team (June 2020) and confirmed process for referrals between forces should an IP [Internet Protocol] address be resolved to City/Met address. MPS have confirmed that over previous 4 years no IPs have been resolved to City addresses.</p> <p>There is no need for separate SLA with MPS as this is national process.</p>

Recommendations & Areas for Improvement		Status	Due Date	Comment
				Information has been included within Child Protection SOP around targeting online offenders. [4.9 – 4.13]
5	<p><u>Recommendation</u> We recommend that City of London Police should immediately review the management arrangements for sex offenders and violent offenders in its public protection unit, including its supervision and management processes, so that it is satisfied that the unit is fully effective within its terms of reference. The aims should achieve:</p> <ul style="list-style-type: none"> • [1]the timely completion and update of risk management plans; • [2]timely and unannounced home visits being made to registered sex offenders; and • [3]timely recording of intelligence on force systems. 	RED	September 2020	<p><u>Bullet 1, 2 and 3</u> Weekly offender management meetings with Head of Public Protection review these areas. VISOR [Violence / Sexual offender] alerts have been set up to ensure staff arrange [MOSOVO] visits within required timescales. This forms part of dashboard reviewed and monthly meetings.</p> <p>Next steps: MOSOVO [Management of Violence/Sexual Offenders] SOP has been drafted to include City specific processes, reporting and supervision – signoff and publication pending.</p> <p>[7.1 -7.4]</p>
6	<p><u>Recommendation</u> We recommend that, within three months, City of London Police should introduce improvements to the arrangements for the attendance of appropriate adults, so that these are timely and sufficient to support children while they are in police detention.</p>	NEW GREEN	August 2020	<p>Monitoring arrangements are in place to ensure excess delays are avoided. Dip samples and monitoring at Custody Management Group also take place.</p> <p>Reassurance has also been sort that HMICFRS concerns regarding a singular fail have been captured for learning purposes.</p>

This report makes 8 recommendations, 6 for the force and complete.

Recommendations & Areas for Improvement	Status	Due Date	Comment
<p>2</p> <p><u>Recommendations</u> As well as the Crown Prosecution Service’s bespoke e-learning, which all Area prosecutors have to complete, the police and Crown Prosecution Service should ensure that refresher training in domestic abuse, and particularly evidence led cases, is available to staff as appropriate.</p>	<p>NEW GREEN</p>	<p>No deadline set by HMICFRS July 2020 by the force</p>	<p>Learning and Development have scheduled for a virtual ‘Focus on Domestic Abuse’ session This session is part of a series provided on differing subjects to refresh officer knowledge, skills and understanding.</p> <p>The Public Protection Unit is delivering training to all uniform groups and custody.</p>
<p>3</p> <p><u>Recommendation</u> The police should review training plans in order to ensure that all appropriate staff, both frontline officers and investigators, are trained how to handle domestic abuse cases.</p>	<p>NEW GREEN</p>	<p>No deadline set by HMICFRS July 2020 by the force</p>	<p>Guidance via email was issued in July 2020 and covered evidence led prosecutions and the need to ensure body worn video is used appropriately.</p> <p>Additionally Control and Public Protection unit are meeting to discuss how the force response could be further improved – looking at the use of checklists to ensure officers are doing all that is required.</p>

Recommendations & Areas for Improvement	Status	Due Date	Comment
<p>5</p> <p><u>Recommendation</u> Police forces should ensure that training, messaging and guidance is clear that evidence led cases should benefit from the same quality of investigation, early gathering of evidence and supervisory oversight as other domestic abuse cases, particularly in cases where the victim does not support police action. Domestic abuse champions should reinforce this message.</p>	<p>NEW GREEN</p>	<p>No deadline set by HMICFRS</p> <p>Set to July 2020</p>	<p>Training material around evidence led prosecutions has been rolled out previously; this included a video/case study of a City investigation.</p> <p>There is a dedicated section on evidence led prosecutions in the Domestic Abuse SOP which is prescriptive on what is expected. Each Domestic Abuse crime is reviewed by Public Protection supervisors and an entry has to be put on niche to detail whether 'Evidence Led' is appropriate.</p> <p>The force benefits from external scrutiny of failed DA court cases and cautions, alongside statistics from CPS meetings which are attended by the DI PPU.</p> <p>The force does not have domestic abuse champions, this role is recognised force-wide as PPU.</p>
