At the same time, it aims to deliver a vibrant street with a high-quality public realm at the centre of the Culture Mile, which will also provide the opportunity to realise property outcomes.	Director of the Built Environment	December 2020 February 2021 April 2021	The experimental traffic restrictions went live on 18 March 2020. With the second national lockdown in place for November 2020 the traffic counts for monitoring were delayed until January 2021. To compensate for the COVID delay, the public consultation and scheme monitoring windows were extended and kept under review. The Sub Committee considered a Gateway 5 Issues report, approving the continuation of the Experimental Traffic Order until September 2021 with the changes to the central reservation. Officers provided a verbal update at the meeting.
			July 2021	Monitoring and consultation tasks on the Experimental Traffic Order are set to resume following a judicial review on 29-30 June 2021. The commitment to the improvement of air quality in the public realm remains.
