ORIGINS OF THE CHARITY

The Charity in its current form is a merger of three very small charities following a review of these within the City Corporation in 2011. The assets of the English Philological Endowment Fund (Charity number 306000) and the Alderman Sir Samuel Wilson Charity (unregistered) were transferred to the Guildhall Library Centenary Fund.

It covers all the City of London collections outlined under *Objectives and Activities for the public benefit*. The key overall target is for the funds to be acquired and used for the purchase and conservation of items for and in these collections as the need arises. Additionally, the Fund will seek to identify small projects that deliver on the cross-collection nature of the charity and in particular the education of the public, potentially using funds as partner funding for external grant applications.

TRUSTEE'S ANNUAL REPORT

STRUCTURE AND GOVERNANCE

GOVERNING DOCUMENTS

The governing document of the charity is the Trust deed dated 7 March 1929 which was amended on 9 June 2011. Under the powers of the Charities Act 2011 this amendment has taken into account the transfer of the assets of the English Philological Endowment Fund (Charity number 306000) and the Alderman Samuel Wilson's Gift of Harbinger's Portraits (unregistered). The charity is constituted as a charitable trust.

GOVERNANCE ARRANGEMENTS

The Mayor and Commonalty and Citizens of the City of London (also referred to as 'the City Corporation' or 'the City of London Corporation'), a body corporate and politic, is the Trustee of Guildhall Library Centenary Fund. The City Corporation is Trustee acting by the Court of Common Council of the City of London in its general corporate capacity and that executive body has delegated responsibility in respect of the administration and management of this charity to various committees and sub-committees of the Common Council, membership of which is drawn from 125 elected Members of the Common Council and external appointees to those committees. In making appointments to committees, the Court of Common Council will take into consideration any particular expertise and knowledge of the elected Members, and where relevant, external appointees. External appointments are made after due advertisement and rigorous selection to fill gaps in skills.

Members of the Court of Common Council are unpaid and are elected by the electorate of the City of London. The Key Committees which had responsibility for directly managing matters related to the charity during 2019/20 were as follows:

- **Policy and Resources Committee** – responsible for allocating resources and administering the charity.
- **Investment Committee** – responsible for the strategic oversight and monitoring of the performance of the charity's investments which are managed by three separate sub-committees, namely the Financial Investment Board, the Property Investment Board and the Social Investment Board.
- **Audit and Risk Management Committee** – responsible for overseeing systems of internal control and making recommendations to the Finance Committee relating to the approval of the Annual Report and Financial Statements of the charity.
- **Culture, Heritage and Libraries Committee** – responsible for the activities undertaken by the Guildhall Library Centenary Fund charity and acting as Trustee of the charity.

The Culture, Heritage and Libraries Committee of the City of London Corporation administers the Charity on behalf of the Trustee. This committee comprises Aldermen and Common Councilmen elected to the City of London Corporation who are

appointed to this committee in accordance with the usual procedures of committee membership of the City of London Corporation.

All of the above committees are ultimately responsible to the Court of Common Council of the City of London. Committee meetings are held in public, enabling the decision-making process to be clear, transparent and publicly accountable. Details of the membership of Committees of the City Corporation are available at www.cityoflondon.gov.uk

The Trustee believes that good governance is fundamental to the success of the charity. A comprehensive review of governance commenced during the year and is ongoing to ensure that the charity is effective in fulfilling its objectives. Reference is being made to the good practices recommended within the Charity Governance Code throughout this review. Focus is being placed on ensuring regulatory compliance and the ongoing maintenance of an efficient and effective portfolio of charities that maximise impact for beneficiaries.

ORGANISATIONAL STRUCTURE AND DECISION-MAKING PROCESS

The charity is administered in accordance with its governing instruments and the City Corporation's own corporate governance and administration framework, including Committee Terms of Reference, Standing Orders, Financial Regulations and Officer Scheme of Delegations. These governance documents can be obtained via a request to the email address stated on page 22.

