### Summary

This report advises members of funds to be approved that would usually be approved under delegated but are presented instead to the Committee in order to be able to confirm the total grants awarded this financial year. Assessment reports for all grants recommended for approval under delegated authority within this report are provided in Annex 1. Note that these are provided in the standard delegated authority format, which is different to the usual grant assessment reports.

### Recommendation

Members are asked to:

- Approve 3 grant recommendations

### Main Report

1. This report requests approval for 3 grant recommendations for requests which would usually be approved under delegated authority.
2. It is also worth reminding Members that the thresholds for determining the levels of delegated authority which can be used are on the sum requested and not the sum recommended.
