Please note that this policy describes the position of European Economic Area (EEA) and Swiss nationals after free movement ends at 11 pm on 31 December 2020. Until 30 June 2021, EEA and Swiss nationals will still be able to travel to the UK and prove their status simply using their passports and national identity cards, so checks on EEA and Swiss nationals as described in this policy do not need to be conducted until 1 July 2021.

1 Introduction

- 1.1 City of London Freemen's School (**School**) is a licensed Child Student and Student visa sponsor enabling the School to sponsor pupils who are not British or Irish nationals and who wish to study at the School for courses of more than six months' duration.
- 1.2 One of the guiding principles of the sponsorship regime is that holding a sponsor licence is a privilege and not a right. In order to maintain and retain the privilege of holding a sponsor licence (and to benefit from the migration which it enables) the Home Office and UK Visas and Immigration (**UKVI**) requires sponsors to play their part in helping to control immigration by fulfilling certain duties.

- 1.3 UKVI's guidance to sponsors outlines the general duties with which sponsors must comply, one being that a sponsor has a duty to:

"comply with all aspects of the Immigration Rules and sponsor guidance, and support immigration control, including by taking steps to ensure that every student at their institution who is subject to immigration control has permission to study in the UK throughout the whole period of their study."

- 1.4 Guidance also lists examples of serious breaches of sponsorship duties which could result in compliance action being taken against a sponsor, which ultimately could include licence revocation. That list includes the following:

"Operating in a manner that poses a threat to immigration control, such as failing to take steps to ensure that students who are subject to immigration control have leave to remain in the UK."

- 1.5 For these reasons it is extremely important that the School takes steps to:

- 1.5.1 identify all prospective and current international pupils; and
- 1.5.2 check that they have the right to be in the UK and to study throughout the period they are studying with us.

- 1.6 In 2014 the Home Office wrote to the Independent Schools Council setting out the steps independent schools are expected to take to meet their responsibilities as sponsors in relation to the above duty. This policy takes those steps into account.

2 Pre-admission checks: ALL PUPILS

- 2.1 We have in place processes to identify those pupils who will be subject to immigration control, whether their Student Visas are sponsored by us or have limited leave to remain under a different immigration category.
- 2.2 Initial indications as to each prospective pupil's immigration status are obtained through our admissions process by way of specific questions about the pupil's nationality and immigration status in the School's registration form.

- 2.3 The School specifically requests all prospective pupils to disclose and provide evidence (such as a copy of their passport and Biometric Residence Permit (**BRP**)¹) in relation to:
 - 2.3.1 nationality;
 - 2.3.2 whether they require Child Student or Student visa sponsorship by us if they are not a British or Irish citizen; and
 - 2.3.3 if not, the basis on which they are entitled to study in the UK, e.g. they have been issued a visa as the dependent child of someone with limited leave to remain in another immigration category.
- 2.4 The School reserves the right to request further information about a prospective pupil's immigration status and to share that information with UKVI. We will request further information if we are uncertain about a prospective pupil's immigration status or if information submitted by the pupil or parent indicates that they might be subject to immigration control (for example, if overseas correspondence addresses are provided).
- 2.5 Where an overseas pupil has entered, or is to enter, the UK under an immigration category that does not require the School's sponsorship (for example, as a Tier 2 dependant), in addition to the prospective pupil's documents, we also ask that parents provide a copy of their passport and BRP² or a "share code" so that we can access the child's digital immigration status. The School reserves the right to request further information about the immigration status of the parent(s) of a prospective pupil and to share that information with UKVI. We will request further information if we are uncertain about the immigration status of the parent(s) of a prospective pupil.

3 Enrolment checks: BRITISH / IRISH PUPILS ONLY

- 3.1 Although there is no requirement for schools to inspect or take copies of evidence of nationality for British and Irish pupils we reserve the right to do so if there are obvious discrepancies disclosed as part of the admissions or enrolment process. This will be the case where a home address outside the UK or Ireland is provided.
- 3.2 In cases where we do conduct further checks on enrolment, staff use the right to study checklist (at Appendix 2) to carry out these checks. A copy of the completed checklist is then appended to the pupil's file.