Each Member by virtue of their membership of the Court of Common Council, its relevant committees and sub-committees, has a duty to support the City Corporation in the proper exercise of its functions and in meeting its duties as trustee of the charity by faithfully acting in accordance with charity law, the Terms of Reference of the relevant committee or sub-committee, and the City of London Corporation's agreed corporate governance framework as noted above, backed up by its standards regime.

INDUCTION AND TRAINING OF MEMBERS

The City Corporation makes available to its Members, seminars and briefings on various aspects of its activities, including those concerning the charity, to enable Members to carry out their duties efficiently and effectively. If suitable seminars or other training options are identified that are relevant to the charity, Members are advised of these opportunities.

OBJECTIVES AND ACTIVITIES

The objective for Guildhall Library Centenary Fund is to advance the education and training of the public through the provision and conservation of library, archive, museum and gallery collections.

The City of London Corporation makes such seminars and briefings available to its Members as it considers are necessary to enable the Members to efficiently carry out

their duties. Such events relate to various aspects of the City's activities, including those concerning Guildhall Library Centenary Fund.

The Charity Governance Code was published in July 2017. The Trustee is supportive of the Code and its aim to assist in the development of high standards of governance throughout the charity sector. The Trustee is currently considering application of the recommended practice to the work of the Guildhall Library Centenary Fund charity.

Fundraising

Section 162a of the Charities Act 2011 requires charities to make a statement regarding fundraising activities. The legislation defines fundraising as "soliciting or otherwise procuring money or other property for charitable purposes". Although Guildhall Library Centenary Fund charity does not undertake widespread fundraising from the general public, any such amounts receivable are presented in the financial statements as "voluntary income" including grants.

In relation to the above we confirm that all solicitations are managed internally, without involvement of commercial participators or professional fund-raisers, or third parties. The day to day management of all income generation is delegated to the executive team, who are accountable to the trustee. The charity is not bound by any regulatory scheme and does not consider it necessary to comply with any voluntary code of practice.

The charity has received no complaints in relation to fundraising activities in the current year (2018/19: nil). Individuals are not approached for funds, hence the charity does not consider it necessary to design specific procedures to monitor such activities.

Investment Policy

The charity's investments are held in units of the City of London Charities Pool (registered charity 1021138). The investment policy of the Charities Pool is to provide a real increase in annual income in the long term whilst preserving the value of the capital base. The annual report and financial statements of the Charities Pool (which include an analysis of investment performance against objectives set) are available from the Chamberlain of London, at the email address stated on page 22.

Public benefit statement

The Trustee confirms that it has referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing Guildhall Library Centenary Fund's aims and objectives and in planning future activities. The purpose of the charity is to advance the education and training of the public, in particular but not exclusively by the purchase of works of art, books, prints and articles of historical, archaeological or literary interest for the Guildhall Library.

Consequently, the Trustee considers that Guildhall Library Centenary Fund operates to benefit the general public and satisfies the public benefit test.

REFERENCE AND ADMINISTRATIVE DETAILS

The administrative details of the charity are stated on page 22.

ACHIEVEMENTS AND PERFORMANCE

£1,700 was spent by London Metropolitan Archives (LMA) to acquire 32 lantern slides portraying life in London from c.1890-c.1910, of which the Guildhall Library Centenary Fund contributed £1300. They are an informal snapshot of people at work and at leisure - some are close up images of people looking into the camera. They include a knife sharpener; street musicians; a view of a refreshment stall at St James' Park; a girl with a baby carriage made from a wooden box used to transport sugar cubes; rag and bone men with their cart and several images of Chrisp Street, Poplar. The images are hugely evocative of the period especially of children clearly living in straitened circumstances.

£5,000 was received from the Wyfold Charitable Trust on behalf of the Charles Lamb Society. The Society's Charles Lamb Collection has been deposited with Guildhall Library since the 1970s and ownership has now been transferred to the Library. The donation will support conservation and boxing of the Collection.

