Summary

Policies submitted as part of the schedule for Governor Policy Reviewing and Approving.

Main Report

Governors are requested to consider the following policies for approval:

- PSHCEE Policy
- Pupil Mental Health Policy
- Relationships and Sex Education Policy
- Careers Education Information and Guidance Policy – minimal updates

Thank you to Del Cooke, Co-opted Governor for her valuable input and scrutiny of the first three policies prior to them coming to the full board for approval. The three policies are interlinked and each sets out how it supports the other through education and processes. When teaching about mental health in PSHCEE it is referred to and known to the pupils as 'emotional literacy'.