4 Enrolment checks: NON-BRITISH / IRISH PUPILS ONLY

- 4.1 In addition to pre-admission checks described above, the Schools carries out additional checks on enrolment of pupils who are not British or Irish citizens and who the School is not sponsoring under the Child Student or Student immigration category.
- 4.2 We inspect the pupil's original current passport and BRP (or their digital immigration status accessed via <https://www.gov.uk/check-immigration-status> using a share code provided to us by the pupil) to confirm the information given by the pupil at the pre-admission stage.
- 4.3 Copies are taken of the pupil's original documents showing all personal identity details and their immigration permission entitling them to study at the School.

¹ Pupils who do not have a BRP at the time of application will still be required to show their BRP to staff at enrolment so it can be checked and a copy taken.

² Pupils whose parents do not have their BRP at registration will be required to provide a photocopy of it at enrolment.

- 4.4 In the absence of an immigration stamp in the pupil's passport relating to their entry to the UK, we require pupils to provide their travel ticket to the UK or boarding card. Staff use the right to study checklist (at Appendix 2) and BRP checking guide (at Appendix 3) to carry out these checks. A copy of the completed checklist is then appended to the pupil's file.
- 4.5 If a pupil has not been granted leave which covers the entire duration of the time they will be at the School, we make a record of the date of expiry of the pupil's leave in a centralised diary that key members of the Admissions Team and our Compliance Management supplier Newland Chase will have access to. We will contact you before leave expires to confirm details.

5 **Enrolment checks: CHILD STUDENT AND STUDENT VISA SPONSORED PUPILS ONLY**

- 5.1 We are obliged to carry out certain mandatory checks and retain records in relation to each overseas pupil whose visa application we have sponsored. Like many other schools, we have made the decision to outsource this monitoring to specialist experts who have trusted relationships with the relevant authorities and are able to keep up-to-date with the ever changing legislation and compliance requirements. We will therefore charge a compliance management fee of £350 to be added to your first term's invoice when your first arrive at the school or if you are already a student at the school and move onto study a new programme e.g. from GCSEs to A Levels.
- 5.2 We inspect each sponsored pupil's original current passport and BRP to check that the pupil is entitled to study at our School in the UK.
- 5.3 Copies are taken of pupils' original current passports or immigration status document showing all personal identity details including biometric details, leave stamps and entitlement to study at the School.
- 5.4 In the absence of an immigration stamp in the pupil's passport relating to their entry to the UK, we require pupils to provide their travel ticket to the UK or boarding card. Staff use the right to study checklist (at Appendix 2) and BRP checking guide (at Appendix 3) to carry out these checks. A copy of the completed checklist is then appended to each sponsored pupil's file.
- 5.5 The Home Office requires sponsors to maintain a history of each sponsored pupil's contact details whilst they are in the UK. This includes details of their residential address in the UK, a telephone number and mobile telephone number. The School therefore maintains a spreadsheet of contact details for pupils sponsored under the Child Student or Student category and requires parents of pupils to update the School when there is any change to these details. We do not overwrite previously submitted information, in order to ensure a record of the history of contact details.
- 5.6 The School is required to keep a record of each sponsored pupil's absence and attendance at the School. This requirement is met by the School marking the pupil's attendance / absence at daily registrations, in line with prevailing pupil registration regulations.
- 5.7 The School is required to keep a copy of the letter submitted by each sponsored pupil's parents or legal guardians confirming their consent to the pupil's visa application and arrangements for travel to, and reception and care whilst in, the UK. The School also requires a copy of evidence demonstrating the relationship between the sponsored pupil and his / her parents / legal guardian. The School retains these documents on the pupil's file.