PLANS FOR FUTURE PERIODS

The key overall target is for the funds to be acquired and used for the purchase and conservation of items for and in these collections as the need arises. Additionally, the Fund will seek to identify small projects that deliver on the cross-collection nature of the charity and in particular the education of the public, potentially using funds as partner funding for external grant applications.

The Fund will continue to be used for the purchase and conservation of items for and in these collections as the need arises, as well as to support projects and exhibitions (potentially as partner funding for external grant applications) that deliver on the cross-collection nature of the charity and in particular the education of the public.

Prior to the end of the financial year of the charity, a global pandemic of Coronavirus began. This impacted upon the value of the investments held by the charity and is expected to impact on the future level of distributable income available to meet the objectives of the charity.

The Trustee is monitoring the situation and will continue with its operating model of only making donations and contributions from available income funds.

The Trustee does not consider there to be any material uncertainty around going concern and further detail regarding this is set out on page 15.

FINANCIAL REVIEW

Overview of Financial Performance

Income

In 2019/20 the charity's total income for the year was £5,554, an overall increase of £4,872 against the previous year (£682). The principle source of income was from one grant of £5,000 during the year, (no grants in the year 2018/19), with £554 received from investments held (2018/19: £682).

Expenditure

Total expenditure for the year was £1,300, all being for the category charitable activities (2018/19: £13,378), due to a contribution given to the LMA towards the purchase of 32 lantern slides portraying life in London from c.1890-c.1910.

Funds held

The charity's total funds held increased by £2,575 to £18,149 as at 31 March 2020 (2018/19: £15,574). Within the total funds held, £8,751 (2018/19: £15,426) represent permanent endowment funds which are held in perpetuity as a capital fund to generate income for the primary objectives of the charity. The reduction in this fund during the year was a result of the charity selling 536 units during the year, raising £4,996. Any income arising from this capital is accounted for within unrestricted funds. Unrestricted income funds amounted to -£4,398 (2018/19: £148). These funds are held for use in future years in accordance with the objectives of the charity.

During the year the charity received a grant of £5,000 to contribute towards specific works at the Guildhall Library, therefore the grant is being held in a Restricted Fund until the works are able to take place.

Details of all funds held, including their purposes, is set out within note 9 to the financial statements.

Investments performance

As at 31 March 2020, the investments held in the Charities Pool achieved a return of -14.78% (2018/19: +4.05%) compared to the FTSE All Share Index return of -18.45% (2018/19: +6.36%). Over three years this fund achieved a return of -2.44% (2018/19: +8.31%) compared to the FTSE All Share Index return of -4.24% (2018/19: +9.51%). Over five years, the fund achieved a return of +1.37% (2018/19: +6.77%) compared to the FTSE All Share Index return of +0.57% (2018/19: +6.10%).

Reserves policy

The reserves policy is to maintain the permanent endowment of the charity in investments in the Charities Pool administered by the City of London Corporation and use the investment income in accordance with the objectives of the charity. The Trustees have the discretion to distribute the permanent endowment as grants should they deem this appropriate.

Principal Risks and Uncertainties

The charity is committed to a programme of risk management as an element of its strategy to preserve the charity's assets. In order to embed sound practice the senior leadership team ensures that risk management policies are applied, that there is an on-going review of activity and that appropriate advice and support is provided. A key risk register has been prepared for the charity, which has been reviewed by the Trustee. This identifies the potential impact of key risks and the measures which are in place to mitigate such risks.

