Summary

As per the composition allocation rules for the Digital Services Sub-Committee (DSSC), appointments can be made from the Finance Committee and from the wider Court of Common Council.

After last month's Finance Committee meeting, where several appointments were made from FC, the Town Clerk circulated an advertisement to the wider Court of Common Council seeking expressions of interest to serve on DSSC for the 2021/22 municipal year. Three Members expressed an interest and approval is now sought from the Finance Committee to confirm these appointments.

Recommendations

Members are asked to agree that **John Chapman, Andy Mayer, and James Tumbridge** are appointed to the Digital Services Sub (Finance) Committee for the 2021/22 municipal year.
