Board of Governors – Outstanding Actions (Public)

Action Number	Date	Action	Responsible Officer	Progress Update
2/20/BG/P	19 March 2020	An update on work to close the outstanding audit recommendations of the City of London School for Girls to be reported to future meetings of the Board of Governors.	Compliance Manager	Completed – All outstanding audit recommendations are now closed.
17/20/BG/P	5 October 2020	The School to investigate collaborating with the Guildhall School of Music and Drama around its streaming technology to deliver integrated musical events.	Headmistress	<p>Concerning the GSMD's use of equipment/software for live rehearsing/digital output during lockdown, the Music Department had met to assess potential and concluded that in the immediate term, considering the outlay and follow-up investment in training needed to make use of very specialised methods and resources, the timescales did not lend themselves to providing any workable immediate solutions to the restrictions on performances and rehearsals. The Music Department would continue to work with and improve what was already in place internally, whilst looking to exploit opportunities for outdoor rehearsal and performance whilst the weather was better during the Summer 2021 term.</p> <p>In the interests of long-term analysis and potential implementation of useful aspects of the GSMD set-up, a representative of the Music Department would visit GSMD during Summer 2021 and explore the range of technologies in use there with their Head of Recording.</p>