TRUSTEE RESPONSIBILITIES

The Trustee is responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Charity law requires the Trustee to prepare financial statements for each financial year in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under charity law the Trustee must not approve the financial statements unless the Trustee is satisfied that they give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing these financial statements, the Trustee is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustee is responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable the Trustee to ensure that the financial statements comply with the Charities Act 2011. The Trustee is also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the Trustee is aware:

- there is no relevant audit information of which the charity's auditors are unaware; and
- the Trustee has taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

Financial statements are published on the Trustee's website in accordance with legislation in the United Kingdom governing the preparation and dissemination of financial statements, which may vary from legislation in other jurisdictions. The maintenance and integrity of the Trustee's website is the responsibility of the Trustee. The Trustee's responsibility also extends to the ongoing integrity of the financial statements contained therein.

Adopted and signed for on behalf of the Trustee.

INDEPENDENT AUDITOR'S REPORT TO TRUSTEES OF THE GUILDHALL LIBRARY CENTENARY FUND

Opinion

We have audited the financial statements of The Guildhall Library Centenary Fund (the charity) for the year ended 31 March 2020 which comprise the statement of financial activities, the balance sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2020 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Charity in accordance with the ethical requirements relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions related to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The other information comprises the information included in the Annual Report, other than the financial statements and our auditor's report thereon. The Trustees are responsible for the other information.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities Act 2011 requires us to report to you if, in our opinion;

- the information contained in the financial statements is inconsistent in any material respect with the Trustee's Annual Report; or
- adequate accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Trustees

As explained more fully in the Trustee's responsibilities statement, the Trustee is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustee is responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustee either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located at the Financial Reporting Council's ("FRC's") website at:

<https://www.frc.org.uk/auditorsresponsibilities>

This description forms part of our auditor's report.

Use of our report

This report is made solely to the charity's Trustee, as a body, in accordance with the Charities Act 2011. Our audit work has been undertaken so that we might state to the charity's Trustee those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's Trustee as a body, for our audit work, for this report, or for the opinions we have formed.

BDO LLP, statutory auditor

NOTES TO THE FINANCIAL STATEMENTS

1. ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items that are considered material in relation to the financial statements of the charity.

(a) Basis of preparation

The financial statements of the charity, which is a public benefit entity under FRS102, have been prepared under the historical cost convention and in accordance with the Statement of Recommended Practice (SORP) Accounting and Reporting by Charities, published in 2015, Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (FRS 102) (2nd Edition) and the Charities Act 2011.

(b) Going concern

The financial statements have been prepared on a going concern basis as the Trustee considers that there are no material uncertainties about the charity's ability to continue as a going concern. The charity only spends the income that is generated from its investments, so maintaining its capital base. The latest forecast anticipates that adequate funds will be available in the next five years to enable the charity to continue to fulfil its obligations.

In making this assessment, the Trustee has considered the potential impact of the Covid-19 pandemic on the value of investment assets held, future income levels and the liquidity of the charity over the next 12-month period. The policy of only contributing funds from available unrestricted income, provides the flexibility to ensure the long-term viability of the charity despite reductions in investment values that have occurred. For this reason, the Trustee continues to adopt a going concern basis for the preparation of the financial statements.

(c) Key management judgements and assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenditure. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which form the basis of decisions about carrying values of assets and liabilities that are not readily apparent from other sources. The resulting accounting estimates will, by definition, seldom equal the related actual results.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected. Management do not consider there to be any material revisions requiring disclosure.

(d) Statement of Cash Flows

The charity has taken advantage of the exemption in FRS102 (paragraph 1.12b) from the requirements to produce a statement of cash flows on the grounds that it is a small entity.

(e) Income

All income is included in the Statements of Financial Activities (SOFA) when the charity is legally entitled to the income; it is more likely than not that economic benefit associated with the transaction will come to the charity and the amount can be quantified with reasonable certainty. Income consists of managed investments.

(f) Expenditure

Expenditure is accounted for on an accruals basis and has been classified under the principal category of 'expenditure on charitable activities'. Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required, and the amount of the obligation can be measured reliably.