6 Periodic checks on existing pupils

6.1 The overriding principle is that schools are required to take steps to prevent a situation arising where they continue to teach pupils who do not have valid leave to be in the UK. We do this by carrying out the checks listed above before pupils commence their studies.

6.2 UKVI expect schools to know the immigration status of all pupils. We meet this requirement by maintaining a record of nationality of each pupil which also contains details of the immigration status of all pupils who are not British or Irish citizens.

6.3 In addition, the School ensures that our information and records are current and that parents and pupils understand the importance of such by means of the following:

Action	When / how often
Periodically reviewing pupil files of currently enrolled pupils to ensure that we hold information about their current immigration status	Annually
Requesting proof of immigration status if this information is found to be missing following review	As required
Parents are advised that they must inform the School if their child does not have the right to live and study in the UK or if their immigration status changes	When returning the School's registration form and in signing the School's Acceptance Form
Ensuring that parents and pupils are aware that the School may share information with UKVI	In the School's Terms and Conditions and in relevant correspondence with parents
Ensuring that the School may terminate the education of a pupil who has no legal right to be in the UK	In the School's Terms and Conditions

7 Timing of checks

7.1 Right to study checks are conducted and documents copied at enrolment before the pupil commences their course of study at the School.

7.2 If a pupil produces a document which demonstrates that their permission (also known as "leave") to be in the UK is time limited, then their right to study will also be time limited. In these circumstances, we record details of when the pupil's leave is due to expire and make enquiries as to what the pupil intends to do to ensure they maintain their right to study. Pupil files are monitored to ensure that their right to study is maintained.

8 Checking documents

8.1 Appendix 1 provides a quick reference guide to help identify:

- 8.1.1 whether pupils have a right to study; and
- 8.1.2 documentation we may ask to inspect and copy at enrolment.

- 8.2 In relation to pupils who are not British or Irish citizens, it is the School's policy to check the original document(s) which are set out in Appendix 1 on enrolment to confirm that the pupil has the right to study in the UK. These documents are checked in the presence of the prospective pupil.
- 8.3 The documents listed in Appendix 1 represent best practice but there may be occasions when parents of prospective pupils may insist that the pupil has a right to study in the UK but is unable to produce any of the documents specified. Such cases are to be treated sensitively and carefully and a child could be admitted for studies if the School can be satisfied that the parent and prospective pupil have a right of residence in the UK. Such an exercise can only be conducted by our Director of External Relations who will liaise with our external advisers on pupil immigration issues.
- 8.4 We check that the documents are genuine, have not been tampered with and relate to the pupil who has given them to us. We also check, so far as possible, that the document appears consistent with other information that we hold about the pupil.
- 8.5 We complete the form set out at Appendix 2 to assist in collecting the required information at enrolment. The checklist is stored on the pupil file.
- 8.6 Appendix 3 is to be used to assist in carrying out checks of BRPs.
- 8.7 Appendix 4 is to be used to assist in checking digital immigration status.

9 **Pupils identified without the right to be in the UK**

- 9.1 Where the School suspects that a pupil does not have valid leave, we take the action described in the following paragraphs.
- 9.2 We will contact the pupil's parent(s), legal guardian, educational guardian and / or agent who recruited the pupil, to clarify the position.
- 9.3 If it transpires that the pupil does not have valid leave, we will notify UKVI via EducatorsHelpdesk@homeoffice.gov.uk of the situation and work collaboratively with them to try to regularise the pupil's immigration status.
- 9.4 If it is not possible to regularise the pupil's immigration status within a reasonable time frame, we will consider exercising our rights under the parent contract to terminate the contract. In so doing, we will consider the best interests of the pupil, where they are under the age of 18. For example, where the pupil is part way through the school year it may be appropriate to postpone this action until the end of the school year. We will take such decisions in collaboration with UKVI, in order not to prejudice the School's sponsor licence or the rights of other sponsored pupils.

