These Regulations bring into force certain sections of the Environment Act 2021 over the course of several months. Sections on environmental targets, improvement plans and monitoring, as well as provisions related to the new Office for Environmental Protection, are brought into force on 24th January 2022. Provisions relating to the local air quality management framework and smoke control areas will come into force on 1st May 2022. The Health Protection (Coronavirus, Restrictions) (Self-Isolation) (England) (Amendment) Regulations 2022 No. 72 27th January 2022

These Regulations amended existing Coronavirus Self-Isolation Regulations in relation to exemptions to self-isolation for those vaccinated against coronavirus, those participating in clinical trials, and those unable for clinical reasons to be vaccinated against coronavirus. These Regulations are no longer applicable, as the Self-Isolation Regulations have been revoked as outlined below.

The Health Protection (Coronavirus, Restrictions) (Self-Isolation etc.) (Revocation) (England) Regulations 2022 No. 161 24th February 2022

The July 2020 Regulations made provision for local authorities to give directions relating to premises, events and public outdoor places in its area where it considered that public health, necessity and proportionality conditions were met. The September 2020 Regulations imposed self-isolation requirements in relation to persons who tested positive for coronavirus and their contacts, and increased the fixed penalty amount for offences under Coronavirus Regulations.
