2/2020/P	2 March 2020 Item 5 Integrity Dashboard and Code of Ethics Update	<p>Committee to be advised when next Victim Satisfaction Survey will be conducted (Feb 2021 update) Whilst a Report had been submitted recently to the Police's Performance Management Group, the number of responses this quarter – 14, had been significantly lower than the longer term quarterly average; therefore, it would be difficult to glean as great an insight as usual. The Chair asked officers to submit a (hopefully) fuller quarterly Report for the next meeting of the Committee in May.</p> <p>May update - Officers informed Members that the most recent quarter's data had not yet been published – full data would be made available for next the meeting of the Committee in September</p>	Head of Strategic Development	Recommend this OR is closed for PSI. The Victim Satisfaction results get routinely reported to the SPPC as part of the quarterly performance reporting and the Force would wish to avoid duplicate reporting.

10/2020/P	14 September 2020 Questions – External Scrutiny	<p>IASG Members to meet PS&I Members in 2021</p> <p>The Police Authority Team would be following up on this and would liaise with the Chair post-meeting. 13/2020/P	26 November 2020 Item 8 – Use of Algorithms and AI across the City of London Police	<p>A Member proposed that a separate session on Data Ethics, which outlined some of the concerns and potential risks that would likely emerge as the technology matured would be useful. Officers would set up a session in 2021. At least two members of the Committee had specialist knowledge in this area which it would be good to utilise.</p> <p>May Update - First AI/Data Ethics session took place in late April. Members asked officers to set up a repeat session for new Members of the Committee (and for any other Members who missed the April session) to take place, ideally, before the summer recess. Officers would circulate the presentation papers in the interim.</p>	Police Authority Team/ Director of Information (CISO & DPO)/Town Clerk	Complete- a session took place in April 2021 at which only 4 Members attended. Instead of setting up a repeat session it was agreed with the PA Team that the presentation would be circulated to all members instead.

2/2021/P	6 May 2021 Item 5 - Stop and Search and Use of Force Update Summary-End of Year 2020-21	The Chair asked officers to see if they could capture and present the figures for individuals who had been routinely stopped and searched (with a negative outcome). Officers responded that they would take this away and report back to the next meeting of the Committee; they pointed out that whilst able to compare the internal CoLP records, the Force did not have access to the figures held by the Metropolitan Police, so a true picture for those being routinely stopped and searched by all Police forces may not always be completely accurate.	Force	Complete- An explanation on this point has been covered in the Stop and Search report on the agenda.
3/2021/P	6 May 2021 Item 6 - Equality and Inclusion Highlight Report	Noting the usefulness of the Inclusive Employers Report, the Chair requested that a summary of the Report's findings is brought back to the Committee for its next meeting.	Head of Strategic Development	Complete- this is included in the E&I item on the agenda.
4/2021/P	6 May 2021 Item 7 – Integrity and Code of Ethics Update	The Chair requested that officers include the updated Integrity Standard Board (ISB) Dashboard for information at the next meeting of the Committee. This will reflect the data presented to the next meeting of the ISB on 9th June.	Head of Strategic Development	Update: Unfortunately, the ISB meeting was cancelled and no ISB meeting has taken place in the last reporting period. This will be reported to the November PSI Committee