Appendix 3 How to check the validity of a BRP

1. Is the image an image of the pupil in front of you?

2. Does the name match the name of the person registered with the school?

3. Does the "Valid until" date cover the duration of the time the pupil will be at the school?

This will be five or ten years if the holder has been given permission to settle in the UK (known as indefinite leave to remain).

4. Does this say UK?

5. Does the immigration category match what you know about the pupil's circumstances?

If the pupil is a dependant of a person under a different category it should say that the pupil is a dependant.

6. These are the immigration entitlements for the length of the holder's stay, and may continue on the back of the permit.

A child who is 16 or over is permitted to work. You can also work, if you're 16 or over: part-time during term for up to ten hours per week; full-time during

Appendix 4 Checking digital immigration status

In certain circumstances a foreign national's immigration status will not be endorsed on a physical document but instead they will have a digital status that needs to be accessed online via an online portal. Pre-settled status and settled status granted to EEA and Swiss nationals under the EU Settlement Scheme is evidenced in this way, as is immigration permission granted to EEA and Swiss nationals from 1 January 2021, provided those individuals hold biometric, "chipped" passports.

Checking digital immigration status is a three-step process:

Step 1: Use the Home Office online right to work checking service

When a pupil wishes to share their immigration status with you using the Home Office online immigration checking service, they should provide you with the share code generated by the service. They may provide this to you directly, or they may choose to send this to you via the service, in which case you will receive an email from Status service status.service@notifications.service.gov.uk.

To view the pupil's immigration status, you will need to type in the share code and the pupil's date of birth.

You must use the Home Office online right to work checking service to conduct an online check. You must do this by accessing the check someone's immigration status page on [gov.uk](https://www.gov.uk/check-immigration-status). It is not sufficient to simply view the details provided to the pupil on the migrant part of the service.

Check someone's immigration status

Use this service to check someone's immigration status if you have their 'share code'.

The share code will have been emailed to you or given to you by the person whose status you're checking. It expires after 30 days. You will also need the person's date of birth.

The service will show if they have the right to:

- live in the UK
- access services like the NHS
- apply for benefits
- apply for a bank account, loan or credit card in the UK

Use a different service to [check someone's right to work](#).

Start now >

Step 2 Check

Check that the photograph on the online immigration status check is of the pupil presenting themselves to you (i.e. the information provided by the check relates to the pupil and they are not an imposter).

You must only allow the pupil to commence studies at the School, or continue in their studies if you are conducting a follow-up check, if the online check confirms they have the right to live in the UK and are not subject to a condition preventing them from studying in the UK.

Step 3 Retain evidence of the online check

You must retain evidence of the online immigration status check. For online checks, this should be the profile page confirming the pupil's immigration status. This is the page that includes the

pupil's photo and date on which the check was conducted. You will have the option of printing the profile (the response provided by the Home Office online immigration status checking service), or saving it as a pdf or html file.

You should store this securely, (electronically or in hard copy) for the duration of the pupil's studies with the School.

Appendix 5 Model covering letter to send to existing parents, together with permission to study in the UK form

Dear Mr and Mrs [• name]

In common with all independent schools which welcome pupils from overseas, [• name of School] School is obliged to comply with rules and guidance issued by the Home Office. I am writing to ask for your assistance with this responsibility.

The School has to take steps to ensure that every pupil has permission to study in the UK throughout the whole period of their study. Most of our pupils will have this permission by virtue of having the right of abode in the UK, which all British citizens have automatically.

Other pupils may have permission to study by virtue of other status - for example, if your child is an Irish citizen or you are working in the UK on a Skilled Worker visa and your child has been granted a visa as your dependant, your child will be permitted to study in the UK.

The School needs to carry out its own checks and therefore I would be grateful if you could complete the form attached and return it to me by no later than [• 00 month year].

All information will be used and processed subject to the School's usual data protection policies.

Thank you for your assistance.

Yours sincerely