The charity does not employ any staff. Officers of the City Corporation provide administrative assistance to the charity when required, but this is not considered material and is not separately calculated by the City Corporation. It is consequently not possible to quantify this assistance within expenditure in the Statement of Financial Activities.

(g) Taxation

The charity meets the definition of a charitable trust for UK income tax purposes, as set out in Paragraph 1 Schedule 6 of the Finance Act 2010. Accordingly, the charity is exempt from UK taxation in respect of income or capital gains under part 10 of the Income Tax Act 2007 or section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

(h) Investments

Investments are made in the City of London Charities Pool (charity number 1021138) which is an investment mechanism operating in a similar way to a unit trust. This enables the City of London Corporation to "pool" small charitable investments together and consequently obtain better returns than would be the case if investments were made individually.

Investments were previously valued at mid-price. To ensure compliance with FRS102, bid-price is now used. The difference in valuation as a result in the year is considered immaterial. Gains and losses for the year on investments held as fixed assets are included in the Statement of Financial Activities.

(i) Funds structure

Income, expenditure and gains/losses are allocated to particular funds according to their purpose:

Permanent endowment fund – this fund consists of funds which are held in perpetuity for the benefit of the charity as a result of conditions imposed by the original donors and trusts. Income generated from the investments which represent these funds can be spent on the charitable purpose of the charity, hence is allocated to the unrestricted income fund. Gains/losses on the underlying assets remain as part of the endowment.

Restricted funds – These include income that is subject to specific restrictions imposed by donors, with related expenditure deducted when incurred.

Unrestricted income funds – these funds can be used in accordance with the charitable objects at the discretion of the Trustee and include both income generated by assets held within the permanent endowment fund and from those representing unrestricted funds. Specifically, this represents the surplus of income over expenditure for the charity which is carried forward to meet the requirements of future years, known as free reserves.

(j) Insurance

The City of London Corporation takes out indemnity insurance in respect of all its activities. The charity does not contribute to the cost of that insurance.

5. AUDITOR'S REMUNERATION

BDO LLP are the auditors of the City of London's City's Cash Fund and all of the different charities of which it is Trustee. The City of London Corporation charges the audit fee to its City's Cash Fund and does not attempt to apportion the audit fee between all of the different charities. No other services were provided to the charity by its auditors during the year (2018/19: nil).

6. TRUSTEE EXPENSES

The members of the Culture, Heritage and Libraries Committee of the City of London Corporation acting on behalf of the Trustee did not receive any remuneration or reimbursement of expenses during 2019/20. (2018/19: nil).

7. INVESTMENTS

The investments are held in the City of London Corporation Charities Pool, a charity registered in the UK with the Charities Commission (charity number 1021138). The Charities Pool is a UK registered unit trust.

The value of investments held by the charity are as follows:

Purpose of endowment funds

The permanent endowment fund is held in perpetuity as a capital fund to generate income for the activities of the charity and represents the original assets of the charity, reported at current market value. Any income from this fund is accounted for within unrestricted income funds.

This fund represents the original endowment invested and shown at current market value. The purpose of the fund is:

To build up an endowment fund to care for the special collections housed within Guildhall Library for the use of future generations.

To build up a fund which enables the purchase of rare, unique and expensive items which would complement the holdings of Guildhall Library for the public to enjoy.

Purpose of unrestricted funds

During the year the charity received a grant of £5,000 to contribute towards specific works at the Guildhall Library, therefore the grant is being held in a Restricted Fund until the works are able to take place.

10. RELATED PARTY TRANSACTIONS

The City Corporation is the sole Trustee of the charity, as described on page 2.

The charity is required to disclose information on related party transactions with bodies or individuals that have the potential to control or influence the charity. Members are required to disclose their interests, and these can be viewed online at www.cityoflondon.gov.uk.

Members and senior staff are requested to disclose all related party transactions, including instances where their close family has made such transactions.

Figures in brackets represent the amounts due at the balance sheet date. Other figures represent the value of the transactions during the year.
