Manual calculations require greater knowledge and ability on behalf of the staff required to perform them; are often significantly more time consuming; and introduce a greater risk of human error.</p> <p>If the members of the Pensions Office that are responsible for administration of the Police Pension Scheme lack the necessary knowledge and skills</p>	 <p>Likelihood</p> <p>Impact</p>	<p>4</p>	<p><u>30 April 2022</u></p>	<p>■</p>
