THIS IS AN EXTERNAL EMAIL

To whom it may concern,

I object to lingering a 24 hour operation for GoPuff in London House on grounds of public nuisance: a 24 hour operation could be noisy at night and the operation will be hugely disruptive to pedestrians during the day with the increase of mopeds and other vehicles blocking pavements while waiting for and and collecting deliveries and increase in associated vehicle noise

Kind regards,  
Rachel Mortimer  
Thomas More House, Barbican
