Main Report

1. There are a total of 16 applications recommended for rejection at this meeting – all under your Working with Londoners programme. They are listed within categories in the accompanying schedules. In each case the “purpose” that is used to describe the application is that provided by the applicant organisation. All the recommendations are based on criteria set out in your Policy Guidance.
2. Copies of these application forms are available to view in the Members’ Reading Room. If any Committee Member wishes to query any of the recommendations, this can either be done at the meeting, in which case the decision may be deferred while full details are provided to the Member concerned, or by contacting the Trust office in advance of the meeting so that an explanation can be provided prior to or at the meeting.
