THIS IS AN EXTERNAL EMAIL

Dear sirs

**To: City of London Licencing Team**

We are the owners of [REDACTED], in the residential block of 81 apartments in London House, 171-176 Aldersgate Street, City of London, EC1A 4HT.

We understand that Gopuff, who already operate a delivery business from the ground floor of the building, have applied for a premises licence, which includes onsite sales of alcohol 8am -11pm daily, 7 days a week.

We object to this application, taking into consideration the four licensing objectives of the Corporation of London:

- (1) The prevention of crime and disorder
- (2) Public safety
- (3) The prevention of public nuisance
- (4) The protection of children from harm

If the application is successful, we fear that some or all of these objectives run the real risk of being breached.

We opine that, if there is the sale & consumption of alcohol onsite, that this would likely result in alcohol fuelled anti-social behaviour onsite and outside our block of apartments, particularly as there are two entrances/exits planned which are close to the main entrance & lobby of the building.

To ensure that the objectives of the Corporation will be safeguarded we hope that the application will be rejected.

Thanking you.

Yours Sincerely

D & J Webster

[REDACTED] London House.
