Main Report

Background

1. The City of London Corporation is a corporate parent to the children who are in its care. These looked-after children are children and young people aged from 0 to the eve of their 18th birthday who cannot safely remain with their family, or those for whom the City Corporation acts as a parent in the absence of family. Children in care can include unaccompanied asylum-seeking children (UASC), children with multiple disabilities, and those who have suffered abuse and/or neglect. As such, looked-after children and young people are one of the most vulnerable and disadvantaged groups in our community.
2. The City Corporation’s Children’s Services were inspected by Ofsted in March 2020, with the findings published in June 2020. The service was found to be overall ‘Outstanding’ by Ofsted, its independent evaluation finding that corporate parenting within the City is ‘very strong, and there is a high commitment throughout the service to ensuring a personalised response to individual need’.

3. The Corporate Parenting Strategy was last reviewed in February 2021 and has been reviewed again in order to bring it into its review cycle of being reviewed and published annually in October.
4. The Care Planning, Placement and Case Review (England) Regulations 2010 require local authorities to provide an annual report on the outcomes for looked-after children. This report fulfils that requirement and provides a profile of the City Corporation's activities for looked-after children and care leavers for the year 2020/21.

Current Position

Corporate Parenting Strategy Update

5. The Corporate Parenting Strategy sets out how the City Corporation will deliver its role as a corporate parent and ensure that children and young people have the support, care and encouragement to reach their full potential.
6. Due to being previously updated in February 2021, the changes made in this review have been minimal. The strategy has been updated to make the duty of local authorities providing Personal Advisor support to all care leavers up to age 25, if they want this support.
7. A copy of the updated Strategy can be found in Appendix 1.

Annual Report

8. The Corporate Parenting Annual Report for 2020/21 covers areas including, but not limited to, health and wellbeing, safeguarding, education, employment, accommodation and the activities of the Children in Care Council.
9. The report contains relevant statistics such as the number of children and young people under the age of 18 who were being looked after by the City Corporation as of 31 March 2021, as well as how many young people left our care. It also includes relevant statistics related to the Independent Reviewing Officer service, UASC and the health and wellbeing of our looked-after children and care leavers.
10. As a corporate parent, the City Corporation will continue to drive the achievement of ensuring that all children in and leaving its care meet their full potential and have lives in which they thrive. The Annual Report details the targeted actions that the service will undertake during 2020/21, some of which have been affected and influenced by the COVID-19 pandemic.
11. A copy of the Corporate Parenting Annual Report 2020/21 can be found in Appendix 2.

Implications

Strategic implications

12. The Corporate Parenting Strategy and Annual Report are both statutory requirements as set out by the relevant legislation.
13. Reporting on the progress of the City Corporation as a corporate parent, with a regularly updated strategy, helps contribute to the City Corporation's Corporate Plan for 2018–23, and helps to ensure that people are safe and feel safe, people enjoy good health and wellbeing, people have equal opportunities to enrich their lives and their full potential, and communities are cohesive and have the facilities they need.

Equalities implications

14. The City Corporation's Department of Community and Children's Services strives to improve outcomes for our children and young people who often experience several areas of inequality. The vast majority of looked-after children within the City are UASC, and therefore it is important that any actions of the service reflect the specific needs of this group. This is ensured by carrying out adequate Equality Impact Assessments for all new services and initiatives that are developed.
