

Appendix 3. City Cluster Programme overview

The City Cluster delivery framework is structured around three programmes and focused on the implementation of the City Cluster Vision.

This work supports objectives set out in the Transport Strategy, Climate Action Strategy and Destination City report.

The three programmes are:

Programme 1: **Pedestrian priority & traffic reduction**

Ensure pedestrian routes can accommodate the projected increases in pedestrians and cyclists flows by rebalancing the street capacity.

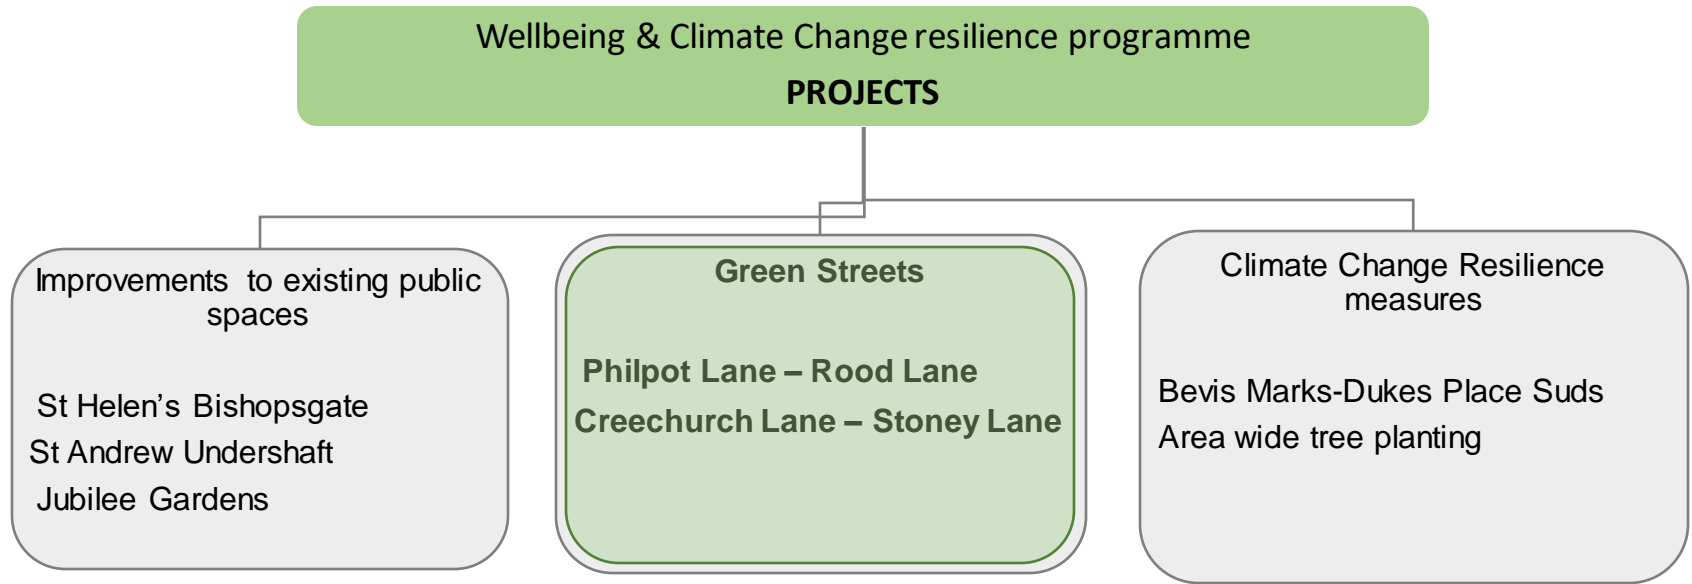

Programme 2: **Well-being & Climate change resilience**

Promote the improvement of public spaces and introduce greenery to deliver an attractive environment.

Programme 3: **Activation & engagement**

Deliver public places that are welcoming and inclusive; and encourage public participation and social engagement.

Appendix 3. City Cluster - Wellbeing and Climate Change resilience Programme

Green Streets.
Project summary

Location plan; EC BID area.

Proposed sites for installations:

1. St Margaret Pattens courtyard
2. Rood Lane
3. Lime Street
4. Fen Court north
5. Mark Lane / Great Tower Street
6. Mark Lane north
7. Fenchurch Place
8. Creechurch Lane north
9. Philpot Lane: existing parklet

Concept design.

CLUSTERS

The Pentile provides versatility and allows tailoring to specific sites. The physical model shown opposite is set up in the form of a Parklet (single sided seating with planters forming a buffer to the road). The plan drawing below illustrates how this would be applied at the site in front of WeWork. A deck would be required to bring the level of the ground up to be at least flush with the pavement.

The image immediately to the left illustrates one of the smaller clusters that we recommend are distributed on 'incidental' locations throughout the Eastern City area to reinforce the idea of a connected network or trail of interventions. This 4 pentile cluster could be any combination of seats and planters, to suit the location.

Detail. Seating units and modules

Terracotta base with timber seat

Materials

- Terracotta base
- Sustainable timber seats
- Resilient planting palette

Example installations.

Terracotta base with timber seat
