SUR CB 006a	Counter Terrorism	<p>TFL and DBE, the City Police and the MET Police continue to engage with respect to the threat assessments for the bridges. TFL will be taking the lead in terms of the response. When TFL assess the overall risk, they applied a higher risk impact than the City currently assesses. However, this relates to the overall risk, rather than the element for which the City of London Corporation, and the City Surveyor's Department, is responsible.</p> <p>Temporary mitigation by the Metropolitan Police remains in place, but this is not full Hostile Vehicle Mitigation.</p>	Nicholas Gill; Paul Monaghan; Peter Young	16-Feb-2021	31-Mar-2022
SUR CB 006b	Policing	The City of London Police receive funding from Bridge House Estates to provide policing to the City Bridges.	Nicholas Gill; Paul Monaghan; Peter Young	16-Feb-2021	31-Mar-2022
