1a)	5 March 2020 30 March 2021 22 April 2021 12 May 2021 8 June 2021 29 June 2021 20 July 2021 7 Sept 2021	<p style="text-align: center;"><u>Radiance Studies</u></p> <p style="text-align: center;">Chief Planning Officer and Development Director</p> <p>A Member referred to a training session that had taken place for the Committee earlier this morning, and in which a consultant had expressed a view that radiance studies were the best way for laymen to assess the impact of developments on daylight where there was a genuine concern about this issue. The consultant felt that, in appropriate cases, the applicant should be asked to provide a radiance study.</p> <p>In view of this, the Member asked Officers to undertake, when future applications were received in which daylight will be an issue, to ask the applicant to prepare a radiance study to be provided to this Committee so that Members could make an informed assessment of the issue.</p>	<p>UPDATE (20 July 2021) - Officers confirmed that they would be requesting radiance assessments from applicants for all future applications where a BRE assessment had been submitted. Members were also informed that Officers continued to discuss the use of radiance assessments with developers at the pre-application and application stage and were also in discussions with the BRE as to the emerging amendments to their daylight/sunlight assessments. It was confirmed that it was ultimately for the BRE to decide whether radiance was a useful tool and to endorse it if they saw fit through their review of national guidelines.</p> <p>To be completed: Further report to Committee setting out/providing updates on these points by Autumn 2021.</p>

He added that this was originally approved by this Committee in October 2018 and that he had requested an update on progress on several occasions since. He asked that this also now be included within the list of Outstanding Actions so that it was not lost sight of entirely.</p>	<p>UPDATE (7 September 2021) - The Chief Planning Officer and Development Director reported that a significant number of consultation responses had been received, some of which were very detailed and would now require additional meetings with stakeholder. The final document would then have to be presented to the three Barbican Committees for input before being finalised by this Committee.</p> <p>The Chair stressed the need for and importance of proper consultation on this piece of work.</p> <p>To be completed: Amended draft document to Committee for final approval by February 2022.</p>
